**NOTICE OF 2026 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD BY LIVE INTERACTIVE WEBCAST ON THURSDAY, DECEMBER 3, 2026**

TO OUR CLASS B STOCKHOLDERS:

I would like to invite you to participate in our 2026 Annual Meeting of Stockholders (our “2026 Annual Meeting”) of Reading International, Inc., a Nevada corporation, to be held in a virtual format via live streaming webcast, on Thursday, December 3, 2026, commencing at 2:00 p.m., Eastern Time. We have held our last six annual meetings virtually, initially responding to the impacts of the COVID pandemic. These virtual meetings have been well received and have proven to be both more convenient and less costly than in-person meetings. Accordingly, we will continue to use this virtual format for our upcoming 2026 Annual Meeting. Consequently, there is no physical site for our meeting this year and you are invited to participate in the meeting over the Internet from your home, office or other remote location of your choosing.

Just as we have had a check-in process for our physical meetings to preserve the integrity of our meeting and our voting process and, consistent with our prior virtual meetings, we have established a registration process for this virtual meeting. The Company’s stock transfer agent, Computershare, Inc. (“Computershare”), is hosting our 2026 Annual Meeting and will pre-register all stockholders that held shares of Class B Voting Common Stock (“Class B Stock”) with Computershare on October 15, 2026. Any Class B stockholder that did not hold shares of Class B Stock at Computershare on October 15, 2026 will need to register with us in advance in order to participate in our 2026 Annual Meeting, by the registration deadline of 5:00 p.m., Eastern Time, on Monday, November 30, 2026 (“Registration Deadline”). See instructions under section – *How Do I Register to Participate in our 2026 Annual Meeting*. Even if you have participated in our virtual annual meetings before, we urge you not to wait until the last moment to register in case you encounter any difficulties with the registration process. This process is explained in greater detail in the accompanying Proxy Statement. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you to access our meeting live on the Internet and permit you to vote and to communicate with our meeting using your control number and link found in your access email. Please note that, as in prior years, we are still soliciting your proxy and that, whether or not you choose to participate in our 2026 Annual Meeting, you may still vote by proxy in the same manner that you have in prior years. However, you can now also vote live on the Internet using your control number through the meeting website if you are the record holder of shares of Class B Stock or, if you are the beneficial owner of such shares, have received a valid proxy from the record holder of such shares.

The purpose of our 2026 Annual Meeting is for our Class B stockholders to consider and vote upon the following matters:

1. To elect five (5) Directors to serve until our Company’s 2027 Annual Meeting of Stockholders or until their successors are duly elected and qualified;
 2. To ratify the appointment of Grant Thornton, LLP retained by our Company’s Audit and Conflicts Committee, as our Company’s Independent Registered Public Accounting Firm for the fiscal year ended December 31, 2026;
-

3. To approve, on a non-binding, advisory basis, the executive compensation of our named executive officers; and
4. To approve an amendment to the Reading International, Inc. 2020 Stock Incentive Plan, as amended, to increase the number of shares of Class A Stock reserved for issuance thereunder by an additional 2,000,000 shares.

We will also consider any other business as may properly come before our 2026 Annual Meeting and any adjournment or postponement thereof.

While all of our stockholders are invited to attend, only holders of record of our Class B Stock at the close of business on Thursday, October 15, 2026, are entitled to communicate, participate in and vote at our 2026 Annual Meeting or any adjournment or postponement thereof.

It is important that any Class B Stock you may own be represented and voted, regardless of the size of your holdings. Accordingly, whether or not you plan to participate in our 2026 Annual Meeting, we encourage you to take the time to register to participate in our 2026 Annual Meeting and to make use of the proxy voting options discussed in the Proxy Statement accompanying this Notice with respect to any Class B Stock you may own.

If you are the record holder of Class B Stock, the materials accompanying this Notice will include a proxy card. You are encouraged to vote such shares by following the Internet or telephone voting instructions provided on the enclosed proxy card or by completing and mailing the proxy card as promptly as possible, whether or not you intend to participate in our 2026 Annual Meeting. Your proxy is revocable at any time before it is voted at our 2026 Annual Meeting and will not affect your right to vote electronically at our 2026 Annual Meeting during the time the polls are open, if you register and log-in to participate in our 2026 Annual Meeting.

If you are the beneficial owner of Class B Stock, but not the record holder of such Class B Stock, you should receive from the record holder of such Class B Stock a Voting Instruction Form (a "VIF"). You may vote by following the instructions on that VIF without participating in our 2026 Annual Meeting. However, if you want to participate in and vote at our 2026 Annual Meeting, you will need to obtain a valid proxy from the record holder of such shares. The procedures involved are described in the accompanying Proxy Statement. If you obtain a valid proxy, register to participate in our 2026 Annual Meeting, and successfully log into the meeting, then your vote through your VIF will not affect your right to vote electronically at our 2026 Annual Meeting during the time the polls are open. If you are a record holder or a beneficial owner of Class A Stock only, see instructions under section – *How Do I Attend our 2026 Annual Meeting if I Only Hold Class A Non-Voting Stock?*.

Thank you for your continued and ongoing support of our Company. Please register to participate in our 2026 Annual Meeting.

By Order of the Board of Directors,

Margaret Cotter
Chair of the Board

INTRODUCTION

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation by the Board of Directors (our “Board”) of Reading International, Inc. (our “Company,” “Reading,” “we,” “us,” or “our”) of proxies for use at our 2026 Annual Meeting to be held in a virtual format via the Internet on Thursday, December 3, 2026, commencing at 2:00 p.m., Eastern Time, or at any adjournment or postponement thereof.

As of October 15, 2026, the record date for our 2026 Annual Meeting (the “Record Date”), there were 1,680,590 shares of our Class B Voting Common Stock (“Class B Stock”) outstanding, held by 189 stockholders of record.

When proxies are properly executed and received, the shares represented thereby will be voted at our 2026 Annual Meeting in accordance with the directions noted thereon.

Our Proxy Statement and Annual Report are both available free of charge at <https://investor.readingrdi.com/financial-information/annual-reports> and at www.envisionreports.com/RDI.

Our 2026 Annual Meeting will be hosted on <https://meetnow.global/MJ9U5WZ> (“Annual Meeting Website”).

ABOUT OUR VIRTUAL ANNUAL MEETING AND VOTING

How do I register to Participate in the Virtual Annual Meeting?

Our 2026 Annual Meeting will be a completely virtual meeting of stockholders, which will be conducted exclusively by webcast on our Annual Meeting Website. You are entitled to participate in and vote at our 2026 Annual Meeting if you were a registered Class B stockholder (i.e., you hold your shares through our transfer agent, Computershare, Inc.) as of the close of business on the Record Date, October 15, 2026, or if you are the beneficial owner of shares of Class B Stock and your shares are held in the name of an intermediary, such as a bank, broker, trust, agent or other nominee (a “Nominee”), you have received a valid proxy from that Nominee to vote such shares at our 2026 Annual Meeting. Only the holders of Class B Stock or of proxies to vote Class B Stock, may vote at, make nominations at, or bring matters before our 2026 Annual Meeting.

If you were a stockholder of record of our Class B Stock on the Record Date, you do not need to register to participate in our 2026 Annual Meeting as you will be automatically pre-registered by Computershare, Inc. Please visit our Annual Meeting Website and follow the instructions on the accompanying proxy card if you are a holder of Class B Stock.

If you are a beneficial owner of Class B Stock, and your shares are held in the name of a Nominee, you should receive from your Nominee a VIF. Please follow the instructions on your VIF.

If you are a beneficial owner of Class B Stock and your shares are held in the name of a Nominee, you must register in advance to participate in our 2026 Annual Meeting. To register you must submit proof of your proxy power (a valid proxy), reflecting your stock holdings along with your name and email address to Computershare directly. Requests for registration must be labeled as a “Legal Proxy” and must be received no later than 5:00 p.m., Eastern Time, on Monday, November 30, 2026. Filling in and returning the VIF will not by itself register you to attend our 2026 Annual Meeting. Even if you fill in and return the VIF, you will still need to separately register. Beneficial owners of Class B Stock holding valid proxies will have the same rights to participate in, nominate directors, and bring matters before and vote at our 2026 Annual Meeting as stockholders of record, but only to the extent that such valid proxy specifically grants such rights. For convenience, when we make reference to “stockholders” in these materials, we mean both Class B stockholders of record as of the Record Date, and holders of valid proxies (to the extent rights to participate in, nominate directors, and bring matters before and vote at our 2026 Annual Meeting have been granted to such holder by such valid proxy). Your Nominee should have available for your use a form of valid proxy.

You will receive an email confirmation of your registration after Computershare receives your proxy registration materials. Please visit our Annual Meeting Website and follow the instructions on the proxy card or your VIF to access our 2026 Annual Meeting on the Internet.

Requests for registration should be directed to us at the following:

By E-mail:

Forward the email from your broker, or attach an image of your valid proxy, to legalproxy@computershare.com.

How Do I Attend our 2026 Annual Meeting if I Only Hold Class A Non-Voting Stock?

Any stockholder that only holds Class A Non-Voting Common Stock (“Class A Stock”) will receive a courtesy notice regarding our 2026 Annual Meeting which will include instructions on how to attend. Holders of Class A Stock will only be permitted to attend our 2026 Annual Meeting in “listen only” mode and will have no right to communicate, participate in or vote at our 2026 Annual Meeting or any adjournment of postponement thereof.

What if I have trouble accessing our 2026 Annual Meeting virtually?

The virtual meeting platform is fully supported across browsers (MS Edge, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most up-to-date version of applicable software and plugins. Note: Internet Explorer is not a supported browser.

Participants should ensure that they have a strong WiFi connection wherever they intend to participate in our 2026 Annual Meeting.

We encourage you to access the meeting prior to the start time to allow time to resolve any technical issues that you might experience with logging in or participating in our 2026 Annual Meeting. Live technical support will be available if you have any problems accessing our Annual Meeting Website. If you need further assistance, you may call Local 1-888-724-2416 or International 1-781-575-2748.

What items of business will be voted on at our 2026 Annual Meeting?

There are four (4) items of business scheduled to be considered for a vote at our 2026 Annual Meeting:

- PROPOSAL 1: Election of five (5) Directors to our Board (the “Election of Directors”);
- PROPOSAL 2: Ratification of the appointment of Grant Thornton, LLP, retained by our Company’s Audit and Conflict Committee, as the Company’s registered Independent Registered Public Accounting Firm for the fiscal year ended December 31, 2026 (“Independent Auditor Ratification Proposal”);
- PROPOSAL 3: Approval, on a non-binding, advisory basis, of the executive compensation of our named executive officers (the “Advisory Vote on Executive Officer Compensation Proposal”);
- PROPOSAL 4: Approval of an amendment to the Reading International, Inc. 2020 Stock Incentive Plan, as amended (the “2020 Stock Plan”), to increase the number of shares of Class A Stock reserved for issuance thereunder by an additional 2,000,000 shares (the “Increase to Share Reserve under the 2020 Stock Plan Proposal”).

We will also consider any other business as may properly come before our 2026 Annual Meeting and any adjournment or postponement thereof.

How does our Board recommend that I vote?

Our Board recommends that you vote:

- On PROPOSAL 1: “FOR” the election of each of our nominees to our Board;
- On PROPOSAL 2: “FOR” the Independent Auditor Ratification Proposal;
- On PROPOSAL 3: “FOR” the Advisory Vote on Executive Officer Compensation Proposal; and
- On PROPOSAL 4: “FOR” the Increase to Share Reserve under the 2020 Stock Plan Proposal.

What happens if additional matters are presented at our 2026 Annual Meeting?

Other than the items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at our 2026 Annual Meeting. If you grant a proxy, the persons named as proxies will have the discretion to vote your shares on any additional matters properly presented for a vote at our 2026 Annual Meeting, unless you indicate to the contrary on such proxy.

How will the meeting be conducted and how do I participate?

As a corporation organized under the laws of the State of Nevada, our Company is subject to the Nevada corporation laws codified in Chapter 78 of the Nevada Revised Statutes (the “Nevada Corporation Law”). The Nevada Corporation Law provides for the conduct of virtual meetings, and our Class B stockholders’ remote participation at such a meeting via the procedures described in these materials is considered to be “participation” at that meeting for purposes of establishing a quorum, for voting and for all other purposes. The Nevada Corporation Law also requires that we verify the identity of each person participating through such means and provide our Class B stockholders a reasonable opportunity to participate in the meeting, to vote on matters submitted to the stockholders, including an opportunity to communicate, and to read or hear the proceedings of the meeting in a substantially concurrent manner with such proceedings. In order to satisfy these requirements, we have adopted certain registration requirements and communication provisions as further described in these materials.

As an initial step, in order to participate in our 2026 Annual Meeting, you will need to register in advance of the meeting if you did not hold shares of Class B Stock of record at October 15, 2026, and were therefore not automatically pre-registered by Computershare:

- If you own Class B shares held in the name of a Nominee, please make sure to follow the instructions in the section above – *How do I Register to Participate in our 2026 Annual Meeting?* - in order to register for our 2026 Annual Meeting.

- If you own Class A shares, please make sure to follow the instructions in the section above – *How Do I Attend our 2026 Annual Meeting if I Only Hold Class A Non-Voting Stock?* – in order to register for our 2026 Annual Meeting.

We have adopted this registration procedure in order to assure the integrity of our 2026 Annual Meeting and the voting that takes place at that meeting and to comply with the Nevada Corporation Law. All registered Class B stockholders will be able to participate in our 2026 Annual Meeting webcast, ask a question and make nominations and vote online.

In accordance with our Bylaws, Margaret Cotter, as the Chair of the Board, will be the Presiding Officer of our 2026 Annual Meeting.

Ms. Margaret Cotter, Ms. Ellen Cotter, our President and Chief Executive Officer, and other members of management may address attendees following our 2026 Annual Meeting. Stockholders desiring to pose questions to our management are encouraged to send their questions to us, care of the Secretary of our Annual Meeting, in advance of our 2026 Annual Meeting, so as to assist our management in preparing appropriate responses and to facilitate compliance with applicable securities laws. Questions may be submitted to us in advance via email at AnnualMeeting@ReadingRDI.com during the course of our 2026 Annual Meeting using the log-in and meeting text procedure.

The Presiding Officer has broad authority to conduct our 2026 Annual Meeting in an orderly and timely manner. This authority includes establishing rules for stockholders who wish to address the meeting or bring matters before our 2026 Annual Meeting, which rules will be posted to our Annual Meeting Website. These rules reflect the fact that there will be no physical meeting, and that stockholder communications during the meeting will need to be made by text rather than orally. The Presiding Officer may exercise broad discretion in responding to such texts and in communicating such texts with other participants at the meeting. In light of the need to conclude our 2026 Annual Meeting within a reasonable period of time, there can be no assurance that every stockholder who wishes to communicate with us during the meeting will be able to do so or that every question will be answered. The Presiding Officer has authority, in her discretion, to recess or adjourn our 2026 Annual Meeting at any time. Only Class B stockholders are entitled to participate in our 2026 Annual Meeting. Any questions or disputes as to who may or may not participate in our 2026 Annual Meeting will be determined by the Presiding Officer.

Only such business as shall have been properly brought before our 2026 Annual Meeting shall be conducted. Pursuant to our governing documents and applicable Nevada law, in order to be properly brought before our 2026 Annual Meeting, such business must be brought, (i) by or at the direction of the Chair, or our Board, or (ii) by a Class B stockholder.

Whether or not you have previous experience registering to participate in our virtual annual meetings, we encourage you to register as soon as possible, so as to allow time to take corrective action prior to the Registration Deadline in the event any issues should arise as to your registration. Also, if you are the beneficial owner, but not the record holder of shares of Class B Stock, you will need to obtain a valid proxy from the record holder of such Class B Stock in order to vote such shares electronically at our 2026 Annual Meeting, to nominate candidates to run for director and/or to bring non-agenda matters before the meeting. Beneficial owners of shares of Class B Stock will be permitted to participate in the meeting but, as noted above, they will need to obtain from the record holder a valid proxy.

If you register to participate in our 2026 Annual Meeting, you will be provided with a control number and a unique link that will allow you to log into our 2026 Annual Meeting and to receive streaming audio and video of the meeting. Upon completing your registration, you will receive further instructions via email. Please be sure to follow the instructions that will be delivered to your email approximately one (1) hour prior to the start of our 2026 Annual Meeting. Stockholders will be able to log into the meeting approximately fifteen (15) minutes prior to the start of the meeting. This log-in process will likely not be instantaneous, so please allow a reasonable amount of time to log-in prior to the scheduled 2:00 p.m. Eastern Time commencement time for our 2026 Annual Meeting.

Once logged-in, if you are a holder of record of Class B Stock or the holder of a valid proxy to vote shares of Class B Stock, you will be able to text questions or other communication to the Secretary of the Meeting (the "Meeting Text Function"). Any Class B Stockholder wishing to nominate a candidate for election to our Board, in addition to the candidates nominated by our Board, to comment on a matter before the meeting, or to bring a new matter before the meeting may do so using this Meeting Text Function. Note, the nomination of an individual to stand for election as a director will require (i) a second (which may also be provided by using the Meeting Text

Function by any other Class B stockholder registered to participate in the meeting) and, (ii) prior to the stockholder vote, receipt by the Secretary of the Meeting of the signed consent of such nominee to stand for election and an undertaking by such nominee to serve as a director if so elected.

As customary with our physical annual meetings, no recording of the meeting will be permitted. By registering for and participating in our 2026 Annual Meeting you are agreeing not to make any such recording.

Am I eligible to vote?

You may vote your shares of Class B Stock at our 2026 Annual Meeting if you were a holder of record of Class B Stock on the Record Date. If, on the Record Date, your shares were held not in your name, but rather in an account at a Nominee, then you are the “beneficial owner” of such shares and you have the right to direct your Nominee regarding how to vote the shares in your account. As a beneficial owner of shares of Class B Stock, you are invited to participate in our 2026 Annual Meeting. However, if you are not a stockholder of record of such shares, you may not participate in, vote your shares, nominate candidates to run for director and/or bring non-agenda matters before our 2026 Annual Meeting, unless you obtain a valid proxy from your Nominee.

What should I do if I receive more than one copy of the proxy materials?

You may receive more than one copy of the proxy materials and/or multiple proxy cards (or VIFs). For example, if you hold your shares of Class B Stock in more than one brokerage account, you may receive a separate set of proxy materials or a separate VIF for each brokerage account in which you hold shares. If you are a stockholder of record and your shares of Class B Stock are registered in more than one name, you may receive a separate copy of the proxy materials or a separate proxy card under each name under which your shares are so registered.

To vote all of your shares of Class B Stock by proxy card, you must either (i) complete, date, sign and return each proxy card (and/or VIF) that you receive or (ii) vote over the Internet or by telephone the shares represented by each proxy card (and/or VIF) that you receive. Alternatively, if you are a record owner or hold a valid proxy to vote such shares, you can vote your shares yourself, in whole or in part, electronically at our 2026 Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a broker, bank, trustee, agent or other nominee rather than directly in their own name. As summarized below, there are some differences in how stockholders of record and beneficial owners are treated.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and these proxy materials are being sent directly to you. As the stockholder of record of Class B Stock, you have the right to vote electronically at the meeting. If you choose to do so, you can vote electronically by participating in our 2026 Annual Meeting and using the voting function (the “Meeting Voting Function”) of the unique link provided to you after you log-in to our Annual Meeting Website. Even if you plan to participate in our 2026 Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to participate in our 2026 Annual Meeting. As a stockholder of record of Class B Stock, you are also entitled to nominate additional candidates for election to our Board and to bring before the meeting other matters proper for consideration by stockholders at our 2026 Annual Meeting.

Beneficial Owner. If you hold your shares through a Nominee rather than directly in your own name, you are considered the beneficial owner of such shares, and the proxy materials are being forwarded to you by your Nominee, who is the stockholder of record with respect to those shares. If you are the beneficial owner of shares of Class B Stock, while you are eligible to participate in our 2026 Annual Meeting, you must first obtain a valid proxy from your Nominee, giving you the right to register to attend and participate in the meeting and to vote the shares at the meeting. You will need to contact your Nominee to obtain a valid proxy in order to register to attend and participate in the meeting and to vote such shares using the Meeting Voting Function. Unless provided with proxy authority, beneficial owners of Class B Stock are not entitled to vote, to nominate additional candidates for election to our Board or to bring before the meeting any other matters for consideration by stockholders at our 2026 Annual Meeting.

How do I vote?

Proxies are solicited by our Board to give holders of record of our Class B Stock the opportunity to vote their shares, whether or not they participate in our 2026 Annual Meeting. If you are a holder of record of shares of our Class B Stock as of the Record Date, you have the right to vote such shares at our 2026 Annual Meeting. Beneficial owners, who are not the record owners of Class B Stock, will need to obtain a valid proxy from the record holder of such shares. Even if you plan to participate in our 2026 Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to or for any reason cannot participate in our 2026 Annual Meeting.

You can vote by using any of the following methods:

- **By Internet** — Holders of record of our Class B Stock may submit proxies over the Internet by following the instructions on the proxy card. Beneficial owners of our Class B Stock who hold a valid proxy may vote by Internet by following the instructions on the VIF sent to them by their Nominee.
- **By Telephone** — Holders of record of our Class B Stock who live in the United States or Canada may submit proxies by telephone by calling the toll-free number on the proxy card and following the instructions. Holders of record of our Class B Stock will need to have the control number that appears on their proxy card available when voting. Beneficial owners of our Class B Stock living in the United States or Canada and who have received a VIF by mail from their Nominee and who hold a valid proxy may vote by phone by calling the number specified on the VIF. Beneficial owners should check the VIF for telephone voting availability.
- **By Mail** — Holders of record of our Class B Stock who have received or downloaded a paper copy of a proxy card may submit proxies by completing, signing, and dating their proxy card and mailing it in the accompanying pre-addressed envelope. Beneficial owners of our Class B Stock who have received a VIF from their Nominee may return the VIF by mail as set forth on the VIF. Proxies submitted by mail must be received by the Inspector of Elections before the polls are closed for our 2026 Annual Meeting.
- **By participating and using the Meeting Voting Function** — Holders of record of our Class B Stock (and beneficial owners of our Class B Stock who have obtained a valid proxy) who register and participate in our 2026 Annual Meeting may vote electronically by using our Meeting Voting Function. Voting electronically at our 2026 Annual Meeting by registered holders or proxy holders will supersede any prior proxies or voting instructions. Class B stockholders are encouraged to vote their proxies by Internet, telephone or by completing, signing, dating and returning a proxy card or VIF as outlined above, but not by more than one method. If you vote by more than one method, or vote multiple times using the same method, only the last-dated vote that is timely received by the Inspector of Elections will be counted, and any other vote will be disregarded.

What if my shares are held of record by an entity such as a corporation, limited liability company, general partnership, limited partnership or trust (an “Entity”), or in the name of more than one person, or I am voting in a representative or fiduciary capacity?

Shares held of record by an Entity. In order to vote shares on behalf of an Entity, you may need to provide evidence (such as a sealed or certified resolution) of your authority to vote such shares, unless you are listed as a record holder of such shares.

Shares held of record by a trust. The trustee of a trust is entitled to vote the shares held by the trust, either by proxy or by participating and voting electronically at our 2026 Annual Meeting. If you are voting as a trustee, and are not identified as a record owner of the shares, then you may need to provide suitable evidence of your status as a trustee of the record trust owner. If the record owner is a trust and there are multiple trustees, then if only one trustee votes, that trustee’s vote applies to all of the shares held of record by the trust. If more than one trustee votes, the votes of the majority of the voting trustees apply to all of the shares held of record by the trust. If more than one trustee votes and the votes are split evenly on any particular proposal, each trustee may vote proportionally the shares held of record by the trust.

Shares held of record in the name of more than one person. If only one individual votes, that individual’s vote applies to all of the shares held of record. If more than one person votes, the votes of the majority of the voting

individuals apply to all of such shares. If more than one individual votes and the votes are split evenly on any particular proposal, each individual may vote such shares proportionally.

Shares held by a representative or fiduciary. A representative or fiduciary may only vote shares if they have been granted a valid proxy by the record holder of such shares.

How will my shares be voted if I do not give specific voting instructions?

If you are a Class B Stockholder and you:

- Indicate when voting on the Internet or by telephone or, if applicable, by using the Meeting Voting Function, that you wish to vote as recommended by our Board, then your shares will be so voted; or
- Sign and send in your proxy card and do not indicate how you want to vote, then the proxyholders will vote your shares in the manner recommended by our Board as follows:
 - On PROPOSAL 1: “FOR” the election of each of our nominees to our Board;
 - On PROPOSAL 2: “FOR” the Independent Auditor Ratification Proposal;
 - On PROPOSAL 3: “FOR” the Advisory Vote on Executive Officer Compensation Proposal; and
 - On PROPOSAL 4: “FOR” the Increase to Share Reserve under the 2020 Stock Plan Proposal.

What is a broker non-vote and how is it counted?

If your shares are held by a broker on your behalf (that is, in so called “street name”), and you do not instruct the broker as to how to vote these shares on any “non-routine” proposals included in this Proxy Statement, your broker cannot exercise discretion to vote for or against those proposals. This would be a “broker non-vote,” and these shares will not be counted as having been voted on the applicable proposal. Applicable rules permit brokers to vote shares held in street name only on routine matters. Only Proposal 2, the Independent Auditor Ratification Proposal is a “routine proposal.” All other matters contained in this Proxy Statement for submission to a vote of the stockholders are considered “non-routine.” Accordingly, if your shares of Class B Stock are held in street name and if you do not give your broker instructions as to how to vote, your broker will only be able to exercise its discretion in the case of Proposal 2, and will not be permitted to vote on Proposal 1, Proposal 3, or Proposal 4.

How are “withhold authority” and “abstain” votes counted?

Proxies that are voted to “withhold authority” or “abstain” are included only to determine whether a quorum is present. If “withhold authority” or “abstain” is selected with respect to the election of directors, then such votes will have no impact on the election of directors, as the five (5) nominees receiving the highest number of affirmative votes will be elected. If “withhold authority” or “abstain” is selected on a matter to be voted on for which approval by a majority of the votes cast at the meeting is required (specifically, Proposal 2 (the Independent Auditor Ratification Proposal), Proposal 3 (the Advisory Vote on Executive Officer Compensation Proposal), and Proposal 4 (the Increase to Share Reserve under the 2020 Stock Plan Proposal), then such a selection would similarly not have an effect on the vote, since “withhold authority” and “abstain” votes do not count as votes cast on that matter.

How can I change my vote after I submit a proxy?

If you are a Class B Stockholder, there are three ways you can change your vote or revoke your proxy after it has been submitted:

- First, you may send a written notice to Reading International, Inc., postage or other delivery charges pre-paid, 189 Second Avenue, Suite 2S, New York, New York 10003, c/o Secretary of the Annual Meeting, stating that you revoke your proxy. To be effective, the Inspector of Elections must receive your written notice prior to the closing of the polls at our 2026 Annual Meeting.
- Second, you may complete and submit a new proxy in one of the manners described above under the caption, “*How do I vote?*” Any earlier proxies will be revoked automatically.

- Third, you may register for and participate in our 2026 Annual Meeting, and vote using the Meeting Voting Function.

How will we solicit proxies and who will pay the costs?

Our Board is soliciting proxies for our 2026 Annual Meeting from our Class B stockholders. We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone. We do not intend to hire a proxy solicitor to assist in the solicitation of proxies.

Is there a list of stockholders entitled to vote at our 2026 Annual Meeting?

The names of stockholders of record entitled to vote at our 2026 Annual Meeting will be available to persons registered to participate in our 2026 Annual Meeting for ten days prior to the meeting, at our New York office, 189 Second Avenue, Suite 2S, New York, New York 10003, between the hours of 9.00 a.m. and 5.00 p.m., Eastern Standard Time, for any purpose germane to our 2026 Annual Meeting. To arrange to view this list during the times specified above, please contact the Secretary of our 2026 Annual Meeting at (212) 871-6840.

What constitutes a quorum?

The presence by valid proxy or by virtual participation as provided in this Proxy Statement of the holders of record of a majority of our outstanding shares of Class B Stock will constitute a quorum at our 2026 Annual Meeting. Each share of our Class B Stock entitles the holder of record to one vote on all matters to come before our 2026 Annual Meeting.

How are votes counted and who will certify the results?

Computershare, Inc. will act as the independent Inspector of Elections and will determine whether a quorum is present, count the votes, evaluate the validity of proxies and electronic votes, and certify the results. The final voting results will be reported by us on a Current Report on Form 8-K to be filed with the SEC within four (4) business days following our 2026 Annual Meeting.

What is the vote required for a proposal to pass?

Proposal 1 (the Election of Directors): The five (5) nominees for election as Directors at our 2026 Annual Meeting who receive the highest number of “FOR” votes for the available Board seats will be elected as Directors. This is called plurality voting. Unless you indicate otherwise, the persons named as your proxies will vote your shares FOR all the nominees for Directors named in Proposal 1. If your shares are held by a broker or other nominee and you would like to vote your shares for the election of Directors in Proposal 1, you must instruct the broker or nominee to vote “FOR” for each of the candidates for whom you would like to vote. If you give no instructions to your broker or nominee, then your shares will not be voted and will not be counted in determining the election. Likewise, if you instruct your broker or nominee to “WITHHOLD,” then your vote will not be counted in determining the election. We are advised by the holders of approximately 72% of the Class B Stock that they currently intend to vote “FOR” the election of each of the candidates nominated by our Board. Accordingly, it is anticipated that each of these individuals will be elected.

Proposal 2 (the Independent Auditor Ratification Proposal): This proposal requires the “FOR” vote of a majority of the votes cast in order to pass. We are advised by the holders of approximately 72% of the Class B Stock that they currently intend to vote “FOR” this proposal. Accordingly, it is anticipated that the Independent Auditor Ratification Proposal will pass.

Proposal 3 (the Advisory Vote on Executive Officer Compensation Proposal): This proposal requires the “FOR” vote of a majority of the votes cast in order to pass. Because your vote is advisory, it will not be binding on us, our Board or our Compensation and Stock Options Committee (the “Compensation Committee”). However, the Board and our Compensation Committee, as applicable, will review the voting results and take them into consideration when making future decisions and recommendations regarding executive compensation. We are advised by the holders of approximately 72% of the Class B Stock that they currently intend to vote “FOR” this

proposal. Accordingly, it is anticipated that the Advisory Vote on Executive Officer Compensation Proposal will pass.

Proposal 4 (the Increase to Share Reserve under the 2020 Stock Plan): This proposal requires the “FOR” vote of a majority of the votes cast in order to pass. We are advised by the holders of approximately 72% of the Class B Stock that they currently intend to vote “FOR” this proposal. Accordingly, it is anticipated that the Increase to the Share Reserve under our 2020 Stock Plan Proposal will pass.

Is my vote kept confidential?

Proxies, electronic votes and voting tabulations identifying stockholders are kept confidential and will not be disclosed to third parties, except as may be necessary to meet legal requirements.

CORPORATE GOVERNANCE

Director Leadership Structure

Margaret Cotter is our Chair of the Board and also serves as our Executive Vice President – Real Estate Management and Development. Margaret Cotter has served as a director of our Company since 2002. Over that time, she has also been responsible for the management of our domestic live theatre properties and, has general oversight of all our U.S. real estate. At the present time, our Board continues to believe that having a Board Chair who is also a senior executive officer of our Company is in the best interests of our Company and our stockholders. This structure (i) continues the tradition of having a member of the Cotter family (which currently controls approximately 72% of the voting power of our Company) serve as Chair, a leadership structure in which many of our stockholders have invested, (ii) recognizes the ongoing value of Margaret Cotter as the head of our real estate operations, and also (iii) reflects the reality of our status as a “controlled company” under relevant Nasdaq Listing Rules, with Margaret Cotter having (a) sole voting control over 1,058,988 company shares of our Class B Stock, and (b) shared voting power with her sister, Ellen M. Cotter over an additional 100,000 shares of our Class B Voting Stock, for voting power equal to approximately 69% of our outstanding voting stock.

Ellen M. Cotter is our Vice-Chair and also serves as our Chief Executive Officer and President. Prior to her appointment in 2015 as our Chief Executive Officer and President, she principally focused on the cinema operations aspects of our business, including the development of our various cinema assets. Ellen M. Cotter has sole voting and dispositive power over 50,000 shares of our Class B Stock and shared voting power and dispositive power with her sister, Margaret Cotter, over an additional 100,000 shares of our Class B Stock. In addition, Ellen M. Cotter is the direct owner of an additional 307,166 shares of Class B Stock, but has granted sole voting power and, pending the negotiation and execution of a more definitive stockholders agreement between them, shared dispositive power to Margaret Cotter.

Margaret Cotter and Ellen M. Cotter each have a substantial stake in our Company, directly owning, respectively, as of the date of this Proxy Statement, 875,082 shares of Class A Stock and 342,266 shares of Class B Stock, and 1,066,822 shares of Class A Stock and 357,166 shares of Class B Stock, respectively. In addition, Margaret Cotter and Ellen M. Cotter are the Co-Executors of the Estate of James J. Cotter, Sr. (the “Cotter Estate”) and Co-Trustees of the James J. Cotter, Sr. Living Trust (the “Cotter Living Trust”) which own respectively 326,800 and 1,163,649 shares of Class A Stock and, in the case of the Cotter Estate, 100,000 shares of Class B Stock. Margaret Cotter is, in addition, the sole-trustee of the James J. Cotter Education Trust #1 which holds 84,956 shares of Class A Stock and the designated trustee of a to-be formed trust for the benefit of her children which is to be funded with 327,808 shares of Class B Stock (currently is held in the name of the Cotter Estate but not included in the Cotter Estate holdings described above) and 81,747 shares of Class B Stock (currently held in the name of the Cotter Living Trust but not included in the Cotter Living Trust holdings described above).

Director Independence and Board Oversight Structure

Our Company has elected to take advantage of the “controlled company” exemption under applicable listing rules of the Nasdaq Capital Stock Market (the “Nasdaq Listing Rules”). Accordingly, our Company is exempted from the requirement to have a board of directors composed of at least a majority of independent directors, as that

term is defined in the Nasdaq Listing Rules and SEC rules (“Independent Directors”) and to have an independent nominating committee and independent compensation committee. Nevertheless, our Board has for many years had a majority of Independent Directors, and is nominating a majority of Independent Directors for election to our Board this year. Also, the Charter of our Compensation and Stock Options Committee requires that all of the committee’s members be independent. In determining who is an Independent Director, we follow the definition in Section 5605(a)(2) of the Nasdaq Listing Rules. Under such rules, we consider the following Directors to be independent: Guy Adams, Dr. Judy Coddington, and Douglas McEachern. Our Board annually reviews the independence of our Directors.

We currently have an Audit and Conflicts Committee (the “Audit Committee”) and a Compensation and Stock Options Committee (the “Compensation Committee”), each composed entirely of Independent Directors. Historically, our Lead Independent Director chairs meetings of the Independent Directors (typically held as a separate part of board meetings) and acts as liaison between our Chair, Chief Executive Officer and President and our Independent Directors

We also currently have a four-member Executive Committee composed of our Chair, Vice-Chair, the Chair of the Compensation Committee (Dr. Judy Coddington) and our Lead Technology and Cyber Risk Director (Guy W. Adams). As a consequence of this structure, the concurrence of at least one non-management member of the Executive Committee is required in order for the Executive Committee to take action.

Our Board has (i) adopted a best practices charter for our Compensation Committee, (ii) adopted a best practices charter for our Audit Committee, (iii) completed, with the assistance of compensation consultants and outside counsel, a review of our compensation practices, (iv) adopted and updated a Code of Business Conduct and Ethics, (v) adopted and updated a Supplemental Insider Trading Policy restricting trading in our stock by our Directors and executive officers, (vi) adopted an Anti-Discrimination, Anti-Harassment and Anti-Bullying policy, (vii) adopted and updated a Whistleblower Policy, and (viii) adopted a Stock Ownership Policy, setting out minimum stock ownership levels for our directors and senior executives.

With respect to that Stock Ownership Policy, based on current market conditions and challenges facing, (a) the exhibition industry, including the COVID-19 pandemic and the negative impact to the movie release schedule due to the 2023 Hollywood Strikes, and (b) the real estate industry, including the high interest rate environment and office leasing market, our Board has resolved to postpone compliance with the Stock Ownership Policy until December 31, 2026. Under our Amended and Restated Supplemental Insider Trading Policy, our Directors and executive officers are restricted from engaging in certain forms of hedging transactions, such as zero-cost collars, equity swaps, prepaid variable forward contracts and exchange funds.

From time to time, the Compensation Committee has periodically sought advice from an independent compensation consultant. No consultation took place in 2025.

In recognition of the special risks involved with technology and cyber security, Director Guy W. Adams has been appointed to serve as our Lead Technology and Cyber Risk Director. In this role, Director Adams serves as our Board’s liaison with our Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), Chief Information Officer and General Counsel in connection with the assessment of our Company’s technology and cyber security needs and the implementation of appropriate policies and procedures to meet those needs. He ensures that relevant information is brought to our Board, coordinates the timely presentation of such information to, and facilitates the consideration of such information by all directors.

We believe that our Directors bring a broad range of leadership experience to our Company and regularly contribute to the thoughtful discussion involved in effectively overseeing the business and affairs of our Company. We believe that all Board members are well-engaged in their responsibilities and that all Board members express their views and consider the opinions expressed by other Directors. Our Independent Directors are involved in the leadership structure of our Board by serving on our Executive Committee, our Audit Committee and our Compensation Committee, each of which has a separate independent Chair. Nominations to our Board for our 2026 Annual Meeting were made by our entire Board. Each of the nominees received the unanimous vote of the Independent Directors and each such nominee abstained with respect to his or her own nomination.

Board’s Role in Risk Oversight

Our management is responsible for the day-to-day management of risks we face as a company, while our Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk

oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board plays an important role in risk oversight at our Company through direct decision-making authority with respect to significant matters, as well as through the oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular period reports by the Board and its committees on topics relating to the risks that our Company faces, (2) the required approval by the Board (or a committee of the Board) of significant transactions and other decisions, (3) the direct oversight of specific areas of our Company's business by the Audit Committee and the Compensation Committee with input from the Lead Technology and Cyber Risk Director, and (4) review of regular periodic reports from the auditors and other outside consultants regarding various areas of potential risk, including, among others, those relating to our internal control over financial reporting. The Board also relies on management to bring significant risks impacting our Company to the attention of the Board.

“Controlled Company” Status

Under Section 5615(c)(1) of the Nasdaq Listing Rules, a “controlled company” is a company in which more than 50% of the voting power for the election of Directors is held by an individual, a group, or another company. As of the date of this Proxy Statement, Chair Margaret Cotter holds sole voting power over 1,058,988 shares of our Class B Stock, representing 63% of such shares outstanding. Together, Chair Margaret Cotter and Vice-Chair Ellen M. Cotter have voting power, as of the Record Date, over 1,208,988 shares, representing approximately 72% of our outstanding Class B Stock. Our Class A Stock does not have voting rights. Under applicable Nevada Law the holders of shares representing 2/3rds of the outstanding voting stock can, either by written consent or at a meeting, remove any and all directors. Based on advice of counsel, our Board has determined that the Company is therefore a “controlled company” within the Nasdaq Listing Rules.

After reviewing the benefits and detriments of taking advantage of the exemptions to certain corporate governance rules available to a “controlled company” as set forth in the Nasdaq Listing Rules, our Board has determined to take advantage of those exemptions. In reliance on a “controlled company” exemption, the Company does not maintain a separate standing Nominating Committee. The Company nevertheless at this time maintains a Board composed of a majority of Independent Directors, and an Audit Committee and Compensation Committee each composed entirely of Independent Directors and has no present intention to vary from that structure. Our Board, consisting of a majority of Independent Directors, approved each of the nominees for our 2026 Annual Meeting. See “*Consideration and Selection of the Board's Director Nominees*” below.

Board Committees

Our Board has a standing Executive Committee, Audit Committee, and Compensation Committee. These committees are discussed in greater detail below.

Executive Committee. Our Executive Committee operates pursuant to a resolution adopted by our Board and is currently composed of Director Guy W. Adams, who serves as Chair, Dr. Judy Coddington, who serves as Chair of the Compensation Committee, Chair Margaret Cotter, and Vice-Chair Ellen M. Cotter. As a consequence of this structure, the concurrence of at least one non-management member of the Executive Committee is required in order for the Executive Committee to take action. Pursuant to that resolution, the Executive Committee is authorized, to the fullest extent permitted by Nevada law and our Bylaws, to take any and all actions that could have been taken by the full Board between meetings of the full Board.

Lead Independent Director. Director Doug McEachern currently serves as our Lead Independent Director. Historically, our Lead Independent Director chairs meetings of the Independent Directors (typically held as a separate part of many of our board meetings) and acts as liaison between our Chair, Chief Executive Officer and President and our Independent Directors.

Audit Committee. Our Audit Committee operates pursuant to its charter which is available on our website at www.investor.readingrdi.com/corporate-governance/governance-overview. The Audit Committee is responsible for, among other things, (i) reviewing and discussing with management the Company's financial statements, earnings press releases and all internal controls reports, (ii) appointing, compensating and overseeing the work performed by the Company's independent auditors, (iii) reviewing with the independent auditors the findings of their audits; and (iv) reviewing, considering, negotiating and approving or disapproving related party transactions (see the discussion in the section entitled “*Certain Relationships and Related Party Transactions*” below).

Our Board has determined that the Audit Committee is composed entirely of Independent Directors (as defined in section 5605(a)(2) of the Nasdaq Listing Rules) and Rule 10A-3(b)(1) of the Exchange Act, and that Director Douglas McEachern, the Chair of our Audit Committee, is an Independent Director who meets the foregoing guidelines and is qualified as an Audit Committee Financial Expert. Our Audit Committee is currently composed of Director McEachern, Director Dr. Judy Coddington and Director Guy Adams.

Compensation Committee. Our Board has established a standing Compensation Committee consisting of our three (3) Independent Directors. Director Dr. Judy Coddington, who serves as Chair, Director Guy Adams and Director Douglas McEachern. As a “controlled company,” we are exempt from the Nasdaq Listing Rules regarding the determination of executive compensation solely by independent directors, who additionally meet the heightened independence requirements specific to compensation committee members. Notwithstanding such exemption, we adopted a Compensation Committee charter requiring our Compensation Committee members to meet the independence rules and regulations of the SEC and the Nasdaq. Our Compensation Committee charter is available on our website at <https://investor.readingrdi.com/corporate-governance/governance-overview>.

Pursuant to its charter, the Compensation Committee has delegated authority to establish the compensation for all executive officers, including the Chief Executive Officer and President. However, pursuant to the charter, compensation decisions related to Ellen Cotter or Margaret Cotter are subject to review and approval by the Board, so our Compensation Committee makes recommendations for Ellen Cotter and Margaret Cotter, subject to the approval of the Board. In addition, the Compensation Committee, among other things, (i) establishes the Company’s general compensation philosophy and objectives (in consultation with management), (ii) approves and adopts on behalf of the Board incentive compensation and equity-based compensation plans, subject to stockholder approval as required, and (iii) performs other compensation related functions as delegated by our Board.

Consideration and Selection of the Board’s Director Nominees

Our Company has elected to take advantage of the “controlled company” exemption under applicable Nasdaq Listing Rules. Accordingly, the Company does not maintain a standing Nominating Committee. Our Board, consisting of a majority of Independent Directors, approved each of the Board nominees for our 2026 Annual Meeting.

Our Board does not have a formal policy with respect to the consideration of Director candidates recommended by our stockholders. No non-Director stockholder has, in more than the past decade, made any formal proposal or recommendation to the Board as to potential nominees. Neither our governing documents nor applicable Nevada law place any restriction on the nomination of candidates for election to our Board directly by our Class B stockholders. In light of the facts that (i) we are a “controlled company” under the Nasdaq Listing Rules and exempted from the requirements for an independent nominating process, and (ii) our governing documents and Nevada law place no limitation upon the direct nomination of Director candidates by our Class B stockholders, our Board believes there is no need for a formal policy with respect to Director nominations.

Our Directors have not adopted any formal criteria with respect to the qualifications required to be a Director or the particular skills that should be represented on our Board, other than the need to have at least one Director and member of our Audit Committee who qualifies as an “Audit Committee Financial Expert,” and have not historically retained any third party to identify or evaluate or to assist in identifying or evaluating potential nominees. Currently, we have no policy of considering diversity or any other specific criteria in identifying Director nominees.

Our Board has resolved to nominate all five (5) of our incumbent Directors, named in Proposal 1, for election as Directors of our Company at our 2026 Annual Meeting.

Each of the nominees named in Proposal 1 received the unanimous approval of the Directors, with each such nominee abstaining as to his or her nomination.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics (the “Code of Conduct”) designed to help our Directors and employees resolve ethical issues. Our Code of Conduct applies to all Employees, Officers and Directors, including the Chief Executive Officer, the Chief Financial Officer, the Chief Accounting Officer and the Controller and all persons performing similar functions. Our Code of Conduct is posted on our website at <https://investor.readingrdi.com/governance/governance-documents/default.aspx>.

Our Board has established a means for employees to report a violation or suspected violation of the Code of Conduct anonymously. In addition, we have adopted an “Amended and Restated Whistleblower Policy and Procedures,” which is posted on our website, at www.investor.readingrdi.com/corporate-governance/governance-overview, that establishes a process by which employees may anonymously disclose to our Principal Compliance Officer (currently the Chair of our Audit Committee) alleged fraud or violations of accounting, internal accounting controls or auditing matters.

Review, Approval or Ratification of Transactions with Related Persons

Our Audit Committee charter delegates to that committee responsibility for review and approval of transactions between our Company and our Directors, Director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds or is expected to exceed \$120,000 in a single calendar year and the party to the transaction has or will have a direct or indirect interest. A copy of this charter is available at www.investor.readingrdi.com/corporate-governance/governance-overview. For additional information, see the section entitled “*Certain Relationships and Related Party Transactions*.”

2025 and Future Outside Director Compensation

Our Compensation Committee periodically reviews, evaluates, revises and recommends the adoption of new compensation arrangements for executive and management officers and outside directors of our Company. In past years, the Compensation Committee has consulted with a compensation consulting firm’s legal counsel.

After input was received, reviewed, discussed and considered by our Compensation Committee in 2020, and taking into account, among other things, our efforts to reduce cash expenses and consolidation of workloads in light of the reduction in our Board from seven to five directors, our Compensation Committee recommended and our Board authorized that the following annual compensation for our non-employee directors for 2025, which remained the same for 2025:

- The Board Base Director fee was \$50,000.
- The Committee Chair retainers were \$20,000 for our Audit Committee and \$22,500 for our Compensation Committee.
- The committee member fees were \$10,000 for our Audit Committee, \$7,500 for our Compensation Committee and a “per meeting fee” for our Executive Committee and Special Independent Committee.
- The Lead Independent Director fee was \$5,000.
- The Lead Technology and Cyber Risk Director fee was \$15,000.

Vote Required

The five (5) nominees receiving the greatest number of votes cast at our 2026 Annual Meeting will be elected to the Board.

The Board has nominated each of the nominees discussed above to hold office until our 2027 Annual Meeting of Stockholders (our “2027 Annual Meeting”) and thereafter until his or her respective successor has been duly elected and qualified. Each nominee has agreed to be nominated and, if elected, to serve as a director of our Company. The Board has no reason to believe that any nominee will be unable or to serve and all nominees named have consented to serve if elected.

Chair Margaret Cotter and Vice-Chair Ellen Cotter, who hold, in the aggregate, voting control over 1,208,988 shares, or approximately 72% of our outstanding Class B Stock, have informed the Board that they intend to vote these shares in favor of the nominees named in this Proxy Statement for election to the Board discussed under Proposal 1 (the Election of Directors).

Recommendation of the Board

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” EACH OF THE DIRECTOR NOMINEES.

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Grant Thornton, LLP (“Grant Thornton”) as our Company’s independent registered public accounting firm to audit the consolidated financial statements of our Company for the year ending December 31, 2026. Grant Thornton was engaged as our independent registered public accounting firm for the years ended December 31, 2011 through December 31, 2025. Our Company is seeking stockholder ratification of the appointment of Grant Thornton as our independent registered public accounting firm for year ending December 31, 2026.

Stockholder ratification of the appointment of Grant Thornton is not required by our bylaws or otherwise. However, we are submitting the appointment of Grant Thornton to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will consider whether or not to retain Grant Thornton. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of our Company and stockholders.

Vote Required

The approval of this proposal requires the number of votes cast in favor of this proposal to exceed the number of votes cast in opposition to this proposal.

Chair Margaret Cotter and Vice-Chair Ellen Cotter, who hold, in the aggregate, voting control over 1,208,988 shares, or approximately 72% of our outstanding Class B Stock, have informed the Board that they intend to vote these shares in favor of the ratification of appointment of Grant Thornton as our Company’s registered independent public accounting firm discussed under Proposal 2 (the Independent Auditor Ratification Proposal).

Recommendation of the Board

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE INDEPENDENT AUDITOR
RATIFICATION PROPOSAL.**

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") requires that our stockholders have the opportunity to cast a non-binding, advisory vote regarding the approval of the compensation of our "named executive officers" as disclosed in this Proxy Statement. A description of the compensation paid to these individuals is set out below under the heading, "Executive Compensation."

We believe that our compensation policies for the named executive officers are designed to attract, motivate, and retain talented executive officers and are aligned with the long-term interests of our stockholders. This advisory stockholder vote, commonly referred to as a "say-on-pay" vote, gives our stockholders the opportunity to approve or not approve the compensation of each of the named executive officers that is disclosed in this Proxy Statement by voting for or against the following resolution (or by abstaining with respect to the resolution).

At our 2025 Annual Meeting of Stockholders held on December 4, 2025, we held an advisory vote on executive compensation. Our stockholders voted in favor of our Company's executive compensation. Our Board and our Compensation Committee reviewed the results of the advisory vote on executive compensation in 2025 and, as the vote approved our executive compensation for 2025, we did not make any changes to our compensation based on the results of the vote.

As required by Section 14A of the Securities Exchange Act of 1934, this proposal seeks a stockholder advisory vote on the compensation of our named executive officers as disclosed pursuant to Item 402 of Regulation S-K through the following resolution:

"RESOLVED, that the holders of the Company's Class B Stock approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for our 2026 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the compensation tables and related narrative disclosures."

This vote is advisory in nature and therefore is not binding on our Board or our Compensation Committee. However, our Board and our Compensation Committee will take into account the outcome of the stockholder vote on this proposal when considering future executive compensation arrangements. Furthermore, this vote is not intended to address any specific item of compensation, but rather the overall compensation of our "named executive officers" and our general compensation policies and practices.

Vote Required

The approval of this proposal requires the number of votes cast in favor of this proposal to exceed the number of votes cast in opposition to this proposal.

Chair Margaret Cotter and Vice-Chair Ellen Cotter, who hold, in the aggregate, voting control over an aggregate of 1,208,988 shares, or approximately 72% of our outstanding Class B Stock, have informed the Board that they intend to vote these shares in favor of the advisory vote on the "say on pay" for our "named executive officers" discussed under Proposal 3 (the Advisory Vote on Executive Officer Compensation Proposal).

Recommendation of the Board

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE ADVISORY VOTE ON EXECUTIVE OFFICER COMPENSATION PROPOSAL.

**PROPOSAL 4: APPROVAL OF AN AMENDMENT TO THE READING INTERNATIONAL, INC.
2020 STOCK PLAN TO INCREASE THE NUMBER OF SHARES OF CLASS A COMMON STOCK RESERVED FOR ISSUANCE
THEREUNDER**

General

At the 2026 Annual Meeting, our Class B Stockholders will be asked to approve an amendment (the “2026 Stock Plan Amendment”) to the 2020 Stock Plan, to increase the number of shares of Class A Stock reserved for issuance under the 2020 Stock Plan by an additional 2,000,000 shares of Class A Stock.

At the present time, our Company has outstanding options, restricted stock units (“RSUs”) and performance-based restricted stock units (“PRSUs”) that, if exercised or vested, as applicable, will utilize all but 2,364,970 shares of the Class A Stock authorized for issuance under our 2020 Stock Plan. Our Board currently expects that this reserve will be sufficient for approximately three (3) years to cover grants over the period 2027 thru 2029. As discussed in our Executive Compensation disclosure below, equity awards are an essential compensation component to retain talent, and unless the 2026 Stock Plan Amendment is approved, the Company will not have any shares of Class A Stock available for issuance to fund the Company’s grants beyond 2026 which will negatively impact our executive compensation equity grant practices. Given our current liquidity challenges, we believe that the increase in Class A Stock available for issuance under the 2020 Stock Plan allows our Company to incentivize and retain our employees, consultants and directors and to use available cash for other business purposes.

See also the discussion under the caption “*Executive Compensation Philosophy*” below.

Amended Plan Benefits

Awards granted under the 2020 Stock Plan, as amended by the 2026 Stock Plan Amendment, will be subject to our Board’s discretion, and our Board has not determined future awards or who might receive them. As a result, as of the Record Date, the benefits that will be awarded or paid under the 2020 Stock Plan, as amended by the 2026 Stock Plan Amendment, are not determinable. The purpose of the amendment is to ensure that we will continue to have a sufficient reserve of Class A Stock available under the 2020 Stock Plan so that our Company is able to attract and retain employees, consultants and directors who will contribute to our Company’s long-term success, and to bind the interests of such persons more closely to our Company’s own interests. Subject to the approval of stockholders, our Board adopted the 2026 Stock Plan Amendment to the 2020 Stock Plan on October 21, 2026, to increase the number of shares of Class A Stock remaining available for issuance under the 2020 Stock Plan by 2,000,000 shares of Class A Stock.

Burn Rate and Overhang

Our stock-based compensation model, including the broad-based participation of our employees and directors, and the portion of equity compensation paid to our senior executives, results in a “burn rate,” or share utilization rate, presented in the table below. The table summarizes the number of awards granted and the burn rate for each of our last three fiscal years and YTD 2026.

	FY 2023	FY 2024	FY 2025	YTD 2026
(a) Stock Options Granted	207,657	1,436,289	2,305,499	--
(b) Time-based restricted stock units granted	512,091	--	--	702,016
(c) Performance-based restricted stock units granted	159,591	--	--	--
(d) Increase in diluted shares due to equity award (a+b+c)	879,339	1,436,289	2,305,499	702,016
(e) Weighted average common shares outstanding	22,222,635	22,401,662	22,652,270	22,805,274
(f) Burn Rate (d/e)	3.96%	6.41%	10.18%	3.08%

Our Company recognizes that, as commonly calculated, the potential dilution from the increase in authorized shares of Class A Stock under the 2020 Stock Plan, as amended by the 2026 Stock Plan Amendment, would be 27.0% for Class A Stock and 11.9% for Class B shares. Including grants currently outstanding under the 2020 Stock Plan, the total potential dilution of “overhang” from the increase in the number of shares of Class A Stock reserved for issuance under the 2020 Stock Plan would be 38.3% for Class A Stock and 11.9% for Class B shares. The total overhang included 2,391,479 Class A Stock allocated to existing option and stock awards granted under the 2020 Stock Plan that are outstanding as of the Record Date.

	Class A Shares	Class B Shares
(a) Total shares authorized under the 2020 Stock Plan, as amended by the 2026 Stock Plan Amendment	7,721,807	200,000
Shares underlying previously granted outstanding stock awards under the 2020 Stock Plan	2,352,676	--
Shares underlying previously granted outstanding stock options under the 2020 Stock Plan ⁽¹⁾	38,803	--
(b) Total outstanding stock awards and stock options	2,391,479	--
(c) Common shares outstanding	21,209,537	1,680,590
Dilution (a/c)	36.4%	11.9%
Overhang ((a+b)/c)	47.7%	11.9%

(1) Weighted average exercise price for Class A shares is \$4.66. Not applicable for Class B shares.

SUMMARY OF 2020 STOCK PLAN, AS AMENDED BY THE 2026 STOCK PLAN AMENDMENT

The original 2020 Stock Plan was adopted by the Board on November 4, 2020, and approved by the stockholders at the 2020 Annual Meeting. The following amendments have been made to the 2020 Stock Plan:

- First Amendment was adopted by the Board on October 6, 2023, and approved by the Class B Stockholders on December 7, 2023, increasing the number of shares of Class A Stock reserved for issuance under the 2020 Stock Plan by an additional 971,807 shares (“First Amendment”) and;

The following is a summary of the material features of the 2020 Stock Plan, as amended by the 2026 Stock Plan Amendment, which does not purport to be complete and is qualified in its entirety by the specific provisions of the 2020 Stock Plan, the First Amendment and the Second Amendment:

- For a copy of our 2020 Stock Incentive Plan, see Appendix A to the Company’s Proxy Statement filed with the Securities and Exchange Commission (“SEC”) on November 6, 2020;
- For a copy of the First Amendment, see Appendix A to the Company’s Proxy Statement filed with the SEC on October 27, 2023; and
- For a copy of the Second Amendment, see Appendix A to the Company’s Proxy Statement filed with the SEC on October 25, 2024.

General

The 2020 Stock Plan provides for awards of incentive stock options, nonstatutory stock options, stock bonuses, rights to acquire restricted stock, stock appreciation rights (“SARs”) and RSUs. Incentive stock options granted under the 2020 Stock Plan are intended to qualify as “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”). Nonstatutory stock options granted under the 2020 Stock Plan are not intended to qualify as incentive stock options under the Code. RSUs under the 2020 Stock Plan may be earned upon the passage of time or the attainment of performance criteria established by our Board. See “Federal Income Tax Information” for a discussion of the principal federal income tax consequences of awards under the 2020 Stock Plan.

Purpose

Our Board adopted the 2020 Stock Plan to provide a means by which employees, directors and consultants of our Company and its affiliates may be given an opportunity to benefit from increases in value of our Common Stock, to assist in attracting and retaining the services of such persons, to bind the interests of eligible recipients more closely to our own interests by offering them opportunities to acquire Common Stock and to afford such persons stock-based compensation opportunities that are competitive with those afforded by similar businesses. All of our employees, directors and consultants are eligible to participate in the 2020 Stock Plan.

Administration

Unless it delegates administration to a committee as described below, our Board will administer the 2020 Stock Plan. Subject to the provisions of the 2020 Stock Plan, our Board has the power to construe and interpret the 2020 Stock Plan and to determine the persons to whom and the dates on which awards will be granted, what types or combinations of types of awards will be granted, the number of shares of Common Stock to be subject to each award, the time or times during the term of each award within which all or a portion of such award may be exercised, the exercise price or purchase price of each award, the types of consideration permitted to exercise or purchase each award and other terms of the awards. Our Board has the power to delegate administration of the 2020 Stock Plan to a committee. In the discretion of our Board, a committee may consist solely of two or more “Non-Employee Directors” (as such terms are defined in the 2020 Stock Plan). Within the scope of such authority, the committee may delegate to the Chairperson of the Board the authority to grant awards to eligible persons who are not then subject to Section 16 of the Securities Exchange Act of 1934 and are not “covered employees” as defined in the 2020 Stock Plan.

Our Board has delegated administration of the 2020 Stock Plan to the Compensation and Stock Options Committee of our Board and has delegated to our Chairperson the authority to grant awards to eligible persons who are not then subject to Section 16 of the Securities and Exchange Act of 1934 and are not “covered employees” as defined in the 2020 Stock Plan. As used in this section with respect to the 2020 Stock Plan, references to our Board include the Compensation and Stock Options Committee of our Board or any other committee to which our Board has delegated administration of the 2020 Stock Plan.

Stock Subject to the 2020 Stock Plan

Subject to the provisions of subsection 11(a) of the 2020 Stock Plan relating to adjustments upon changes in common stock, an aggregate of 7,721,807 shares of Class A Stock and 200,000 shares of Class B Stock will be reserved for issuance under the 2020 Stock Plan as amended by the 2026 Stock Plan Amendment. Any awards that were outstanding under the now expired 2010 Stock Incentive Plan (“2010 Stock Plan”) as of the day before the date on which the Board approved the 2020 Stock Plan have been and a corresponding number of shares have become available for issuance under the 2020 Stock Plan, thus resulting in an increase in the number of shares available for issuance under the 2020 Stock Plan. Accordingly, a total of 834,246 shares of Class A Stock are reserved for issuance under the 2020 Stock Plan as a result of the forfeiture of options issued under our Company’s now expired 2010 Stock Plan, for a total of 8,556,053 shares of Class A Stock that may be issued pursuant to stock awards under the 2020 Stock Plan. If awards granted under the 2020 Stock Plan expire or otherwise terminate without being exercised in full, the shares of Common Stock not acquired pursuant to such awards will again become available for issuance under the 2020 Stock Plan. If shares of Common Stock issued pursuant to awards under the 2020 Stock Plan are forfeited to or repurchased by us, the forfeited or repurchased stock will again become available for issuance under the 2020 Stock Plan. If shares

of Common Stock subject to an award under the 2020 Stock Plan are not delivered to a participant because such shares are withheld for payment of taxes incurred in connection with the exercise of an award, or because the award is exercised through a reduction of shares subject to the award (“net exercised”), the undelivered shares will no longer be available for issuance under the 2020 Stock Plan. The maximum number of shares that may be issued upon the exercise of Incentive Stock Options may not exceed 8,556,053 shares of Class A Stock and 200,000 shares of Class B Stock.

On April 27, 2026, our Compensation Committee awarded RSUs covering 702,016 shares of Class A Stock. As of the date of this Report, we have 8,556,053 shares of Class A Stock and 200,000 share of Class B reserved for issuance under our 2020 Stock Incentive Plan of which 6,191,083 are already committed for the issuance of outstanding stock opinions, restricted stock units and performance restricted stock units as of the date of this Proxy Statement.

Eligibility

Incentive stock options may be granted under the 2020 Stock Plan only to employees of our Company and its affiliates. Employees, directors and consultants of our Company and its affiliates are eligible to receive all other types of awards under the 2020 Stock Plan. No incentive stock option may be granted under the 2020 Stock Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of our Company or any affiliate of our Company, unless the exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant and the term of the option does not exceed five years from the date of grant. In addition, to the extent the aggregate fair market value, determined at the time of grant, of the shares of Common Stock with respect to which incentive stock options are exercisable for the first time by any option holder during any calendar year (under the 2020 Stock Plan and any other such plans of the Company and its affiliates) exceeds \$100,000, then the options which exceed such limit are treated as nonstatutory stock options. As of the record date, our Company and its subsidiaries had approximately 2,000 employees, and 3 non-employee directors. No incentive stock options, RSUs or PRSUs have been granted to any consultant of the Company.

Terms of Options

Options may be granted under the 2020 Stock Plan pursuant to stock option agreements. The following is a description of the permissible terms of options under the 2020 Stock Plan. Individual option grants may be more restrictive as to any or all of the permissible terms described below.

Exercise Price; Payment

The exercise price of incentive stock options may not be less than the fair market value of the Common Stock subject to the option on the date of the grant and, in some cases (see “Eligibility” above), may not be less than 110% of such fair market value. The exercise price of nonstatutory options may not be less than the fair market value of the Common Stock on the date of grant. The exercise price of options granted under the 2020 Stock Plan must be paid, at the election of the option holder, either (i) in cash at the time the option is exercised, (ii) by delivery of other Common Stock, (iii) pursuant to a net exercise arrangement, (iv) pursuant to a cashless exercise, or (v) in any other form of legal consideration acceptable to our Board.

Vesting

Options granted under the 2020 Stock Plan may become exercisable in cumulative increments, or “vest,” as determined by our Board. Our Board has the power to accelerate the time as of which an option may vest or be exercised.

Tax Withholding

To the extent provided by the terms of an option, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of such option by a cash payment upon exercise, by authorizing our Company to withhold a portion of the stock otherwise issuable to the participant, by delivering already-owned Common Stock or by a combination of these means.

Term

The maximum term of options under the 2020 Stock Plan is ten years, except that in certain cases (see “Eligibility”) the maximum term is five years. Options awarded under the 2020 Stock Plan generally will terminate three months after termination of the participant’s service unless: (i) such termination is due to the participant’s permanent and total disability (as defined in the Code), in which case the option may, but need not, provide that it may

be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months of such termination; (ii) the participant dies before the participant's service has terminated or within the period (if any) specified in the stock option agreement after termination of such service for a reason other than death, in which case the option may, but need not, provide that it may be exercised (to the extent the option was exercisable at the time of the participant's death) within 12 months following the participant's death by the person or persons to whom the rights to such option pass by will or by the laws of descent and distribution; or (iii) the option, by its terms, specifically provides otherwise. A participant may designate a beneficiary who may exercise the option following the participant's death. Individual option grants by their terms may provide for exercise within a longer period of time following termination of service. A participant's option agreement may provide that if the exercise of the option following the termination of the participant's service would be prohibited because the issuance of stock would violate the registration requirements under the Securities Act of 1933, then the option will terminate on the earlier of (i) the expiration of the term of the option or (ii) three months after the first date on which the exercise of the option would not be in violation of such registration requirements.

Restrictions on Transfer

The participant may not transfer an incentive stock option otherwise than by will or by the laws of descent and distribution. During the lifetime of the participant, only the participant may exercise an incentive stock option. The Board may grant nonstatutory stock options that are transferable to the extent provided in the stock option agreement.

Terms of Stock Bonus Awards, Restricted Stock Awards, SARs, and RSUs

Stock bonus awards may be granted under the 2020 Stock Plan pursuant to stock bonus agreements. Restricted stock awards may be granted under the 2020 Stock Plan pursuant to restricted stock purchase agreements. SARs may be granted under the 2020 Stock Plan pursuant to stock appreciation right agreements. RSUs may be granted under the 2020 Stock Plan pursuant to restricted stock unit agreements.

Payment

Our Board determines the purchase price under a restricted stock purchase agreement, but the purchase price may not be less than the par value, if any, of the Common Stock on the date such award is made or at the time the purchase is consummated. Our Board may award stock bonuses in consideration of past services without a purchase payment. The purchase price of SARs must be at a "strike price" of not less than the fair market value of the stock on the date the SAR is awarded. The purchase price of stock acquired pursuant to a restricted stock purchase agreement or SARs under the 2020 Stock Plan must be paid either in cash at the time of purchase, in shares of Common Stock or in any other form of legal consideration acceptable to our Board. An RSU may be awarded upon the passage of time, the attainment of performance criteria or the satisfaction or occurrence of such other events established by our Board.

Vesting

Shares of stock awarded under a stock bonus agreement may, but need not, be subject to a repurchase option in favor of our Company in accordance with a vesting schedule as determined by our Board. Unless the stock bonus agreement provides otherwise, all shares subject to the agreement will become fully vested upon the occurrence of a "Corporate Transaction" (as such term is defined in the 2020 Stock Plan) pursuant to subsection 11(c) of the 2020 Stock Plan. Shares of stock acquired under the restricted stock purchase agreement may, but need not, be subject to forfeiture to our Company or be subject to other restrictions that will lapse in accordance with a vesting schedule to be determined by the Board. SARs and RSUs may be subject to vesting at the discretion of our Board.

Termination of Service

Upon termination of a participant's service, our Company may reacquire any shares of stock that have not vested as of such termination under the terms of the stock bonus agreement. Our Company will not exercise its repurchase option until at least six months (or such longer or shorter period of time required to avoid a change to earnings for financial accounting purposes) have elapsed following receipt of the stock bonus unless otherwise specifically provided in the stock bonus agreement. Upon termination of a participant's service, any or all of the shares of Common Stock held by the participant that have not vested as of the date of termination under the terms of a restricted stock purchase agreement will be forfeited to our Company in accordance with the restricted stock purchase agreement. Upon termination of a participant's service, any SARs that have not vested as of the date of termination will be forfeited. SARs awarded under the 2020 Stock Plan generally will terminate three months after termination of the participant's

service unless: (i) such termination is due to the participant's permanent and total disability (as defined in the Code), in which case the SAR may, but need not, provide that it may be exercised (to the extent the SAR was exercisable at the time of the termination of service) at any time within 12 months of such termination; (ii) the participant dies before the participant's service has terminated or within the period (if any) specified in the SAR agreement after termination of such service for a reason other than death, in which case the SAR may, but need not, provide that it may be exercised (to the extent the SAR was exercisable at the time of the participant's death) within 12 months following the participant's death by the person or persons to whom the rights to such SAR pass by will or by the laws of descent and distribution; or (iii) the SAR, by its terms, specifically provides otherwise. A participant may designate a beneficiary who may exercise the SAR following the participant's death. Individual SAR grants by their terms may provide for exercise within a longer period of time following termination of service. Upon termination of a participant's service, any RSUs that have not vested as of the date of termination will be forfeited to our Company.

Restrictions on Transfer

Rights under a stock bonus agreement or restricted stock purchase agreement may not be transferred except where such transfer is expressly authorized by the terms of the applicable stock bonus agreement or restricted stock purchase agreement. An RSU is subject to similar transfer restrictions as awards of restricted stock, except that no shares are actually awarded to a participant who is granted RSUs on the date of grant, and such participant has no rights of a stockholder with respect to such RSUs until the restrictions set forth in the restricted stock unit agreement have lapsed.

Adjustment Provisions

If any change is made to the outstanding shares of Common Stock without our Company's receipt of consideration (whether through merger, consolidation, reorganization, stock dividend or stock split, or other specified change in the capital structure of our Company), appropriate adjustments will be made to the class and maximum number of shares of Common Stock subject to the 2020 Stock Plan and the class and maximum number of shares of Common Stock that may be issued upon the exercise of incentive stock options under the 2020 Stock Plan. In that event, outstanding awards will also be adjusted in the class, number of shares and price per share of Common Stock subject to such awards.

Effect of Certain Corporate Events

In the event of a "Corporate Transaction" (as defined in the 2020 Stock Plan), any surviving or acquiring corporation may assume awards outstanding under the 2020 Stock Plan or may substitute similar awards. Unless the stock award agreement provides otherwise, in the event any surviving or acquiring corporation does not assume such awards or substitute similar awards, then the awards will terminate if not exercised at or prior to such event. The 2020 Stock Plan provides that, in the event of a dissolution or liquidation of our Company, all outstanding awards under the 2020 Stock Plan will terminate prior to such event and shares of bonus stock and restricted stock subject to our Company's repurchase option or to forfeiture may be repurchased by our Company or forfeited, notwithstanding whether the holder of such stock is still providing services to our Company.

Duration, Amendment and Termination

Our Board may suspend or terminate the 2020 Stock Plan without stockholder approval or ratification at any time or from time to time. Unless sooner terminated, the 2020 Stock Plan will terminate on November 4, 2030. The Board may also amend the 2020 Stock Plan at any time, and from time to time. However, except as provided in Section 11 of the 2020 Stock Plan relating to adjustments upon changes in common stock, no amendment will be effective unless approved by our stockholders to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code, Rule 16b-3 under the Securities Exchange Act of 1934 or any securities exchange listing requirements. Our Board may submit any other amendment to the 2020 Stock Plan for stockholder approval.

Clawback of Certain Benefits

All stock awards issued under the 2020 Stock Plan are subject to reduction, cancellation, forfeiture and recoupment to the extent necessary to comply with applicable law or the NASDAQ Listing Rules as provided in our 2023 Clawback Policy (described in greater detail below). An acceptance of a stock award under the 2020 Stock Plan is an agreement by the participant to be bound by any such laws or rules and that policy.

Federal Income Tax Information

The following is a summary of the principal United States federal income tax consequences to the participant and us with respect to participation in the 2020 Stock Plan. This summary is not intended to be exhaustive and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

Incentive Stock Options

There will be no federal income tax consequences to either us or the participant upon the grant of an incentive stock option. Upon exercise of the option, the excess of the fair market value of the stock over the exercise price, or the “spread,” will be added to the alternative minimum tax base of the participant unless a disqualifying disposition is made in the year of exercise. A disqualifying disposition is the sale of the stock prior to the expiration of two years from the date of grant of the option and one year from the date of exercise of the option. If the shares of Common Stock are disposed of in a disqualifying disposition, the participant will realize taxable ordinary income in an amount equal to the spread at the time of exercise, and we will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation) to a federal income tax deduction equal to such amount. If the participant sells the shares of Common Stock after the specified periods, the gain or loss on the sale of the shares will be long-term capital gain or loss and we will not be entitled to a federal income tax deduction.

Nonstatutory Stock Options and Restricted Stock Purchase Awards

Nonstatutory stock options and restricted stock purchase awards granted under the 2020 Stock Plan generally have the following federal income tax consequences. With respect to nonstatutory stock options, there are no tax consequences to the participant or us by reason of the grant. With respect to restricted stock purchase awards and the exercise of nonstatutory stock options, upon acquisition of the stock, the participant will recognize taxable ordinary income equal to the excess, if any, of the stock’s fair market value on the acquisition date over the purchase price. However, to the extent the stock is subject to “a substantial risk of forfeiture” (as defined in Section 83 of the Code), the taxable event will be delayed until the forfeiture provision lapses unless the participant elects to be taxed on receipt of the stock by making a Section 83(b) election within 30 days of receipt of the stock. If such election is not made, the participant generally will recognize income as and when the forfeiture provision lapses, and the income recognized will be based on the fair market value of the stock on such future date. On that date, the participant’s holding period for purposes of determining the long-term or short-term nature of any capital gain or loss recognized on a subsequent disposition of the stock will begin. If a participant makes a Section 83(b) election, the participant will recognize ordinary income upon receipt of the stock equal to the difference between the stock’s fair market value as of the date of receipt of the stock and the purchase price, if any, as of the date of receipt and the holding period for purposes of characterizing as long-term or short-term any subsequent gain or loss will begin at the date of receipt. If stock underlying an award for which an 83(b) election was made does not vest and is forfeited, the award recipient does not recognize a deduction for the loss but does recognize a capital loss in an amount equal to the ordinary income recognized as a result of the 83(b) election less any amount recouped by the participant as a result of the forfeiture. With respect to employees, we are generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant. Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) with respect to the stock. Such gain or loss will be long-term or short-term depending on whether the stock has been held for more than one year.

Stock Bonus Awards

Upon receipt of a stock bonus award, if the shares are not subject to a “substantial risk of forfeiture” the participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for those shares. We will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code, and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the participant. However, if the shares issued upon the grant of a stock bonus award are subject to a “substantial risk of forfeiture”, the participant will not recognize any taxable income at the time of issuance, but will have to report as ordinary income, as

and when the “substantial risk of forfeiture” lapses, in an amount equal to the excess of the fair market value of the shares on the date the risk of forfeiture lapses over the purchase price, if any, paid for the shares. The participant may, however, elect under Section 83(b) of the Code to include as ordinary income in the year of issuance an amount equal to the excess of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the participant will not recognize any additional income, nor we will be entitled to a deduction, as and when the risk of forfeiture lapses. With respect to employees, we are generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant. Upon disposition of the stock acquired upon the receipt of a stock bonus award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon issuance (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year.

Restricted Stock Units

Restricted stock unit awards granted under the 2020 Stock Plan generally have the following federal income tax consequences. There are no tax consequences to the participant or us by reason of the grant. Upon settlement of the award, the participant will recognize taxable ordinary income equal to the amount of cash received upon settlement or, if the award is settled in stock, the stock’s fair market value on the acquisition date. With respect to employees, we are generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant. Upon disposition of any stock issued upon settlement of the award, the participant will recognize a capital gain or loss equal to the difference between the selling price and the amount recognized as ordinary income upon issuance of the stock. Such gain or loss will be long-term or short-term depending on whether the stock has been held for more than one year.

Potential Limitation on Company Deductions

Section 162(m) of the Code denies a deduction to any publicly held corporation for compensation paid to a covered employee in a taxable year to the extent that compensation to such covered employee exceeds \$1,000,000. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from Reading, may cause this limitation to be exceeded in any particular year. A covered employee for a given taxable year is any individual who meets any of the following requirements: (i) is or was our principal executive officer or principal financial officer, or was acting in such a capacity, at any time during the taxable year, (ii) is one of our three most highly compensated officers whose compensation we are required to report to our stockholders pursuant to the Securities Exchange Act of 1934 for such year (excluding individuals described in clause (i)), or (iii) was a covered employee for any taxable year beginning after December 31, 2016.

Parachute Payments

Section 280G of the Code and Section 4999 of the Code impose certain adverse tax consequences on payments or benefits paid to employees or other service providers that are deemed to be contingent upon a change in control of a corporation. In the event of a change in control of us, if there are any payments or benefits (including vesting) with respect to awards issuable under the 2020 Stock Plan that constitute “parachute payments” under Section 280G of the Code (which will depend upon the amount or value of such payments or vesting and the other income of the participant), the participant may be subject to an excise tax (in addition to ordinary income tax) on a portion of the compensation attributable to the awards and we may be disallowed a deduction for a portion of the compensation attributable to the awards.

Section 409A

Section 409A of the Code addresses the federal income tax treatment of all amounts that are nonqualified deferred compensation. The Company intends that awards granted under the 2020 Stock Plan comply with, or otherwise be exempt from, Section 409A of the Code, but makes no representation or warranty to that effect. If the 2020 Stock Plan or the terms of an award fail to meet the requirements of Section 409A with respect to an award, then such award shall remain in effect and be subject to taxation in accordance with Section 409A, which results in accelerated income

recognition to the participant, an excise tax (in addition to ordinary income tax) and penalty interest tax to the participant and accelerated tax withholding and reporting obligations to us.

Vote Required

The approval of this proposal requires the number of votes cast in favor of this proposal to exceed the number of votes cast in opposition to this proposal.

Chair Cotter and Vice-Chair Cotter, who hold, in the aggregate, voting control over an aggregate of 1,208,988 shares, or approximately 72% of our outstanding Class B Stock, have informed the Board that they intend to vote these shares in favor of the 2026 Stock Plan Amendment discussed under Proposal 4 (the Increase to Share Reserve under the 2020 Stock Plan Proposal).

Recommendation of the Board

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE
2026 STOCK PLAN AMENDMENT.**

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee of our Board with respect to our audited financial statements for the fiscal year ended December 31, 2025.

The information contained in this report shall not be deemed to be “soliciting material” or “filed” with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

The purpose of the Audit Committee is to assist our Board in its general oversight of our financial reporting, internal controls and audit functions. The Audit Committee operates under a written charter adopted by our Board. The charter is reviewed periodically and subject to change, as appropriate. The Audit Committee charter describes in greater detail the full responsibilities of the Audit Committee.

In this context, the Audit Committee has reviewed and discussed the Company’s audited financial statements with management and Grant Thornton LLP, our independent auditors. Management is responsible for: the preparation, presentation and integrity of our financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, internal control over financial reporting. Grant Thornton LLP is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with Grant Thornton LLP the matters required to be discussed by Auditing Standard No. 16, “Communications with Audit Committees”. In addition, Grant Thornton LLP has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No. 1, as amended, “Independence Discussions with Audit Committees,” and the Audit Committee has discussed with Grant Thornton LLP their firm’s independence.

Based on their review of the consolidated financial statements and discussions with and representations from management and Grant Thornton referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2025 for filing with the SEC.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that our financial statements are complete and accurate and in accordance with accounting principles generally accepted in the United States. That is the responsibility of management and our independent registered public accounting firm.

In giving its recommendation to our Board, the Audit Committee relied on (1) management’s representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and (2) the report of our independent registered public accounting firm with respect to such financial statements.

Respectfully submitted by the Audit Committee.

EXECUTIVE COMPENSATION

Executive Compensation

Role and Authority of the Compensation Committee

Background

As a “controlled company”, we are exempt from the Nasdaq Listing Rules regarding the determination of executive compensation solely by independent directors. Notwithstanding such exemption, we have established a standing Compensation Committee consisting of three (3) of our independent Directors. Our Compensation Committee charter requires our Compensation Committee members to meet the independence rules and regulations of the SEC and the Nasdaq Stock Market (“Nasdaq”).

Our Executive Compensation Philosophy

Our executive compensation philosophy is to: (1) attract and retain talented and dedicated management team members; (2) provide overall compensation as competitive in our industry; (3) correlate annual cash bonuses to the achievement of our business and financial objectives; and (4) provide management team members with appropriate long-term incentives aligned with stockholder value. While we believe that our entire executive compensation package contributes to these goals, the base salaries we offer generally support goals 1 and 2 above, our short-term incentive (“STI”) bonuses historically supported goals 1, 2 and 3 above, our long-term incentives (“LTI”) generally support goals 1, 2 and 4 above.

In recent periods, due principally to the impacts on our liquidity from the COVID-19 pandemic, the 2023 Hollywood Strikes and other factors beyond the reasonable control of management (such as historic increases in global interest rates, inflation and other theater level expenses), and to prudently reduce cash outflows, we did not pay cash bonuses to our senior executive team. Instead, in 2024 and 2025, we granted stock options to certain executives to acquire an aggregate of up to 1,436,289 and 2,305,499 shares, respectively, of Class A Common Stock, instead of paying out cash bonuses. For year 2025 incentive compensation, paid or granted in 2026, we likewise determined not to pay cash bonuses and, instead, have granted RSUs covering up to 702,016 shares of Class A Common Stock. Due to our determination to use stock options and RSUs rather than pay cash bonuses, we used authorized shares under the equity plan more quickly than anticipated. Given the number of stock options and RSUs granted in these periods and the potential dilutive effect of such grants, we determined not to issue LTIs in 2024, 2025 and 2026.

The Compensation Committee anticipates adjusting our compensation program in the future to place more emphasis on the use of RSUs (to reduce the impact on stockholder dilution) and, when prudent, to return to the use of cash to pay short term incentive bonuses. Despite inflation, our three most highly compensated executives have not received salary increases since 2023.

Compensation Committee Charter

Our Compensation Committee Charter delegates significant executive compensation responsibilities to our Compensation Committee, including:

- to establish our compensation philosophy and objectives;
- to review and approve all compensation, for our CEO and our executive officers;
- to approve all employment agreements, severance arrangements, change in control provisions and agreements and any special or supplemental benefits applicable to our CEO and other executive officers;
- to approve and adopt, on behalf of our Board, incentive compensation and equity-based compensation plans, or, in the case of plans requiring stockholder approval, to review and recommend such plan to the stockholders;

- to review the disclosures made in the Compensation Discussion and Analysis and advise our Board whether, the Compensation Discussion and Analysis is satisfactory for inclusion in our annual report on Form 10-K and proxy statement;
- to prepare an annual compensation committee report for inclusion in our proxy statement for the annual meeting of stockholders;
- to administer our equity-based compensation plans, including the grant of stock options and other equity awards under such plans; and
- to consider the results of the most recent stockholder advisory vote on executive compensation when determining compensation policies and making decisions on executive compensation.

Under our Compensation Committee Charter, any compensation determinations pertaining to Ellen M. Cotter and Margaret Cotter are subject to review and approval by our Board. Further, our Compensation Committee periodically reviews and makes recommendations to our Board regarding Director compensation.

The Compensation Committee Charter is available on our website at [Reading International - Governance Overview](#).

Compensation Setting Process

Considering the Company's 2025 liquidity condition, the continuing headwinds faced by our global cinema business and our efforts to manage and utilize our real estate business for cash flow and liquidity sources, our Compensation Committee continued to execute NEO compensation decisions in a conservative and prudent manner.

Our Compensation Committee considered the prudent use of base salaries, STI bonuses and LTI equity grants. In its analysis, our Compensation Committee relied on, among other things, input from our Chief Executive Officer, review of Company financial data and review of historical NEO compensation data.

For 2025, our Compensation Committee (i) maintained, without base salary increases, existing annual base salaries through such year for our NEOs and (ii) did not grant any cash bonuses under our STI program, but, instead issued stock options (valued according to the Black Scholes method) to purchase Class A Non-Voting Common Stock. In light of our need to conserve cash, the Compensation Committee granted options in a number tied to a potential cash bonus based on each NEO attaining certain Company and individual goals. These stock options have an exercise price of \$1.43 per share (determined by the market price for Class A Non-Voting Common Stock), a one year vesting period and a five year exercise period. In light of the prudent course the Compensation Committee took related to compensation issues in 2025 due to the headwinds faced by the global cinema business, coupled with an evaluation of the stock options granted to NEOs, the Compensation Committee did not issue LTI awards for 2025.

As it does annually, in early 2025, our Compensation Committee approved objective performance goals for each NEO based on target Company performance and individual NEO performance goals. In 2026, our Compensation Committee evaluated the target Company and individual NEO performance goals against 2025 results. Our Compensation Committee determined that certain objective corporate performance criteria had been met and, as a result, the portion of outstanding PRSUs issued to NEOs prior to 2025 that were based on 2025 performance were determined to have been vested.

This discussion covers executive compensation matters for the year ended December 31, 2025, and does not reflect information for subsequent years, including 2026.

Our Compensation Committee expects that it will continue to evaluate both executive performance and compensation to maintain our ability to attract and retain highly qualified executives in key positions and to assure that compensation provided to executives remains competitive when compared to the compensation paid to similarly situated executives of companies with whom we compete for executive talent or that we consider comparable to our Company.

Executive Officer Clawback Policy

On November 29, 2023, our Board adopted an Executive Officer Clawback Policy, in compliance with Nasdaq Stock Market Listing Rules (the "[2023 Clawback Policy](#)").

Any STI cash payment made to our NEOs is subject to forfeiture, recovery by our Company or other action pursuant to any agreement evidencing any incentive compensation or any clawback or recoupment policy which our Company may adopt from time to time, including, without limitation, our 2023 Clawback Policy or any other such policy which our Company may be required to adopt under the listing rules of The Nasdaq Capital Market, the Dodd-Frank Wall Street Reform and Consumer Protection Act or any successor or replacement law, and implementing rules and regulations thereunder, or as otherwise required by law.

Under our 2020 Stock Plan, described in above and greater detail under the caption 2020 Stock Plan below, all LTIs or shares issued in respect thereof and cash or other proceeds in respect thereof issued to our NEOs are subject to clawback, reduction, cancellation, forfeiture and recoupment to the extent necessary to comply with applicable law or the listing rules of Nasdaq or other principal stock exchange on which our Common Stock is then listed. In accepting an award under our 2020 Stock Plan, a participant agrees to be bound by any such clawback. Our 2023 Clawback Policy implements the Nasdaq Stock Market Listing Rules in this regard.

Anti-Put/Call/Short Sale Policy

Our NEOs may not trade in puts or calls or engage in short sales with respect to our Company's securities.

Anti-Hedging Policy

Our NEOs may not engage in certain hedging transactions with respect to our Company's securities, such as zero-cost collars, equity swaps, prepaid variable forward contracts and exchange funds.

Compensation Actually Paid and Cumulative Total Shareholder Return ("TSR")

As described in "Executive Compensation — Compensation Overview," our Compensation Committee makes long-term incentive awards in the form of time vested RSUs and PRSUs that are used as a means to further align our NEO's long-term interests with those of our stockholders, with the ultimate objective of affording our executives an appropriate incentive to help drive increases in stockholder value. The following graph demonstrates the relationship between compensation actually paid to our PEO, the average of the compensation actually paid to our remaining non-PEO NEOs and the cumulative TSR of our Company during the last three completed fiscal years. The TSR amounts in the graph assume a fixed investment of \$100 was invested on December 31, 2020.

2020 Stock Incentive Plan

On November 4, 2020, our Board adopted the Reading International, Inc. 2020 Stock Plan and recommended to our stockholders the adoption of that plan. The 2020 Stock Plan was adopted by our stockholders on December 8, 2020. Our Board adopted and recommended the 2020 Stock Plan to provide a means by which employees, directors and consultants of Reading and affiliates may be given an opportunity to benefit from increases in value of our Common Stock, to assist in attracting and retaining the services of such persons, to bind the interests of eligible recipients more closely to our own interests by offering them opportunities to acquire Common Stock and to afford such persons stock-based compensation opportunities that are competitive with those afforded by similar businesses. All of our employees, directors and consultants are eligible to participate in the 2020 Stock Plan.

The following amendments have been made to the original 2020 Stock Plan, and as the context required, the term “2020 Stock Plan” means the plan as originally adopted as amended from time to time:

- On October 26, 2023, our Board adopted the First Amendment to the 2020 Stock Plan, to increase the number of shares available for issuance under our 2020 Stock Plan by an additional 971,807 shares of Class A Non-Voting Common Stock and recommended to our stockholders the adoption of that amendment. The First Amendment was adopted by our stockholders on December 7, 2023; and
- On October 18, 2024, our Board adopted the Second Amendment to the 2020 Stock Plan (together with the First Amendment, the “Plan Amendments”) to increase the number of shares available for issuance under our 2020 Stock Plan by an additional 3,500,000 shares of Class A Non-Voting Common Stock and recommended to our stockholders the adoption of that amendment. The Second Amendment was adopted by our stockholders on December 5, 2024.

If awards granted under the 2020 Stock Plan expire or otherwise terminate without being exercised in full, the shares of Common Stock not acquired pursuant to such awards will again become available for issuance under the 2020 Stock Plan. If shares of Common Stock issued pursuant to awards under the 2020 Stock Plan are forfeited to or repurchased by us, the forfeited or repurchased stock will again become available for issuance under the 2020 Stock

Plan. If shares of Common Stock subject to an award under the 2020 Stock Plan are not delivered to a participant because such shares are withheld for payment of taxes incurred in connection with the exercise of an award, or because the award is exercised through a reduction of shares subject to the award (“net exercised”), the undelivered shares will no longer be available for issuance under the 2020 Stock Plan.

Subject to the approval of stockholders, our Board adopted a further amendment to the 2020 Stock Plan on October 21, 2026, to increase the number of shares of Class A Stock remaining available for issuance under the 2020 Stock Plan by 2,000,000 shares of Class A Stock. This amendment is being presented to the holders of our Class B Stock as Proposal 4 to this Proxy Statement. A description of the 2020 Stock Plan is set forth above in the discussion of Proposal 4.

Potential Payments Upon Termination of Employment or Change in Control

The following paragraphs provide information regarding potential payments to each of our NEOs in connection with certain termination events, including a termination related to a change of control of the Company, as of December 31, 2025:

Certain Retirement Benefits. On August 29, 2017, our Compensation Committee approved a one-time retirement benefit for Craig Tompkins, Executive Vice President and General Counsel, incident to his retention as our General Counsel. The retirement benefit is a single year benefit in an amount equal to the average of the two (2) highest total cash compensation (base salary plus cash bonus) years paid to Mr. Tompkins in the then most recently completed five-year period, less the amount of \$197,060, accrued to Mr. Tompkins under a separate vested benefit program established by one of the two companies acquired by our Company as a part of the consolidation transaction in 2000.

Option and RSU and PRSU Grants. All long-term incentive awards are subject to other terms and conditions set forth in our 2020 Stock Plan and award grants. In addition, individual grants include certain accelerated vesting provisions. In the case of employees, the accelerated vesting will be triggered upon (i) the award recipient's death or disability, (ii) certain corporate transactions in which the awards are not replaced with substantially equivalent awards, or (iii) upon termination without cause or for "good reason" within twenty-four months of a change of control, or a corporate transaction where equivalent awards have not been substituted. RSUs issued to our non-employee Directors provide for acceleration immediately upon a change of control.

Except as described above, no other NEOs currently have employment agreements or other arrangements providing benefits upon termination or a change of control.

The table below shows the maximum benefits that would be payable to each person listed above in the event of such person's termination without cause or termination in connection with a change in control, if such events occurred on December 31, 2025, assuming the transaction took place on December 31, 2025, at a price equal to the closing price of the Class A Non-Voting Common Stock, which was \$1.05.

(1) Mr. Tompkins's one-time retirement benefit is a single year payment based on the average of the two highest total cash compensation (base salary plus cash bonus) years paid to Mr. Tompkins in the most recently completed five-year period, reduced by the retirement benefit paid to Mr. Tompkins from the Craig Corporation Key Personnel Retirement Plan in the amount of \$197,060. The figure quoted in the table represents the average of total compensation paid for years 2021 and 2023.

Employment Agreements

As of December 31, 2025, our NEOs had no employment agreements in place.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The members of our Audit Committee are Directors Douglas McEachern, who serves as Chairperson, Guy Adams and Dr. Judy Coddington. Management presents all potential related party transactions to the Audit Committee for review. Our Audit Committee reviews whether a given related party transaction is beneficial to our Company and approves or bars the transaction after a thorough analysis. Only committee members disinterested in the transaction in question participate in the determination of whether the transaction may proceed. See the discussion entitled “Review, Approval or Ratification of Transactions with Related Persons” for additional information regarding the review process.

Sutton Hill Capital

In 2001, we entered into a transaction with Sutton Hill Capital, LLC (“SHC”) regarding the master leasing, with certain options to purchase the underlying ground lease interests, of four cinemas located in Manhattan including our current Village East and Cinema 1,2&3 theaters. At the time of this transaction, SHC was controlled by Sutton Hill Associates, a California partnership, of which Mr. James J. Cotter, Sr. was the managing general partner. At this time, Mr. Cotter was also the Chairman, Chief Executive Officer and controlling shareholder of our Company. Over the years, this master lease was amended from time to time, to reflect the sale or closing of some of the cinemas subject to that master lease, our acquisition in 2005 of the land underlying our Cinema 1,2&3 theater and our exercise in 2019 of our option to acquire the ground lease underlying our Village East theatre. These various amendments, the acquisition of the land underlying our Cinema 1,2&3, theater and the exercise of our option to acquire the ground lease underlying our Village East theatre are described in greater detail in our prior public reports. In 2014, Mr. Cotter passed away and since that time, his interest in Sutton Hill Associates passed to his estate, which is being administered by Ellen Cotter and Margaret Cotter. Ellen Cotter and Margaret Cotter have no pecuniary interest in Sutton Hill Associates, but all transactions by our Company related to the master lease and/or Sutton Hill Associates were nevertheless reviewed and approved by our Audit Committee.

On December 19, 2025, with the intention of winding up our various dealings with SHC, we acquired all of the general partnership interests in Sutton Hill Associates, owned by the James J. Cotter Estate (the “Cotter Estate”) and the Michael R. Forman Living Trust (the “Forman Trust”) which general partnership interests comprise the entire ownership of Sutton Hill Associates. As a consequence of this transaction, we now own SHC and all of its assets, including its interest in our Cinema 1,2&3 theater and the ground lease underlying our Village East theater. The purchase price was \$1.00, but our Company took ownership subject to certain third party indebtedness of Sutton Hill Associates, which included long term debt under certain promissory notes issued to a third party (the “Third Party Notes”). The Third Party Notes have an aggregate principal amount of approximately \$13.65 million, bear interest at 4.75% payable quarterly in arrears, and mature (at which time the entire principal amount and any accrued and unpaid interest are due and payable) on September 30, 2035. During 2025, we made one payment of interest in the amount of \$162,069.47, which payment was made on December 31, 2025. Similar payments were made on March 31, 2026, June 30, 2026 and September 30, 2026. In connection with the closing of the transaction, Sutton Hill Associate’s obligations under the Third Party Notes were guaranteed by RDI. The impact of the transaction on our financial statements was immaterial.

Live Theater Play Investment

From time to time, our officers and Directors may invest in plays that license our live theatres. The play *STOMP*, played in our Orpheum Theatre prior to the time we acquired the theatre in 2001, until its final show on January 8, 2023. The Cotter Estate and a third party together own an approximately 5% interest in that play, an interest that they have held since prior to our acquisition of the theatre.

Review, Approval or Ratification of Transactions with Related Persons

Our Audit Committee has adopted a written charter, which includes responsibility for approval of “Related Party Transactions.” Under its charter, our Audit Committee performs the functions of the “Conflicts Committee” of our Board and is delegated responsibility and authority by our Board to review, consider and negotiate, and to approve or disapprove on behalf of our Company the terms and conditions of any and all Related Party Transactions (defined below) with the same effect as though such actions had been taken by our full Board. Any such matter requires no further action by our Board in order to be binding upon our Company, except in the case of matters that, under applicable Nevada law, cannot be delegated to a committee of our Board and must be

determined by our full Board. In those cases where the authority of our Board cannot be delegated, the Audit Committee nevertheless provides its recommendation to our full Board.

As used in our Audit Committee's Charter, the term "Related Party Transaction" means any transaction or arrangement between our Company on one hand, and on the other hand (i) any one or more directors, executive officers or stockholders holding more than 5% of the voting power of our Company (or any spouse, parent, sibling or heir of any such individual), or (ii) any one or more entities under common control with any one of such persons, or (iii) any entity in which one or more such persons holds more than a 10% interest. Related Party Transactions do not include matters related to employment or employee compensation related issues.

The charter provides that our Audit Committee review transactions subject to the policy and determines whether or not to approve or ratify those transactions. In doing so, our Audit Committee takes into account, among other factors it deems appropriate:

- the approximate dollar value of the amount involved in the transaction and whether the transaction is material to us;
- whether the terms are fair to us, have resulted from arm's length negotiations and are on terms at least as favorable as would apply if the transaction did not involve a related person;
- the purpose of, and the potential benefits to us of, the transaction;
- whether the transaction was undertaken in our ordinary course of business;
- the related person's interest in the transaction, including the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- required public disclosure, if any; and
- any other information regarding the transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.
