Explanation of Responses:

1. In prior filings for the Reporting Person, Column 9 of Table II has included the cumulative total of all the outstanding stock option grants to acquire Class A Non-Voting Common Stock for the Reporting Person. Some of those stock option grants previously included in such total were separate classes of Derivative Securities not required to be reported in connection with the reported transaction. In this report, all of the Reporting Person's stock option grants to acquire Class A Common Stock are reported supplementally in Table II to assist in the comparison of prior filings.
