*Guests are welcomed back to enjoy Murrieta's iconic cinema with new safety measures and sanitization protocols in place*

MURRIETA, Calif.--(BUSINESS WIRE)-- Reading Cinemas with TITAN LUXE at Cal Oaks Plaza located in Murrieta, California, owned and operated by affiliates of Reading International, Inc. (NASDAQ:RDI), will be welcoming back their loyal guests today with extensive sanitization and safety measures in place. In an environment carefully designed to address COVID-19 concerns, and to comply with the various governmental guidelines applicable to the control of this novel virus, guests can return to share the magic of movies again on the big screen.

"Reading Cinemas has been working hard to enrich safety protocols and to train our team to abide by federal, state, local and industry guidelines," said Division Manager Jennifer Deering. "We are delighted to welcome back the community and want to ensure the safest environment possible for our guests and staff."

Reading Cinemas has implemented the following policies and procedures to help keep the community safe:

- Masks are required to be worn by all guests and staff.
- Guests will be encouraged to buy tickets in advance, either online or through the Reading Cinemas US app.
- Only credit, debit, or gift cards will be accepted to limit monetary exchanges. A designated transactional space will be available onsite where cash amounts can be transferred onto a gift card.
- Guests should arrive no earlier than 30 minutes before their showtimes so as to limit theatre capacity and allow for increased sanitation.
- To keep a safe distance from others, guests will be required to sit in their assigned seats and capacity will be limited in the auditoriums. Ticket purchases for each party will automatically account for six feet of social distancing between parties, by blocking off the seats surrounding each group. Reading Cinemas further encourages parties to be made up of immediate household members where possible.
- Increased sanitization will take place regularly, with extra sanitization at high-touch point areas. Auditorium seating, personal tray tables and armrests will be disinfected after each use.
- To improve air quality, Reading Cinemas has upgraded all HVAC filters and increased maintenance frequency.
- Floor decals and signage have been placed throughout the theaters to help guests keep a safe distance from others.
- Hand sanitizer stations will be placed throughout the theaters. Guests will be encouraged to wash their hands before and after consuming food and drinks.
