EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A (this "Form 10-K/A") amends our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, originally filed with the U.S. Securities and Exchange Commission (the "SEC") on March 29, 2024 (the "2023 Form 10-K"). We are filing this Form 10-K/A to include the information required by Items 10 through 14 of Part III that were not included in the 2023 Form 10-K, as we will not file a definitive proxy statement containing such information within 120 days after the end of the fiscal year ended December 31, 2023.

Our board of directors has not yet set a date for the Company's 2024 Annual Meeting of Stockholders (the "Annual Meeting").

This Form 10-K/A amends the cover page of the 2023 Form 10-K to check the box that the Company has filed a report on and attestation to its management's assessment of the effectiveness of its internal control over financial reporting under Section 404(b) of the Sarbanes-Oxley Act (15 U.S.C. 7262(b)) by the registered public accounting firm that prepared or issued its audit report.

This Form 10-K/A amends and restates in their entirety Items 10 through 14 of Part III and the Exhibit Index (including the filing of new certifications as required by Section 302 of the Sarbanes-Oxley Act of 2002, as amended (the "Sarbanes-Oxley Act") in accordance with Rule 13a-14(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) of the 2023 Form 10-K. Except as otherwise expressly noted above, this Form 10-K/A does not amend any other information set forth in the 2023 Form 10-K. This Form 10-K/A continues to speak as of the date of the 2023 Form 10-K and, except where expressly noted, we have not updated disclosures contained herein or therein to reflect any events that occurred at a date subsequent to the date of the 2023 Form 10-K. Accordingly, this Form 10-K/A should be read in conjunction with the 2023 Form 10-K and our other filings with the SEC.

Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Item 307 or Item 308 of Regulation S-K, paragraphs 3, 4 and 5 of the certifications required by Section 302 of the Sarbanes-Oxley Act have been omitted.

Unless the context requires otherwise, all references to the "Company," "Reading," "we," "our" or "us" means Reading International, Inc., a Nevada corporation, and its consolidated subsidiaries.

Section 16(a) of the Exchange Act requires our executive officers and Directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings. Based solely on our review of the copies received by us and on the written representations of certain reporting persons, we believe that all of our executive officers and Directors, and greater than 10% beneficial owners, complied with the reporting requirements of Section 16(a) during 2023, except as follows:

Name of Reporting Person	Number of Late Reports	Number of Transactions
Robert Smerling	1	1

Insofar as we are aware, all required filings have now been made.

Our Board has determined that the Audit Committee is composed entirely of Independent Directors (as defined in section 5605(a)(2) of the Nasdaq Listing Rules and Rule 10A-3(b)(1) of the Exchange Act), and that Mr. Douglas McEachern, the Chair of our Audit Committee, is qualified as an Audit Committee Financial Expert. Our Audit Committee is currently composed of Directors Douglas McEachern, who serves as Chair, Guy W. Adams and Dr. Judy Coddling. The Audit Committee held six (6) meetings during 2023. As a "controlled company", we are exempt from the Nasdaq Listing Rules requiring the determination of executive compensation solely by independent directors. Notwithstanding such exemption, our Board has established a standing Compensation Committee consisting of three (3) of our Independent Directors (as defined in section 5605(a)(2) of the Nasdaq Listing Rules and Rule 10C-1(b)(1) of the Exchange Act), and is currently composed of Directors Dr. Judy Coddling, who serves as Chair, Guy W. Item 11 – Executive Compensation

Compensation Overview

Role and Authority of the Compensation Committee

Background

As a “controlled company,” we are exempt from the requirement under the Nasdaq Listing Rules requiring the determination of executive compensation solely by independent directors. Notwithstanding such exemption, we have established a standing Compensation Committee consisting of three (3) of our Independent Directors. Our Compensation Committee Charter requires our Compensation Committee members to meet the independence rules and regulations of the SEC and the Nasdaq Stock Market (“Nasdaq”).

Our Executive Compensation Philosophy

Our executive compensation philosophy is to: (1) attract and retain talented and dedicated management team members; (2) provide overall compensation as competitive in our industry; (3) correlate annual cash bonuses to the achievement of our business and financial objectives; and (4) provide management team members with appropriate long-term incentives aligned with stockholder value. While we believe that our entire executive compensation package contributes to these goals, the base salaries we offer generally support goals 1 and 2 above, our short-term incentive (“STI”) bonuses generally support goals 1, 2 and 3 above, our long-term incentives (“LTI”) generally support goals 1, 2 and 4 above.

Compensation Committee Charter¹

Our Compensation Committee Charter delegates significant executive compensation responsibilities to our Compensation Committee, including:

- to establish our compensation philosophy and objectives;
- to review and approve all compensation for our CEO and our executive officers¹;
- to approve all employment agreements, severance arrangements, change in control provisions and agreements and any special or supplemental benefits applicable to our CEO and other executive officers;
- to approve and adopt, on behalf of our Board, incentive compensation and equity-based compensation plans, or, in the case of plans requiring stockholder approval, to review and recommend such plan to the stockholders;
- to review the disclosures made in the Compensation Overview and advise our Board whether, the Compensation Overview is satisfactory for inclusion in our annual report on Form 10-K and proxy statement;
- to prepare an annual compensation committee report for inclusion in our proxy statement for the annual meeting of stockholders;
- to administer our equity-based compensation plans, including the grant of stock options and other equity awards under such plans; and
- to consider the results of the most recent stockholder advisory vote on executive compensation when determining compensation policies and making decisions on executive compensation.

Under our Compensation Committee Charter, any compensation determinations pertaining to Ellen M. Cotter and Margaret Cotter are subject to review and approval by our Board, excluding, in each case, the votes of Ellen M. Cotter or Margaret Cotter. Further, our Compensation Committee periodically reviews and makes recommendations to our Board regarding Director compensation.

¹Under our Compensation Committee Charter, “executive officer” is defined to mean the chief executive officer, president, chief financial officer, general counsel, principal accounting officer, any executive vice president of the Company and any managing director of Reading Entertainment Australia, Pty Ltd and/or Reading New Zealand, Ltd.

Compensation Setting Process

In the first quarter of 2023, our Compensation Committee set executive compensation for our NEOs for calendar year 2023. In so doing, our Compensation Committee relied on historical data on compensation, including reference to peer data on compensation provided by compensation consultants and input from our Chief Executive Officer.

At the request of our Chief Executive Officer, our Compensation Committee maintained a conservative stance on executive compensation driven by our goal to manage liquidity requirements for our Company. Our Compensation Committee (i) increased the 2023 annual base salaries, (ii) authorized initial eligibility for potential short-term incentive awards in the form of annual cash bonuses with metrics based on corporate and individual performance, but ultimately decided not to pay any of the STI bonuses to executive officers due to the overarching consideration of Company liquidity, and (iii) made long-term incentive awards in the form of time vested restricted stock units (“RSUs”) and performance based restricted stock units (“PRSUs”) that are used as a retention tool and as a means to further align an executive’s long-term interests with those of our stockholders, with the ultimate objective of affording our executives an appropriate incentive to help drive increases in stockholder value.

Instead of issuing cash bonuses to executives who achieved certain individual goals set for 2023, in April 2024, the Compensation Committee authorized grants of one-year time-vested RSUs to such executive officers for Class A Non-Voting Common Stock. The RSU amounts were calculated based on the amount of the cash bonuses that such executive officers would have received if our Company had paid STI cash bonuses, divided by the average of the high and the low trading prices of such shares on the day of grant.

Our Compensation Committee expects that it will continue to evaluate both executive performance and compensation to maintain our ability to attract and retain highly qualified executives in key positions and to assure that compensation provided to executives remains competitive when compared to the compensation paid to similarly situated executives of companies with whom we compete for executive talent or that we consider comparable to our Company.

Executive Officer Clawback Policy

On November 29, 2023, our Board adopted an Executive Officer Clawback Policy, in compliance with Nasdaq Stock Market Listing Rules (the “2023 Clawback Policy”).

Any STI cash payment made to our NEOs is subject to forfeiture, recovery by our Company or other action pursuant to any agreement evidencing any incentive compensation or any clawback or recoupment policy which our Company may adopt from time to time, including, without limitation, our 2023 Clawback Policy or any other such policy which our Company may be required to adopt under the listing rules of The Nasdaq Capital Market, the Dodd-Frank Wall Street Reform and Consumer Protection Act or any successor or replacement law, and implementing rules and regulations thereunder, or as otherwise required by law.

Under our 2020 Stock Plan, described in greater detail under the caption 2020 Stock Incentive Plan below, all LTIs or shares issued in respect thereof and cash or other proceeds in respect thereof issued to our NEOs are subject to clawback, reduction, cancellation, forfeiture and recoupment to the extent necessary to comply with applicable law or the listing rules of Nasdaq or other principal stock exchange on which our Common Stock is then listed. In accepting an award under our 2020 Stock Plan, a participant agrees to be bound by any such clawback. Our 2023 Clawback Policy implements the Nasdaq Stock Market Listing Rules in this regard.

Anti-Put/Call/Short Sale Policy

Our NEOs may not trade in puts or calls or engage in short sales with respect to our Company’s securities.

Anti-Hedging Policy

Our NEOs may not engage in certain hedging transactions with respect to our Company’s securities, such as zero-cost collars, equity swaps, prepaid variable forward contracts and exchange funds.

This section discusses the material components of the compensation program for our NEOs named in the Summary Compensation Table below.

The assumptions used in the valuation of these awards are discussed in Notes 15 to our consolidated financial statements. For a discussion of the material terms of each outstanding stock award, see “Compensation Discussion and Analysis – Long-Term Incentives” and the table below entitled “Outstanding Equity Awards at Year Ended December 31, 2023.”

2020 Stock Incentive Plan

On November 4, 2020, our Board adopted the Reading International, Inc. 2020 Stock Plan (as amended the “2020 Stock Plan”) and recommended to our stockholders the adoption of that plan. The 2020 Stock Plan was adopted by our stockholders on December 8, 2020. Our Board adopted and recommended the 2020 Stock Plan to provide a means by which employees, directors and consultants of Reading and affiliates may be given an opportunity to benefit from increases in value of our Common Stock, to assist in attracting and retaining the services of such persons, to bind the interests of eligible recipients more closely to our own interests by offering them opportunities to acquire Common Stock and to afford such persons stock-based compensation opportunities that are competitive with those afforded by similar businesses. All of our employees, directors and consultants are eligible to participate in the 2020 Stock Plan. On October 26, 2023 our Board adopted the First Amendment to the 2020 Stock Plan (the “Plan Amendment”) to increase the number of shares available for issuance under our 2020 Stock Plan by an additional 971,807 shares of Class A Non-Voting Common Stock, and recommended to our stockholders the adoption of that amendment. The Plan Amendment was adopted by our stockholders on December 7, 2023. As of April 29, 2024, there were 629,124 shares of Class A Non-Voting Common Stock and 200,000 shares of Class B Voting Common Stock available for issuance under our 2020 Stock Plan.

Our Board delegated administration of the 2020 Stock Plan to our Compensation Committee, and has delegated to our Chairperson the authority to grant awards to eligible persons who are not then subject to Section 16 of the Securities and Exchange Act of 1934 and are not “covered employees” as defined in the 2020 Stock Plan. With such delegated authority, our Compensation Committee has the power to construe and interpret the 2020 Stock Plan and to determine the persons to whom and the dates on which awards will be granted, what types or combinations of types of awards will be granted, the number of shares of Common Stock to be subject to each award, the time or times during the term of each award within which all or a portion of such award may be exercised, the exercise price or purchase price of each award, the types of consideration permitted to exercise or purchase each award and other terms of the awards.

In the event of a “Corporate Transaction” (as defined in the 2020 Stock Plan), any surviving or acquiring corporation may assume awards outstanding under the 2020 Stock Plan or may substitute similar awards. Unless the stock award agreement provides otherwise, in the event any surviving or acquiring corporation does not assume such awards or substitute similar awards, then the awards will terminate if not exercised at or prior to such event. The 2020 Stock Plan provides that, in the event of a dissolution or liquidation of our Company, all outstanding awards under the 2020 Stock Plan will terminate prior to such event and shares of bonus stock and restricted stock subject to our Company’s repurchase option or to forfeiture may be repurchased by our Company or forfeited, notwithstanding whether the holder of such stock is still providing services to our Company.

All stock awards issued under the 2020 Stock Plan are subject to reduction, cancellation, forfeiture and recoupment to the extent necessary to comply with applicable law or the Nasdaq Stock Market Listing Rules. An acceptance of a stock award under the 2020 Stock Plan is an agreement by the participant to be bound by any such laws or rules. On November 29, 2023, our Board adopted our 2023 Clawback Policy in compliance with applicable Nasdaq Stock Market Listing Rules.

For a more detailed summary of our 2020 Stock Plan, as amended by the Plan Amendment, see our “SEC Schedule 14A, Proxy Statement,” filed with the SEC on October 27, 2023. For a copy of the entire Plan Amendment see our “SEC Schedule 14A, Proxy Statement,” filed with the SEC on October 27, 2023. For a copy of the 2020 Stock Plan, see our “SEC Schedule 14A, Proxy Statement,” filed with the SEC on November 6, 2020.

Potential Payments upon Termination of Employment or Change in Control

The following paragraphs provide information regarding potential payments to each of our NEOs in connection with certain termination events, including a termination related to a change of control of our Company, as of December 31, 2023:

Certain Retirement Benefits. On August 29, 2017, our Compensation Committee approved a one-time retirement benefit for Craig Tompkins, Executive Vice President and General Counsel, incident to his retention as our General Counsel. The retirement benefit is a single year benefit in an amount equal to the average of the two highest total cash compensation (base salary plus cash bonus²) years paid to Mr. Tompkins in the then most recently completed five-year period, less the amount of \$197,060, accrued to Mr. Tompkins under a separate vested benefit program established by one of the two companies acquired by our Company as a part of the consolidation transaction in 2000.

Option and RSU and PRSU Grants. All long-term incentive awards are subject to other terms and conditions set forth in our 2020 Stock Plan and award grants. In addition, individual grants include certain accelerated vesting provisions. In the case of employees, the accelerated vesting will be triggered upon (i) the award recipient's death or disability, (ii) certain corporate transactions in which the awards are not replaced with substantially equivalent awards, or (iii) upon termination without cause or for "good reason" within twenty-four months of a change of control, or a corporate transaction where equivalent awards have not been substituted. RSUs issued to our non-employee Directors provide for acceleration immediately upon a change of control.

Except as described above, no other NEOs currently have employment agreements or other arrangements providing benefits upon termination or a change of control. The table below shows the maximum benefits that would be payable to each person listed above in the event of such person's termination without cause or termination in connection with a change in control, if such events occurred on December 31, 2023, assuming the transaction took place on December 31, 2023, at a price equal to the closing price of the Class A Non-Voting Common Stock, which was \$1.91.

Name	Payable upon Termination without Cause (\$)				Payable in Certain Circumstances upon Termination in Connection with a Change in Control (\$)			Payable upon Retirement (\$)
	Severance Payments	Value of Vested Stock Awards	Value of Vested Option Awards	Value of Health Benefits	Severance Payments	Value of Vested Stock Awards	Value of Vested Stock Options	Benefits Payable under Retirement Plans
Ellen M. Cotter	--	--	--	--	--	360,491	--	--
Margaret Cotter	--	--	--	--	--	160,939	--	--
S. Craig Tompkins	--	--	--	--	--	159,779	--	285,560 ⁽¹⁾

- (1) Mr. Tompkins's one-time retirement benefit is a single year payment based on the average of the two highest total cash compensation (base salary plus cash bonus, or, in the case of 2023, the special RSU grants) years paid to Mr. Tompkins in the most recently completed five-year period, reduced by the retirement benefit paid to Mr. Tompkins from the Craig Corporation Key Personnel Retirement Plan in the amount of \$197,060. The figure quoted in the table represents the average of total compensation paid for years 2021 and 2023.

Employment Agreements

As of December 31, 2023, and the date of this Report, our NEOs had no employment agreements in place.

Compensation of Directors

During 2023, we paid our non-employee Directors a combination of (a) base annual cash fees for service as Directors; (b) base and special fees for service as members of standing and special committees; (c) base cash fees for service as Chairpersons of committees and (d) equity compensation for service as Directors in the form of restricted stock units and stock options, each of which are set forth in more detail below in the "Director Compensation Table."

² Because our Compensation Committee authorized RSU's to certain executive officers (including Mr. Tompkins) in 2023 because short term incentive cash bonuses were not paid, our Compensation Committee approved the inclusion of those RSU grants in lieu of cash bonuses under this formula as well.

Director Compensation Table

The following table sets forth information concerning the compensation paid to Directors in 2023:

Outside Director Compensation

Our Board requested our Compensation Committee to evaluate our Company's compensation policy for outside directors and to establish a plan that encompasses sound corporate practices consistent with the best interests of our Company. Our Compensation Committee periodically reviews, evaluates, revises and recommends the adoption of new compensation arrangements for executive and management officers and outside directors of our Company. In past years, the Compensation Committee retained independent compensation consulting firms for this information.

After input was received, reviewed, discussed and considered by our Compensation Committee in 2020, and taking into account, among other things, our efforts to reduce cash expenses and consolidation of workloads in light of the reduction in our Board from seven to five directors, our Compensation Committee recommended and our Board authorized that the following annual compensation for our non-employee directors for 2023 through the director terms commencing on December 7, 2023, the date of our 2023 Annual Meeting of Stockholders:

The Board Base Director fee was \$50,000.

The Committee Chair retainers were \$20,000 for our Audit Committee and \$22,500 for our Compensation Committee.

The committee member fees were \$10,000 for our Audit Committee and \$7,500 Compensation Committee and a per meeting fee for our Executive Committee.

The Lead Independent Director fee was \$5,000.

The Lead Technology and Cyber Risk Director fee was \$15,000.

Our Compensation Committee periodically reevaluates Board compensation and final action is taken on such compensation is taken by the full Board.

Item 13 – Certain Relationships and Related Transactions, and Director Independence

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The members of our Audit Committee are Directors Douglas McEachern, who serves as Chairperson, Guy Adams and Dr. Judy Coddling. Management presents all potential related party transactions to the Audit Committee for review. Our Audit Committee reviews whether a given related party transaction is beneficial to our Company and approves or bars the transaction after a thorough analysis. Only committee members disinterested in the transaction in question participate in the determination of whether the transaction may proceed.

Sutton Hill Capital

In 2001, we entered into a transaction with Sutton Hill Capital, LLC ("SHC") regarding the master leasing, with certain options to purchase the underlying ground lease interests, of four cinemas located in Manhattan including our current Village East and Cinemas 1, 2, 3 theatres.

Over the years, we sold our interests in two of the cinemas subject to that master lease to third parties and acquired the fee interest in the land underlying the Cinemas 1, 2, 3. Accordingly, the Village East is the only cinema that remains subject to the master lease. As the land underlying the Village East is owned by a third party, our relationship with SHC is that of a subtenant. Our rent paid to SHC for that cinema has been fixed at \$590,000 for each of the past three years. However, due to the COVID-19 pandemic, the Village East was closed for most of 2020, and the rent commencing in April 2020 was deferred with respect to the remainder of 2020 and for the first quarter of 2021. Following a mutual agreement, we paid this deferred amount to SHC on July 1, 2021. In light of the challenges to the motion picture exhibition industry, SHC has permitted us to defer on our Village East cinema since October 2023. As of March 31, 2024, we have accrued \$295,000 in rent with respect to the Village East cinema.

In 2005, we acquired (i) from a third party, the fee interest in the land underlying the Cinemas 1, 2, 3 and (ii) from SHC, its interest in the ground lease estate underlying and the improvements constituting the Cinemas 1, 2, 3. In connection with that transaction, we granted to SHC an option to acquire at our cost a 25% interest in the special purpose entity, Sutton Hill Properties, LLC ("SHP"), formed to acquire these fee, leasehold and improvements interests. On June 28, 2007, SHC exercised this option, paying \$3.0 million and assuming a proportionate share of SHP's liabilities. Since the acquisition by SHC of its 25% interest, SHP has covered its operating costs and debt service through (i) cash flow from the Cinemas 1, 2, 3, (ii) borrowings from third parties, and (iii) pro-rata contributions from the members. We manage the Cinemas 1, 2, 3, pursuant to a management agreement described below.

Our master lease of the Village East has been extended from time to time, and now terminates on September 1, 2025. On August 28, 2019, we exercised our option under the master lease to acquire SHC's interest in the ground lease underlying that master lease for \$5.9 million. That option was originally scheduled to close on May 31, 2021, but has been extended from time to time, and is now scheduled to close on July 1, 2024. We recorded the Village East Cinema building as a property asset of \$4.7 million on our balance sheet based on the cost carry-over basis from an entity under common control with a corresponding capital lease liability of \$5.9 million presented under other liabilities.

On August 31, 2016, we secured a three-year, \$20.0 million mortgage loan with Valley National Bank. On March 13, 2020, we refinanced the loan to \$25.0 million to mature on April 1, 2022, with two six-month options to extend through April 1, 2023. We executed the first extension option on March 3, 2022, taking the maturity to October 1, 2022. The Valley National Loan has been guaranteed by our Company and an environmental indemnity has been provided by our Company. SHC has agreed to indemnify our Company to the extent of 25% of any loss incurred by our Company with respect to any such guarantee and/or indemnity (a percentage reflecting SHC's membership interest in SHP).

During the period March 1, 2021, to March 5, 2021, SHP loaned our Company the amount of \$2.0 million, which has been fully repaid together with interest of \$1,181 (representing an interest rate of 4.5%).

In 2022 we extended a working capital loan to SHP, the balance of which was \$5.1 million at December 31, 2023, and \$5.5 million at March 31, 2024. The interest rate is determined by reference to the interest we are paying on our Bank of America facility. The loan has been approved by the Audit and Conflicts Committee of our Board of Directors.

Live Theatre Play Investment

From time to time, our officers and Directors may invest in plays that license our live theatres. The play *STOMP*, played in our Orpheum Theatre since prior to the time we acquired the theatre in 2001, until its final show on January 8, 2023. The Cotter Estate and a third party together own an approximately 5% interest in that play, an interest that they have held since prior to our acquisition of the theatre.

Review, Approval or Ratification of Transactions with Related Persons

Our Audit Committee has adopted a written charter, which includes responsibility for approval of "Related Party Transactions." Under its charter, our Audit Committee performs the functions of the "Conflicts Committee" of our Board and is delegated responsibility and authority by our Board to review, consider and negotiate, and to approve or disapprove on behalf of our Company the terms and conditions of any and all Related Party Transactions (defined below) with the same effect as though such actions had been taken by our full Board. Any such matter requires no further action by our Board in order to be binding upon our Company, except in the case of matters that, under applicable Nevada law, cannot be delegated to a committee of our Board and must be determined by our full Board. In those cases where the authority of our Board cannot be delegated, the Audit Committee nevertheless provides its recommendation to our full Board.

As used in our Audit Committee's Charter, the term "Related Party Transaction" means any transaction or arrangement between our Company on one hand, and on the other hand (i) any one or more directors, executive officers or stockholders holding more than 5% of the voting power of our Company (or any spouse, parent, sibling or heir of any such individual), or (ii) any one or more entities under common control with any one of such persons, or (iii) any entity in which one or more such persons holds more than a 10% interest. Related Party Transactions do not include matters related to employment or employee compensation related issues.

The charter provides that our Audit Committee review transactions subject to the policy and determines whether or not to approve or ratify those transactions. In doing so, our Audit Committee considers, among other factors it deems appropriate:

- the approximate dollar value of the amount involved in the transaction and whether the transaction is material to us;
- whether the terms are fair to us, have resulted from arm's length negotiations and are on terms at least as favorable as would apply if the transaction did not involve a related person;
- the purpose of, and the potential benefits to us of, the transaction;
- whether the transaction was undertaken in our ordinary course of business;
- the related person's interest in the transaction, including the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- required public disclosure, if any; and
- any other information regarding the transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

Director Independence and Board Oversight Structure

Our Company has elected to take advantage of the "controlled company" exemption under applicable listing rules of the Nasdaq Capital Stock Market (the "Nasdaq Listing Rules"). Accordingly, our Company is exempted from the requirement to have a board of directors composed of at least a majority of independent directors, as that term is defined in the Nasdaq Listing Rules and SEC Rules ("Independent Directors") and to have an independent nominating committee and independent Compensation Committee. Nevertheless, our Board has for many years had a majority of Independent Directors and expects to nominate a majority of Independent Directors for election to our Board this year. In determining who is an Independent Director, we follow the definition in section 5605(a)(2) of the Nasdaq Listing Rules. Under such

rules, we consider the following directors to be independent: Guy Adams, Dr. Judy Coddling and Douglas McEachern. Our Board annually reviews the independence of our directors.

We currently have an Audit Committee and a Compensation Committee, each composed entirely of Independent Directors. Historically, our Lead Independent Director chairs meetings of the Independent Directors (typically held as a separate part of board meetings) and acts as liaison between our Chair, Vice-Chair and our Independent Directors.

We also currently have a four-member Executive Committee composed of our Chair, Vice-Chair, our Lead Technology and Cyber Risk Director (Guy W. Adams) and Dr. Judy Coddling. As a consequence of this structure, the concurrence of at least one non-management member of the Executive Committee is required in order for the Executive Committee to take action.

Our Board has adopted (and updated as appropriate) the following: (i) a charter for our Compensation Committee, (ii) a charter for our Audit Committee, (iii) a Code of Business Conduct and Ethics, (iv) a Supplemental Insider Trading Policy restricting trading in our stock by our Directors and executive officers, (v) an Anti-Discrimination, Anti-Harassment and Anti-Bullying policy, (vi) a Whistleblower Policy, and (vii) a Stock Ownership Policy, setting out minimum stock ownership levels for our directors and senior executives. Under our Amended and Restated Supplemental Insider Trading Policy, our directors and executive officers are restricted from engaging in certain forms of hedging transactions, such as zero-cost collars, equity swaps, prepaid variable forward contracts and exchange funds.

In recognition of the special risks involved with technology and cyber security, Director Adams serves as our Lead Technology and Cyber Risk Director and Board's liaison with our Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), Chief Information Officer and General Counsel in connection with the assessment of our Company's technology and cyber security needs and the implementation of appropriate policies and procedures to meet those needs. He ensures that relevant information is brought to our Board, and coordinates the timely presentation of such information to and facilitates the consideration of such information by all directors. He also coordinates with our management timely and appropriate director education with respect to such matters to enhance director understanding of the issues involved and the options available to our Company. In preparation for this role, Director Adams, in 2018, completed the Cyber-Risk Oversight course presented by the National Association of Corporate Directors.

We believe that our Directors bring a broad range of leadership experience to our Company and regularly contribute to the thoughtful discussion involved in effectively overseeing the business and affairs of our Company. We believe that all Board members are well-engaged in their responsibilities and that all Board members express their views and consider the opinions expressed by other Directors. Our Independent Directors are involved in the leadership structure of our Board by serving on our Executive Committee, our Audit Committee and our Compensation Committee, each of which has a separate independent Chair. Nominations to our Board for the Annual Meeting will be made by our entire Board.

Non-audit services are considered de minimis if (i) the aggregate amount of all such non-audit services constitutes less than 5% of the total amount of revenues we paid to our independent registered public accounting firm during the fiscal year in which they are provided; (ii) we did not recognize such services at the time of the engagement to be non-audit services; and (iii) such services are promptly submitted to our Audit Committee for approval prior to the completion of the audit by our Audit Committee or any of its members who has authority to give such approval. Reading International, Inc.
Executive Officer Clawback Policy

Approved by the Board of Directors on November 29, 2023 (the "Adoption Date")

I. Purpose

This Executive Officer Clawback Policy describes the circumstances under which Covered Persons of Reading International, Inc., a Nevada corporation, and any of its direct or indirect subsidiaries (collectively, the "Company") will be required to repay or return Erroneously-Awarded Compensation to the Company.

This Policy and any terms used in this Policy shall be construed in accordance with any SEC regulations promulgated to comply with Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, including, without limitation, Rule 10D-1 promulgated under the Securities Exchange Act of 1934, as amended, and the rules adopted by Nasdaq and any and all other applicable laws.

Following the Adoption Date, each Covered Person shall sign an Acknowledgement and Agreement to the Clawback Policy in the form attached hereto as Exhibit A as a condition to their participation in any of the Company's incentive-based compensation programs; provided that, this Policy shall apply to each Covered Person, irrespective of whether such Covered Person shall have failed, for any reason, to have executed such acknowledgement and agreement.

II. Definitions

For purposes of this Policy, the following capitalized terms shall have the meaning set forth below:

- (a) "**Accounting Restatement**" shall mean an accounting restatement (i) due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, including any required accounting restatement to correct an error in previously issued financial restatements that is material to the previously issued financial statements (a "Big R" restatement), or (ii) that corrects an error that is not material to previously issued financial statements, but would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period (a "little r" restatement).
- (b) "**Administrator**" shall mean the Board or, if delegated by the Board, the Committee.
- (c) "**Board**" shall mean the Board of Directors of the Company.
- (d) "**Clawback-Eligible Incentive Compensation**" shall mean, in connection with an Accounting Restatement, any Incentive-Based Compensation Received by a Covered Person (regardless of whether such Covered Person was serving at the time that Erroneously-Awarded Compensation is required to be repaid) (i) on or after October 2, 2023, (ii) after beginning service as a Covered Person, (iii) while the Company has a class of securities listed on a national securities exchange or national securities association and (iv) during the Clawback Period.
- (e) "**Clawback Period**" shall mean, with respect to any Accounting Restatement, the three completed fiscal years immediately preceding the Restatement Date and any transition period (that results from a change in the Company's fiscal year) of less than nine months within or immediately following those three completed fiscal years.

- (f) “**Committee**” shall mean the Compensation and Stock Options Committee of the Board or with respect to Margaret Cotter and Ellen Cotter, the majority of the independent directors of the Board.
- (g) “**Covered Person**” shall mean any person who is, or was at any time, during the Clawback Period, an Executive Officer of the Company. For the avoidance of doubt, Covered Person may include a former Executive Officer who left the Company, retired or transitioned to a non-Executive Officer role (including after serving as an Executive Officer in an interim capacity) during the Clawback Period.
- (h) “**Erroneously-Awarded Compensation**” shall mean the amount of Clawback-Eligible Incentive Compensation that exceeds the amount of Incentive-Based Compensation that otherwise would have been Received had it been determined based on the restated amounts. This amount must be computed without regard to any taxes paid.
- (i) “**Executive Officer**” shall mean the Company’s president, chief executive officer, principal financial officer, principal accounting officer (or if there is no such accounting officer, the controller), any vice-president in charge of a principal business unit, division, or function (such as sales, administration, or finance), any other officer who performs a policy-making function, or any other person (including an officer of the Company’s parent(s) or subsidiaries) who performs similar policy-making functions for the Company. For the sake of clarity, at a minimum, all persons who would be executive officers pursuant to Item 401(b) of Regulation S-K shall be deemed “Executive Officers”.
- (j) “**Financial Reporting Measures**” shall mean measures that are determined and presented in accordance with the accounting principles used in preparing the Company’s financial statements, and all other measures that are derived wholly or in part from such measures. For purposes of this Policy, Financial Reporting Measures shall include stock price and total stockholder return (and any measures that are derived wholly or in part from stock price or total stockholder return).
- (k) “**Incentive-Based Compensation**” shall have the meaning set forth in Section III below.
- (l) “**Nasdaq**” shall mean The Nasdaq Stock Market.
- (m) “**Policy**” shall mean this Executive Officer Clawback Policy, as the same may be amended and/or restated from time to time.
- (n) “**Received**” shall mean Incentive-Based Compensation received, or deemed to be received, in the Company’s fiscal period during which the Financial Reporting Measure specified in the Incentive-Based Compensation is attained, even if the payment or grant occurs after the fiscal period.
- (o) “**Repayment Agreement**” shall have the meaning set forth in Section V below.
- (p) “**Restatement Date**” shall mean the earlier of (i) the date the Board, a committee of the Board or the officers of the Company authorized to take such action if Board action is not required, concludes, or reasonably should have concluded, that the Company is required to prepare an Accounting Restatement, or (ii) the date that a court, regulator or other legally authorized body directs the Company to prepare an Accounting Restatement.
- (q) “**SARs**” shall mean stock appreciation rights.
- (r) “**SEC**” shall mean the U.S. Securities and Exchange Commission.

III. Incentive-Based Compensation

“Incentive-Based Compensation” shall mean any compensation that is granted, earned or vested wholly or in part (but only to the extent of such compensation is granted, earned or vested) upon the attainment of a Financial Reporting Measure.

For purposes of this Policy, specific examples of Incentive-Based Compensation include, but are not limited to:

- Non-equity incentive plan awards that are earned based, wholly or in part, on satisfaction of a Financial Reporting Measure performance goal;
- Bonuses paid from a “bonus pool,” the size of which is determined, wholly or in part, based on satisfaction of a Financial Reporting Measure performance goal;
- Other cash awards based on satisfaction of a Financial Reporting Measure performance goal;
- Restricted stock, restricted stock units (“**RSUs**”), performance share units (“**PSUs**”), stock options and SARs that are granted or become vested, wholly or in part, on satisfaction of a Financial Reporting Measure performance goal; and
- Proceeds received upon the sale of shares acquired through an incentive plan that were granted or vested based, wholly or in part, on satisfaction of a Financial Reporting Measure performance goal.

For purposes of this Policy, Incentive-Based Compensation excludes:

- Any base salaries (except with respect to any salary increases earned, wholly or in part, based on satisfaction of a Financial Reporting Measure performance goal);
- Bonuses paid solely at the discretion of the Committee, the Board, the Chair of the Board or the Chief Executive Officer that are not paid from a “bonus pool” that is determined by satisfying a Financial Reporting Measure performance goal;
- Bonuses paid solely upon satisfying one or more subjective standards and/or completion of a specified employment period;
- Non-equity incentive plan awards earned solely upon satisfying one or more strategic measures or operational measures; and
- Equity awards that vest solely based on the passage of time and/or satisfaction of one or more non-Financial Reporting Measures.

IV. Determination and Calculation of Erroneously-Awarded Compensation

In the event of an Accounting Restatement, the Administrator shall promptly determine the amount of any Erroneously-Awarded Compensation for each Covered Person in connection with such Accounting Restatement and shall promptly thereafter provide each Covered Person with a written notice containing the amount of Erroneously-Awarded Compensation and a demand for repayment or return, as applicable.

- (a) **Cash Awards.** With respect to cash awards, the Erroneously-Awarded Compensation is the difference between the amount of the cash award (whether payable as a lump sum or over time) that was Received and the amount that should have been received applying the restated Financial Reporting Measure.
- (b) **Cash Awards Paid From Bonus Pools.** With respect to cash awards paid from bonus pools, the Erroneously-Awarded Compensation is the pro rata portion of any deficiency that results from the aggregate bonus pool that is reduced based on applying the restated Financial Reporting Measure.

- (c) **Equity Awards.** With respect to equity awards, if the shares, RSUs, PSUs, options or SARs are still held at the time of recovery, the Erroneously-Awarded Compensation is the number of such securities Received in excess of the number that should have been received applying the restated Financial Reporting Measure (or the value of that excess number). If the RSUs, PSUs, options or SARs have vested or been exercised, as the case may be, but the underlying shares have not been sold, the Erroneously-Awarded Compensation is the number of shares underlying the excess RSUs, PSUs, options or SARs (or the value thereof). If the underlying shares have already been sold, then the Administrator, acting reasonably, shall determine the amount which most reasonably estimates the Erroneously-Awarded Compensation.
- (d) **Compensation Based on Stock Price or Total Stockholder Return.** For Incentive-Based Compensation based on (or derived from) stock price or total stockholder return, where the amount of Erroneously-Awarded Compensation is not subject to mathematical recalculation directly from the information in the applicable Accounting Restatement, the amount shall be determined by the Administrator based on a reasonable estimate of the effect of the Accounting Restatement on the stock price or total stockholder return upon which the Incentive-Based Compensation was Received (in which case, the Administrator shall maintain documentation of such determination of that reasonable estimate and provide such documentation to Nasdaq in accordance with applicable listing standards).

V. Recovery of Erroneously-Awarded Compensation

Once the Administrator has determined the amount of Erroneously-Awarded Compensation recoverable from the applicable Covered Person, the Administrator shall take all necessary actions to recover the Erroneously-Awarded Compensation. Unless otherwise determined by the Administrator, the Administrator shall pursue the recovery of Erroneously-Awarded Compensation in accordance with the below:

- (a) **Cash Awards.** With respect to cash awards, the Administrator shall either (i) require the Covered Person to repay the Erroneously-Awarded Compensation in a lump sum in cash (or such property as the Administrator agrees to accept with a value equal to such Erroneously-Awarded Compensation) reasonably promptly following the Restatement Date or (ii) if approved by the Administrator, offer to enter into a Repayment Agreement. If the Covered Person accepts such offer and signs the Repayment Agreement within a reasonable time, the Company shall countersign such Repayment Agreement.
- (b) **Unvested Equity Awards.** With respect to those equity awards that have not yet vested, the Administrator shall take all necessary action to cancel, or otherwise cause to be forfeited, the awards in the amount of the Erroneously-Awarded Compensation.
- (c) **Vested Equity Awards.** With respect to those equity awards that have vested or been exercised and the underlying shares have not been sold, the Administrator shall take all necessary action to cause the Covered Person to deliver and surrender the underlying shares in the amount of the Erroneously-Awarded Compensation.

In the event that the Covered Person has sold any underlying shares, the Administrator shall either (i) require the Covered Person to repay the Erroneously-Awarded Compensation in a lump sum in cash (or such property as the Administrator agrees to accept with a value equal to such Erroneously-Awarded Compensation) reasonably promptly following the Restatement Date or (ii) if approved by the Administrator, offer to enter into a Repayment Agreement. If the Covered Person accepts such offer and signs the Repayment Agreement within a reasonable time, the Company shall countersign such Repayment Agreement.

- (d) **Repayment Agreement.** “Repayment Agreement” shall mean an agreement (in a form reasonably acceptable to the Administrator) with the Covered Person for the repayment of the Erroneously-Awarded Compensation promptly but without unreasonable economic hardship to the Covered Person.
- (e) **Effect of Non-Repayment.** To the extent that a Covered Person fails to repay all Erroneously-Awarded Compensation to the Company when due (as determined in accordance with this Policy), the Company or Administrator on behalf of the Company shall, or shall cause one or more other members of the Company to, take all actions reasonable and appropriate to recover such outstanding Erroneously-Awarded Compensation from the applicable Covered Person.

The Administrator shall have broad discretion to determine the appropriate means of recovery of Erroneously-Awarded Compensation based on all applicable facts and circumstances and taking into account the time value of money and the cost to stockholders of delaying recovery. However, in no event may the Company or Administrator on behalf of the Company accept an amount that is less than the amount of Erroneously-Awarded Compensation in satisfaction of a Covered Person’s obligations hereunder.

VI. Discretionary Recovery

Notwithstanding anything herein to the contrary, neither the Company nor Administrator on behalf of the Company shall be required to take action to recover Erroneously-Awarded Compensation if any one of the following conditions are met and the Administrator determines that recovery would be impracticable:

- (i) The direct expenses paid to a third party to assist in enforcing this Policy against a Covered Person would exceed the amount to be recovered, after the Company has made a reasonable attempt to recover the applicable Erroneously-Awarded Compensation, documented such attempts and provided such documentation to Nasdaq;
- (ii) Recovery would violate home country law where that law was adopted prior to November 28, 2022, provided that, before determining that it would be impracticable to recover any amount of Erroneously-Awarded Compensation based on violation of home country law, the Company has obtained an opinion of home country counsel, acceptable to Nasdaq, that recovery would result in such a violation and a copy of the opinion is provided to Nasdaq; or
- (iii) Recovery would likely cause an otherwise tax-qualified retirement plan, under which benefits are broadly available to employees of the Company, to fail to meet the requirements of 26 U.S.C. 401(a)(13) or 26 U.S.C. 411(a) and regulations thereunder.

VII. Reporting and Disclosure Requirements

The Company shall file all disclosures with respect to this Policy in accordance with the requirements of the federal securities laws, including the disclosure required by the applicable filings required to be made with the SEC.

VIII. Effective Date

This Policy shall apply to any Incentive-Based Compensation Received on or after October 2, 2023.

IX. No Indemnification

The Company shall not indemnify any Covered Person against the loss of Erroneously-Awarded Compensation and shall not pay, or reimburse any Covered Persons for premiums, for any insurance policy to fund such Covered Person’s

potential recovery obligations; provided, however, that, to the extent permitted by applicable law or guidance from the SEC or Nasdaq, if a Covered Person is the prevailing party in any action brought by the Company to recover compensation under this Policy, then the Company shall reimburse such Covered Person for their reasonable attorneys fees and costs of defense.

X. Administration

The Administrator has the sole discretion to administer this Policy and ensure compliance with Nasdaq Rules and any other applicable law, regulation, rule or interpretation of the SEC or Nasdaq promulgated or issued in connection therewith.

Actions of the Administrator pursuant to this Policy shall be taken by the vote of a majority of its members. The Administrator shall, subject to the provisions of this Policy, make such determinations and interpretations and take such actions as it deems necessary, appropriate or advisable.

XI. Amendment; Termination

The Board may amend this Policy from time to time in its discretion and shall amend this Policy as it deems necessary, including as and when it determines that it is legally required by any federal securities laws, SEC rule or the rules of any national securities exchange or national securities association on which the Company's securities are then listed. The Board may terminate this Policy at any time. Notwithstanding anything in this Section XI to the contrary, no amendment or termination of this Policy shall be effective if such amendment or termination would (after taking into account any actions taken by the Company contemporaneously with such amendment or termination) cause the Company to violate any federal securities laws, SEC rule, or the rules of any national securities exchange or national securities association on which the Company's securities are then listed.

XII. Other Recoupment Rights; No Additional Payments

The Committee intends that this Policy will be applied to the fullest extent allowed by the law. The Committee may require that any employment agreement, equity award agreement or any other agreement entered into on or after the Adoption Date shall, as a condition to the grant of any benefit thereunder, require a Covered Person to agree to abide by the terms of this Policy to the extent permitted by applicable law. Any right of recoupment under this Policy is in addition to, and not in lieu of, any other rights under applicable law, regulation or rule or any similar policy in any employment agreement, equity plan, equity award agreement or similar arrangement and any other legal remedies available to the Company. However, this Policy shall not provide for recovery of Incentive-Based Compensation that the Company has already recovered pursuant to Section 304 of the Sarbanes-Oxley Act or other recovery obligations.

XIII. Successors

This Policy shall be binding and enforceable against all Covered Persons and, to the extent required by applicable law or guidance from the SEC or Nasdaq, their beneficiaries, heirs, executors, administrators or other legal representatives.

XIV. Savings Clause

This Policy shall be interpreted so as to be in compliance with all applicable laws. To the extent that any provision is determined by a court of competent jurisdiction not to be valid or enforceable, then such provision shall be read down to the extent needed to be valid and enforceable, and to the extent that such an interpretation is not possible without the violation of the intent of this Policy, then such provision shall be disregarded. All remaining provisions of this Policy shall remain in full force and effect.
