2019
ANNUAL STOCKHOLDERS MEETING
MAY 7, 2019
Our comments today may contain forward-looking statements and management may make additional forward-looking statements in response to your questions. Such written and oral disclosures are made pursuant to the Safe Harbor provision of the Private Securities Litigation Reform Act of 1995.

Although we believe our expectations expressed in such forward-looking statements are reasonable, we cannot assure you that they will be realized. Investors are cautioned that such forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from the anticipated results, and therefore we refer you to a more detailed discussion of the risks and uncertainties in the Company’s filings with the Securities & Exchange Commission.

This presentation is intended to summarize the projects on which we are working and our plan for moving our Company forward.

Many of the projects are in their early stages and will be subject to various Governmental and Board approvals. Accordingly, no assurances can be given that the plans discussed herein will be achieved.

Further, some of the design concepts included in this presentation include proposed architectural renderings that represent works in progress.
We use EBITDA in the evaluation of our Company’s performance since we believe that EBITDA provides a useful measure of financial performance and value. We believe this principally for the following reasons:

We believe that EBITDA is an accepted industry-wide comparative measure of financial performance. It is, in our experience, a measure commonly adopted by analysts and financial commentators who report upon the cinema exhibition and real estate industries, and it is also a measure used by financial institutions in underwriting the creditworthiness of companies in these industries. Accordingly, our management monitors this calculation as a method of judging our performance against our peers, market expectations and our creditworthiness. It is widely accepted that analysts, financial commentators and persons active in the cinema exhibition and real estate industries typically value enterprises engaged in these businesses at various multiples of EBITDA. Accordingly, we find EBITDA valuable as an indicator of the underlying value of our businesses. We expect that investors may use EBITDA to judge our ability to generate cash, as a basis of comparison to other companies engaged in the cinema exhibition and real estate businesses and as a basis to value our company against such other companies.

EBITDA is not a measurement of financial performance under generally accepted accounting principles in the United States of America and it should not be considered in isolation or construed as a substitute for net income or other operations data or cash flow data prepared in accordance with generally accepted accounting principles in the United States for purposes of analyzing our profitability. The exclusion of various components, such as interest, taxes, depreciation and amortization, limits the usefulness of these measures when assessing our financial performance, as not all funds depicted by EBITDA are available for management’s discretionary use. For example, a substantial portion of such funds may be subject to contractual restrictions and functional requirements to service debt, to fund necessary capital expenditures and to meet other commitments from time to time.

EBIT and EBITDA also fail to take into account the cost of interest and taxes. Interest is clearly a real cost that for us is paid periodically as accrued. Taxes may or may not be a current cash item but are nevertheless real costs that, in most situations, must eventually be paid. A company that realizes taxable earnings in high tax jurisdictions may, ultimately, be less valuable than a company that realizes the same amount of taxable earnings in a low tax jurisdiction. EBITDA fails to take into account the cost of depreciation and amortization and the fact that assets will eventually wear out and have to be replaced.

In addition to EBIT and EBITDA, we also use Adjusted EBITDA. Adjusted EBITDA – using the principles we consistently apply to determine our EBITD TA, we further adjusted the EBITDA for certain items we believe to be external to our business and not reflective of our costs of doing business or results of operation. Specifically, we have adjusted for (i) gains on insurance recoveries, (ii) legal expenses relating to extraordinary litigation, (iii) adjustments for gains/losses relating to property sales, and (iv) any other items that can be considered non-recurring in accordance with the 2-year SEC requirement for determining an item is non-recurring, infrequent or unusual in nature.

WELL POSITIONED TO CREATE
LONG-TERM STOCKHOLDER VALUE

• Complementary Cinema & Real Estate portfolios offer compelling strategic and financial benefits.

• Cinemas provide steady cash flow to support real estate development focused on driving long-term stockholder value.

• Continue to grow that cash flow by elevating the cinema guest experience and further grow our audience by improving customization. State-of-the-art presentation and sound exhibit our well curated programming in venues where our guests can also enjoy the comforts of luxury recliner seating and the tastes of crafted food & drinks. At the same time, our engaging digital platforms create customized and enhanced guest experiences.

• Maximize the value in our existing real estate by creating centres offering a curated mix of tenants and events in spaces that build community and, at the same time, allow for engaging personalized experiences.

• Disciplined focus on elements of risk in existing opportunities and pursuit of new opportunities builds both cash flow and long term tangible value.

  o By the end of 2021, target to add elevated food to 10 more cinemas
Laser focus on Food Quality & Consistency lead to the Angelika Film Center Carmel Mountain hamburger being voted a “Favorite” by Readers of the San Diego Union Tribune.
DINE-IN SERVICE DRIVES REVENUE

US CINEMAS
• Today, only one US Cinema features SPOTLIGHT service (waiters serve elevated food & liquor in intimately sized auditoriums)
• Throughout 2019-2021, evaluate other US cinemas/new builds for SPOTLIGHT opportunities

AU/NZ CINEMAS
• Today, 9 cinemas (or 30% of all AU/NZ Cinemas) feature GOLD LOUNGE service (waiters serving elevated food & liquor in intimately sized auditoriums)
• GOLD LOUNGE in AU/NZ drives not only F&B per caps, but also ticket prices, are typically more than double the general admission price
• By the end of 2021, target to feature GOLD LOUNGE service in 11 cinemas
INNOVATIVE PRICING CONTINUES TO DRIVE ATTENDANCE

• In AU/NZ, a compelling value-based ticket pricing structure, with a simple, clear marketing plan, continues to be the foundation for circuit distinction and strength
  o Continue monitoring cinema competition for Value Pricing matching
  o Value Price is specific to amenity and market-by-market
• US pricing decisions made market-by-market due to US circuit’s geographic and programming diversity
• Attendance improved significantly at select US Cinemas where we launched reasonably priced general admission ticket structure, coupled with concession discounts
• Adding Value Pricing to other US Cinemas by end of 2019
• Exploring Subscription Service Model and expected to launch US test cinema by end of 2019
Digital Marketing Drives Increased Revenues

- Online Convenience Fee Revenue
- F&B Revenue
- Other Revenue
- Organic Audience Growth
2018 - INCREASED GLOBAL NET CONVENIENCE FEE REVENUE BY 48% TO $4.45M

- Implement Reserved Seating in all US Cinemas by the end of 2019 and in AU/NZ in 2020
- In 2018, improved functionality of US Cinemas App
- Launch Reading Cinemas App (IOS & Android) in AU/NZ – Q3 2019
- Improving and expanding social media platforms globally
DIGITAL MARKETING DRIVES OTHER REVENUES

- Online Gift Card Sales (Email & Mail)
  - Launch AU/NZ E-Cards in 2019
- Launch some form of F&B online sales by Q1 2020
  - Ensure that entire F&B menu available for online purchase by 2021
- With global cinema attendance over 21M and an expanding global digital infrastructure, we are exploring development of another revenue stream - third party advertising/sponsorship
- Elevate AngelikaBlog.com with a view to improving the quality of content focused on the independent theatrical experience, our films, food & drink and in-theater events (i.e. Q&As)
CURATE FILM & EVENT PROGRAMMING TAILORED TO OUR AUDIENCES

• Continue to generate incremental revenues through the curation of signature programming

• Alternative Content emphasis
  o Japanese anime, foreign language films, music movies, cultural events
  o Exclusively programmed repertory series, coupled with events or engagements

• Executed by our global programming and marketing teams
  o Our simple marketing formulas are easily overlaid across our programs, series, titles & events
  o Booked in advance and marketed across our own platforms, with no incremental advertising spend

• Increase Revenues through Theater Rentals (Film Festivals, Premieres, Screenings, Corporate Presentations)
FOUR NEW READING CINEMAS ARE UNDER CONTRACT IN AUSTRALIA

• Burwood Brickworks developed by Frasers – Expected to open late 2019

COMPLETE BASE BUILDING CONSTRUCTION

- Q2 2019 – Assuming lease is signed, we can begin turning over space to Tenant for their fitout

- Q2 2019 – Substantial completion of Glass Dome
  - Steel gridframe substantially completed May 2019
  - Glazing installed Q2 2019

WE HAVE CREATED ADDITIONAL STOCKHOLDER VALUE
Approx. 90% of net leasable area
- Executed Letter of Intent with credit tenant
- Currently in lease negotiation
- Remaining 7,200 SF on ground floor will be retail

Expected completion of “rent concession” period
- Replace construction financing with permanent financing
“GO IT ALONE” STRATEGY – 2021
IRREPLACEABLE PROPERTY ACROSS FROM BLOOMINGDALES IN NYC

• Complete evaluation of major foundational issues
  ○ Subway
  ○ Excavation and ability to create below grade floors

• Pursue and potentially buy inclusionary air rights to maximize development potential
  ○ With inclusionary rights, we can build maximum of approximately 96,000 RSF

• File re-zoning application for a best-in-class cinema as a part of redevelopment (estimated two year process)

• IKEA Metro Store opened next door to the Cinemas 123
Our Reading Viaduct is 3,200 feet in length and at least 70 feet wide. We also own several small parcels (which all have air rights) adjacent to the Viaduct.

June 2018 - Center City District completed Phase One of the Philadelphia's new elevated Rail Park

Surrounding neighborhoods are undergoing renewal

Continue to refine our knowledge about Viaduct/Adjacent Parcels and extent of ownership rights

Continue dialogue with the City regarding a cooperative re-development of the Viaduct

- Reposition & renovate portfolio to generate incremental rental income

OPERATIONS
- Actively manage our properties to generate sustainable operating efficiencies
- Proactively manage our leasing process with internal resources and systems to the benefit of our Company and our stockholders
- Exploit operative synergies available with Reading Cinemas

SPACE
- Create spaces (interior & exterior) that inspire and connect communities
- Create spaces to foster personalized experiences
- Create a well curated, but authentic, space

INITIATIVES
- Curate a dynamic tenant mix
- Customize experiences through digital marketing and physical space
  - Deliver engaging & enriching community experiences
  - Implement leasing initiatives to maximize property returns
- Exploit marketing synergies available with Reading Cinemas and its audience
CONTINUE TO IMPROVE NEWMARKET VILLAGE (NMV)

2017-Q1 2019

• Increased NMV capital value by:
  o Created new entertainment precinct - 8 screen state-of-the-art Reading Cinemas with TITAN LUXE and 10,172 SF F&B precinct
  o Expanded NMV's net leasable area by 57% (including Reading Cinema)
  o Today, 80% of new area is leased *

2019-2021

• Strategy to fully integrate and improve original center (Coles Supermarket wing, NMV second floor with legacy tenants and original common areas)
  o Improve tenant mix
  o Common area upgrade

• Create a complementary NMV Master Plan incorporating Edmondstone St. office building and future retail expansion

*As of March 31, 2019
• Since 2017, added six new incremental tenancies and upgraded the center
• Including Telstra property, an incremental 31,549 SF of net leaseable area added since Jan. 2017. 53% incremental increase in third-party net leaseable area
• Acquired building occupied by ASX listed Telstra for $3.5M (w/4 year leaseback) in Q2 2018
  o Telstra property abuts Redyard on three sides with expansive frontage to Parramatta Rd.
  o Net leaseable area of building is 16,830 SF, currently on one level
  o Current zoning allows for a six-level building
• Completed major upgrade of common areas in Q2 2018
• Renovated Reading Cinemas by adding TITAN LUXE and 3 PREMIUM screens, each with recliners in Q3 2018

• Recent Redyard investment/repositioning leads to stronger tenancy demand/retail mix. Anticipate 3 spaces being activated with national retailers
FUTURE VALUE OPPORTUNITIES

- Complete Redyard Master Plan, taking into account the opportunity and potential Eastern Pad (129,167 SF), Western Pad (21,528 SF) and integration of the Telstra building
CANNON PARK

REFINING PLANS FOR CANNON PARK

Value engineered Master Plan scope to reduce costs and enhance efficiency
• Expand Reading Cinemas - add new TITAN LUXE with DOLBY ATMOS, convert existing TITAN XC auditorium to PREMIUM with recliners, and expand lobby to add lounge area to serve enhanced F&B
• Add 5 new F&B/retail tenancies (approx. incremental 5,000-5,500 SF)
• Create appealing alfresco zones offering shading, water feature, and landscaping centered around existing octagonal tenancy
• Set leasing strategy for re-development of discount centre tenancies

2018-Q1 2019
• Present refined Master Plan and Feasibility to Board
• Lodge new Town Planning Development Application
• Detailed Design Documentation and Construction Tender

2019
• Assuming Board approval, commence construction
• 12 month construction plan
Wellington City Council’s Convention & Exhibition Centre being built across the street from Courtenay
- NZ$179M project
- Consent Application filed
- ~300,000 visitors expected annually
- No parking planned in development

Let’s Get Wellington Moving Again – Government engaging with public on developing plans to complete major upgrade to City’s infrastructure.

Te Papa, NZ’s National Museum (one block from Courtenay), rated as one of the world’s best museums, attracts over 1.5 million annual visitors

Tourism is integral to Wellington’s economy, resulting in NZ$2.6B in expenditure per year

Wellington
- Ranked “the most livable city in the world” by Deutsche Bank – 2017 & 2018
- Branded as “one of the coolest little capitals in the World” by Lonely Planet - 2018
- Expects 50,000-80,000 more people to move to the city over the next 30 years

WELLINGTON IS A THRIVING CAPITAL CITY & NEW ZEALAND’S ULTIMATE CREATIVE URBAN DESTINATION
In January 2019, a decision was made to close most of the building due to seismic concerns.

Our Company is now laser focused on re-inventing the Courtenay Central space.

Our development principles:
- Seismic Safety
- Value Engineering
- Creativity, Curation & Community

Remaining development parcels (i.e. former Carpark and Wakefield Street) will be taken into account as we address Courtenay re-development.
BREATHE NEW LIFE INTO OUR LEGACY
COURTENAY SPACE

• We'll re-imagine this space as a dynamic community hub housing the Courtenay Food Hall, other shops and a best-in-class Reading Cinemas.
  • Reading Cinemas – "Top-to-Bottom" Renovation
    • Convert all auditoriums to recliner seating
    • Create 1-2 TITAN LUXE with DOLBY ATMOS
    • Create GOLD LOUNGE offer in 2-4 auditoriums
    • Upgrade F&B offer and create elegant lobby lounge
  • Convert Courtyard space to destination Food Hall
  • Create additional tenant spaces
• We'll infuse excitement into our space located in Te Aro, the cultural hub of Wellington where many cultures combine in a truly vibrant melting pot.
November 2018 - Southern Gateway Consortium (“SGC”) lodged Resource Consent application to complete Stage 1 key infrastructure works required by Auckland City Council before development.

- Complete definitive Cost Sharing Agreement amongst SGC members. To date, only design and planning costs have been incurred and are shared equally by the SGC members. Reading has retained its own independent expert consulting team.

- Complete planning for key infrastructure works to build further value for our Company and our stockholders. With government agencies, SGC will finalize design/plan and cost sharing arrangements for remaining infrastructure work.

- Once cost sharing finalized, then complete full feasibility prepared and Stage 1 Infrastructure Works presented for consideration.

- Assuming definitive Cost Sharing Agreements agreed and Board approval, Stage 1 Infrastructure Works construction commence 2020.

- Commencing in 2020, the Company will, in parallel, explore: (i) possible joint venture with adjoining property owners or local institutional property group, (ii) sale to foreign or local buyer and (iii) self-develop supported by lease pre-commitments.

Source: Form 10-K for the year ended December 31, 2018.

(1) The $30,318 in unused capacity is restricted for capital projects for Union Square development uses.

(2) Intend to extend to 2020.

(3) The borrowings are denominated in foreign currency. The contractual capacity and capacity used were translated into U.S. dollars based on the applicable exchange rates as of December 31, 2018.

(4) On March 15, 2019, we amended our loan with NAB increasing the contractual capacity to $84,400 (or AU$120,000).
Data presented above have been adjusted to reflect adjustments, if any, to prior years based on the latest K’s and Q’s.

*Asset Value reflects amounts set forth in Reading public filings (10-Ks and 10-Qs). In many instances, the amounts do not reflect today’s market values or take into account potential development value.

**For Adjusted EBITDA, for 2018 we have added back legal fees of $3.9 million; for 2017 we removed gain on sale of assets amounting to $9.4 million and casualty loss recovery of $9.2 million and added back legal fees of $4.0 million; for 2016 we added back casualty loss and a gain on sale of assets totaling $1.0 million and legal fees of $3.7 million; and for 2015 we removed gain on sale of assets of $11.0 million and added back legal fees of $1.2 million.
In March, the Board reviewed and approved our three-year strategy and resolved that it has no current intention to engage in a sales process. The Board believes that Reading’s prospects for creating long term value offer the best course of action for our Company and our stockholders generally. This is a perspective also shared by the controlling stockholders.
