- The biggest opening weekend gross box office for our premium large format screens (i.e. TITAN LUXE, TITAN and IMAX) for any movie in our global circuit since *Thor: Love and Thunder* in 2022.
- The biggest opening weekend gross box office so far in 2024 for each of our U.S., Australian and New Zealand cinema circuits.

Ellen Cotter, President, and Chief Executive Officer stated, "The powerful marketing efforts of Disney and Marvel delivered a tremendous result with *Deadpool & Wolverine* smashing multiple industry records, including delivering the highest R-rated opening weekend of all time both worldwide and domestic. This past weekend's box office in each of our U.S., Australian and New Zealand cinema divisions was far and away the highest in 2024. And, with a Rotten Tomatoes Audience Score of 97% and an "A" CinemaScore, we expect *Deadpool & Wolverine* to have long legs. This weekend's results follow amazing box office performances for certain movies that opened during June and July 2024, such as *Inside Out 2*, *Despicable Me 4*, *Twisters* and *Bad Boys: Ride or Die*. We look forward to this strong momentum continuing into the second half of 2024 with eagerly anticipated movies like *Beetlejuice Beetlejuice*, *Joker: Folie à Deux*, *Wicked*, *Gladiator II*, *Moana 2*, *Mufasa: The Lion King* and *Sonic the Hedgehog 3*."
