PROXY STATEMENT

Annual Meeting of Stockholders

Friday, May 16, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Reading International, Inc. ("RII" or the "Company" and, collectively with its consolidated subsidiaries and corporate predecessors, "Reading"), of proxies for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Friday, May 16, 2003, at 10:00 a.m., and at any adjournment or postponement thereof, at the Millennium Biltmore Hotel, 506 South Grand Avenue, Los Angeles, California. You are requested to sign, date and return the enclosed proxy card in order to ensure that your shares are represented at the meeting.

At the Annual Meeting, stockholders will be asked:

- (i) to consider and vote upon a proposed amendment to the Company's Amended and Restated Articles of Incorporation that would require the Company to obtain stockholder approval of any sale or issuance of 5% or more of the Company's outstanding Class B Voting common stock; and
- (ii) to elect seven directors to the Board of Directors to serve until the 2004 Annual Meeting of Stockholders.

VOTING AND PROXIES

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, will be voted "FOR" the proposed amendment to the Company's Amended and Restated Articles of Incorporation and "FOR" each of the nominees for director. Although management does not know of any other matter to be acted upon at the Annual Meeting, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their judgment with respect to any other matters that may properly come before the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by (i) filing with the Corporate Secretary of the Company, prior to the commencement of the Annual Meeting, a duly executed instrument dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date or (ii) attending the Annual Meeting and voting in person.

In addition to the solicitation by mail, regular employees of the Company may solicit proxies in person or by telephone without additional compensation. The Company also will pay persons holding shares in their own names or in the names of their nominees, but not owning such shares beneficially, for the expenses of forwarding solicitation materials to the beneficial owners. The Company will bear all expenses incurred in soliciting its proxies.

Only stockholders of record of Class B Voting common stock, \$0.01 par value (the "Class B Voting Stock"), of the Company at the close of business on March 27, 2003 are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. On that date, there were 1,336,331 shares of Class B Voting Stock outstanding. Stockholders are entitled to one vote for each share of Class B Voting Stock held of record. Holders of record of the Company's Class A Nonvoting common stock, \$0.01 par value (the "Class A Nonvoting Stock"), are being sent this Proxy Statement for their information only, but will have no voting rights.

Table of Contents

The presence, in person or by proxy, of the holders of shares of stock entitling them to cast a majority of the votes entitled to be cast at the Annual Meeting will constitute a quorum. Abstentions will be counted for purposes of determining the presence of a quorum, as will broker non-votes, provided authority is given to attend the meeting or to vote on any matter to come before the meeting. Directors are elected by a plurality vote, so abstentions and broker non-votes will not affect the outcome of the election of directors. Adoption of the proposed amendment to the Company's Amended and Restated Articles of Incorporation requires the affirmative vote of a majority of the outstanding shares of Class B Voting Stock. Accordingly, abstentions and non-broker votes will have the same effect as a vote against the proposed amendment.

PROPOSED AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION

On March 13, 2003, the Company's Board of Directors unanimously approved and declared the advisability of an amendment to the Amended and Restated Articles of Incorporation of the Company, a copy of which is attached as Annex A to this Proxy Statement. The Audit and Conflicts Committee of the Board, consisting entirely of independent directors, unanimously recommended that the Board approve the amendment. The amendment was originally proposed to the Board of Directors by Mr. James J. Cotter, the Company's Chairman, Chief Executive Officer, and principal stockholder.

The amendment generally would require that the Company obtain the approval of the holders of a majority of the Company's outstanding Class B Voting Stock before selling or issuing additional Class B shares representing 5% or more of the then-outstanding Class B shares. The amendment would not apply, however, to sales and issuances of Class B shares upon the exercise of currently outstanding stock options. Adoption of the amendment would mean, among other things, that it would thereafter be highly unlikely that the Company's Board of Directors would be able to authorize a transaction involving the sale or issuance of Class B Voting Stock that would cause a change of the voting control of the Company without the approval of the holders of Class B Voting Stock.

AMEX Listing Standards

The amendment is modeled on American Stock Exchange requirements that listed companies such as the Company obtain stockholder approval as a prerequisite to the listing of additional shares to be sold or issued in transactions that would result in significant dilution to existing stockholders. Specifically, Section 712 of the *American Stock Exchange Company Guide* requires stockholder approval where shares are to be issued as sole or partial consideration for an acquisition of the stock or assets of another company if:

- the present or potential issuance of common stock, or securities convertible into common stock, could result in an increase in outstanding common shares of 20% or more.

Similarly, Section 713 of the *American Stock Exchange Company Guide* requires stockholder approval of any transaction, other than a "public offering," involving:

- the sale, issuance, or potential issuance by the [listed] company of common stock (or securities convertible into common stock) equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock.

The language of the amendment tracks closely the text of Section 712, but differs in two respects: First, the amendment would apply to any proposed sale or issuance of Class B Voting Stock, not just sales and issuances in consideration for the Company's acquisition of stock or assets of another person. Second, the amendment would apply if 5% or more of the Class B Voting Stock were to be sold or issued, as opposed to the 20% threshold contained in Section 712. The amendment also is similar to Section 713, but it eliminates any reference to the transaction price of the shares to be sold or issued and does not include any exception for a "public offering."

Interest of Mr. Cotter

Mr. James J. Cotter, the Chairman of the Board and Chief Executive Officer of the Company, owns approximately 24.5% of the currently outstanding shares of Class B Voting Stock. By reason of his current

Table of Contents

ownership of Class B shares, Mr. Cotter is able to significantly affect the outcome of matters submitted to a vote of the Class B holders. Mr. Cotter also holds currently exercisable stock options which, if exercised in full, would give him ownership of approximately 53.5% of the shares of Class B Voting Stock that would be outstanding immediately after such exercise. If he were to acquire more than 50% of the outstanding Class B shares through the exercise of his options, Mr. Cotter would be able to control the outcome of all matters submitted to the Class B holders.

Under the terms of Mr. Cotter's stock option agreements, he may use shares of the Company's Class A Nonvoting Stock owned by him to pay the exercise price of his options. Since he currently owns over 4,000,000 shares of Class A Nonvoting Stock, at present Mr. Cotter could exercise all of his options to acquire Class B Voting Stock using solely shares of Class A Nonvoting Stock. Mr. Cotter's currently exercisable options to acquire Class B Voting Stock have per-share exercise prices of \$5.06 (as to 696,080 shares) and \$10.24 (as to 137,500 shares), respectively.

In light of Mr. Cotter's ownership of Class B Voting Stock and currently exercisable options to purchase Class B shares, at present it is unlikely that the Board could bring about a change of control of the Company without Mr. Cotter's approval given the existing stockholder approval requirements imposed by the American Stock Exchange rules described above. The amendment will, however, virtually eliminate such a possibility. In this respect, Mr. Cotter may be deemed to have an interest in the adoption of the proposed amendment that differs from that of the Company's other stockholders.

Recent Trends in Corporate Governance

In the wake of well-publicized corporate scandals involving Enron, Worldcom and other public companies, there has been a trend by the SEC, the American Stock Exchange and other stock exchanges to facilitate increased stockholder involvement in corporate governance and to require stockholder approval of corporate matters that affect them. The Board of Directors believes that the proposed amendment is consistent with this trend in stockholder democracy, since it effectively prohibits the Board from changing the voting control of the Company except with the approval of the holders of Class B Voting Stock. The Board also believes that adoption of the proposed amendment may serve to enhance the attractiveness of the Company's Class A Nonvoting Stock, since potential targets of acquisition by the Company would be encouraged to receive Class A shares in a possible transaction rather than seeking to negotiate for Class B shares.

The Board also is of the view that the market currently understands that the Company is substantially under the control of Mr. Cotter. When investors make a decision to buy or to hold the Company's securities, presumably it is based in part on an expectation that such control will continue. Accordingly, the proposed amendment is consistent with market expectations, and will provide further assurances to investors who decide to purchase or hold based upon an expectation of Mr. Cotter's continuing stewardship. The amendment may, however, have the effect of discouraging potential acquirors of the Company, because it will not be possible for a bidder to acquire the Company without the approval of the holders of the Class B Voting Stock, including Mr. Cotter. The Company knows of no current or anticipated bid for the Company by a potential acquiror.

Vote Required; Recommendation of the Board

The proposed amendment will be adopted if it is approved at the Annual Meeting by the affirmative vote of the holders of a majority of the outstanding shares of Class B Voting Stock entitled to vote at the Annual Meeting. As indicated above, Mr. Cotter owns 327,808 shares of Class B Voting Stock, representing approximately 24.5% of the shares entitled to vote at the Meeting. Mr. Cotter has stated that he intends to vote for adoption of the Amendment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ADOPTION OF THE AMENDMENT.

If approved at the Annual Meeting, it is expected that the amendment will be implemented immediately.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers, directors and persons who own more than 10% of the Company's Common Stock to file reports to ownership and changes in ownership with the SEC. Indemnity Agreements

On June 27, 1990, the Board authorized RII to enter into indemnity agreements with its then current directors and officers. Since that time, RII's new officers and directors have also entered into such agreements. In connection with the Consolidation of the Company with Craig and REI at the end of 2001, the stockholders of RII approved a new form of indemnity agreement. Under such agreements, RII, generally speaking, agrees to indemnify its officers and directors against all expenses, liabilities and losses incurred in connection with any threatened, pending or contemplated action, suit or proceeding, whether civil or criminal, administrative or investigative, to which any such officer or director is a party or is threatened to be made a party, in any manner, based upon, arising from, relating to or by reason of the fact that he is, was, shall be or shall have been an officer or director, employee, agent or fiduciary of RII. Each of the current directors and executive officers of RII is a party to an indemnity agreement with RII. Similar agreements also exist between RII and certain officers and directors of its subsidiaries.

Compensation of Directors

For their services as a director other than the Chairman of the Board, directors who are not officers or employees of the Company received in 2002 an annual retainer of \$15,000 plus \$1,500 for each committee chairmanship, \$800 for each in-person meeting attended and \$300 for each telephonic meeting. The Chairman of the Board received \$45,000 annually, which is included as part of his \$545,000 total annual compensation. In addition, directors who are not officers or employees of the Company receive, upon joining the Board, immediately vested options to purchase 20,000 shares of Class A Nonvoting Stock at an exercise price equal to the market price of such securities at the time of grant. Messrs. Barr and James J. Cotter, Jr. were granted options to purchase 20,000 shares each of the Company's Class A Nonvoting Stock on March 27, 2002 at an exercise price of \$2.50 per share. Ms. Margaret Cotter and Mr. Laheney were granted options to purchase 20,000 shares each of the Company's Class A Nonvoting Stock on September 26, 2002 at an exercise price of \$3.75 per share.

Effective January 1, 2003, a flat retainer fee of \$25,000 per year will be paid quarterly, in arrears, to the directors other than the Chairman of the Board. The Chairman of the Audit Committee will receive an additional \$2,000 per year. The Chairman will continue to receive \$45,000 per year as part of his \$545,000 total annual compensation. Ms. Margaret Cotter has agreed to serve as a director without compensation, other than her stock options.

In March 2002, Mr. Soady was paid a directors fee of \$25,000 for his work as the Chairman of the Company's Conflicts Committees, and Mr. Villaseñor was paid \$10,000 for his work as the only other member of the Conflicts Committee with respect to the Consolidation.

Board Committees

The Board of Directors has standing Executive, Audit and Conflicts, and Compensation and Stock Option Committees. These committees are discussed in greater detail below. The Board of Directors does not have a nominating committee. Typically, nominations are suggested to the Board of Directors by the Chairman.

Executive Committee

The Company has a standing Executive Committee comprised of Messrs. Cotter, Laheney and Villaseñor that is authorized, to the fullest extent permitted by Nevada law, to take action on matters between meetings of the full Board of Directors.

Audit and Conflicts Committee; Audit Committee Report

The Company's Board of Directors maintains a standing Audit and Conflicts Committee, referred to herein as the Audit Committee. The Audit Committee operates under a Charter adopted by the Board of Directors. Attached hereto as Annex B is a copy of the current Charter, which reflects recent changes made in

Table of Contents

light of the Sarbanes-Oxley Act of 2002, and proposed amendments to the rules of the American Stock Exchange and the merger in 2002 of the Company's Audit Committee and Conflicts Committee into the current Audit and Conflicts Committee. The Audit Committee is comprised entirely of independent directors, (as independence is defined in Section 121(A) of the American Stock Exchange listing standards). During 2002, the Audit Committee was comprised initially of Messrs. Robert Loeffler, William Soady and Alfred Villaseñor, Jr. Following Mr. Loeffler's death in 2002, Mr. Eric Barr was appointed to the Audit Committee. Following his election to the Board on September 27, 2002, Mr. Gerard Laheney succeeded Mr. Alfred Villaseñor, Jr. on the Audit Committee.

Set forth below is the Audit Committee Report.

The Audit Committee has reported, with respect to the Company's fiscal year ended December 31, 2002 that:

- The Audit Committee has reviewed and discussed the audited financial statements with management;
- The Audit Committee has discussed with the independent auditors the matters require to be discussed by SAS 61 (Codification of Statements on auditing Standards, AU Section 380), as currently in effect at the date of the report; and
- The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as currently in effect at the date of the report;

Based on the review and discussions referred to in bullet points above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the company's Annual Report on form 10-K, for such fiscal year.

James Eric Barr
Gerard Laheney
Alfred Villaseñor, Jr.

Prior to November 2002, the Company's Board of Directors maintained a separate standing Conflicts Committee to review and advise the Board of Directors with respect to transactions and other matters which, in the view of the Board of Directors, involve an actual or potential conflict of interest between Reading and any one or more of its officers, directors, or controlling stockholders, or any one or more of their respective affiliates. Until September 2002, the Conflicts Committee consisted of Messrs. William Soady and Alfred Villaseñor, Jr. Upon his election to the Board of Directors, Mr. Laheney was appointed to the Conflicts Committee. The Conflicts Committee met 3 times in 2002, all of which meetings were attended by both Messrs. Soady and Villaseñor. On November 8, 2002, the functions of the Conflicts Committee were transferred to the Audit Committee and the Conflicts Committee was discontinued as a separate standing committee of the Board.

Compensation and Stock Options Committee; Report on Executive Compensation

The Company has a standing Compensation Committee comprised until March 2002 of James J. Cotter and Alfred Villaseñor, Jr. when Mr. Cotter resigned from the committee to be replaced by Mr. Soady. On September 26, 2002, the functions of the Compensation Committee and the Stock Option Committee were combined, and Mr. Laheney was appointed as the third member of the committee.

Set forth below is the Compensation Committee Report.

Table of Contents

The Company's executive compensation policies and programs are designed, in the view of the compensation committee, to attract and retain talented executives and to motivate them to achieve the Company's business objectives that the Board of Directors believes will enhance stockholder value. The principal terms of the Company's current employment arrangements with its principal executive officers, including salary and other base-level compensation, are described herein under "Summary Compensation Table."

Prior to the Consolidation, the Company, CRG and REI had separate compensation committees. The Compensation Committee of REI's Board of Directors was responsible for compensation matters of employees of REI, and the Compensation Committee of CRG's Board of Directors was responsible for compensation matters of employees of CRG. Certain executives provide services to two or more of the Company, REI and CRG. The Compensation Committee has historically considered compensation received from REI and CRG in determining the Company's executive compensation. The Summary Compensation Table sets forth the compensation paid to the covered individuals by all three companies on a consolidated basis.

The Company's current compensation strategy is to supplement the executive officers' base level compensation with periodic discretionary cash bonuses (predicated, among other things, on the financial condition of the Company), in recognition of individual performance, and stock option grants designed to link the executives' long-term compensation to appreciation in stockholder value over time. Compensation levels, including base salary, benefits, bonuses and stock option grants are designed to incentivize employees and to maintain executive compensation at the levels needed to attract and retain key employees. Initially, except in the case of Mr. James J. Cotter, compensation decisions have been made by Mr. Cotter, as the Chief Executive Officer of RII, CRG and REI, in consultation with the Compensation Committees of RII, CRG and REI and, in the case of compensation paid to individuals related to Mr. Cotter, with the approval of the appropriate compensation committee. Likewise, grants of stock options are typically recommended by Mr. James J. Cotter and reviewed by the Stock Option Committee. In the case of Mr. James J. Cotter, all decisions with respect to compensation are subject to review and approval by the entire Board of Directors.

All bonus decisions with respect to 2002 were made by Mr. Cotter. All Stock options granted in 2002, other than those granted to Mr. Cotter or to persons becoming directors of the Company as a part of their compensation for services as directors, were granted based upon the recommendation of Mr. Cotter. In total, during 2002 options to acquire 50,000 share of the Company's Class A Nonvoting Common Stock were granted to executive officers of the Company other than Mr. Cotter, and options to acquire 80,000 shares of such stock were granted to new members of the Board of Directors. In addition, in 2002 options to acquire 975,000 shares of the Company's Class A Nonvoting Common Stock were granted to Mr. Cotter. The Options granted to Mr. Cotter were recommended by the Stock Options Committee and approved by the entire Board of Directors, with Directors James J. Cotter, James J. Cotter, Jr. and S. Craig Tompkins abstaining. In determining to recommend the grant of these stock options to Mr. Cotter, the Stock Options Committee consulted with Towers Perrin, a firm specializing in executive compensation matters, and Kummer Kaempfer Bonner & Renshaw, the Company's principal outside counsel. The Stock Options Committee and the Board of Directors considered a variety of factors during their consideration of this matter, including the following:

- Mr. Cotter's ongoing services to the Company are critical, and the Company has no contract or agreement with Mr. Cotter assuring his long-term availability to the Company, other than his commitment to continue to perform services under his consulting contract with Craig Corporation through the end of 2003. Accordingly, it is important to incentivise Mr. Cotter to continue to perform services as the CEO of the Company, separate and apart from his interest as the principal stockholder of the Company.
- The options previously granted to Mr. Cotter to acquire 656,540 shares of Class A Common Stock at weighted average price of \$10.72 per share had recently expired and, accordingly, had no ongoing incentive value.
- The value of the options, using a Black Scholes analysis was approximately \$1,280,000.

Table of Contents

- Taking into account such value, based upon the advice of Towers Perrin, the grant of the options would put Mr. Cotter in the 82nd percentile of his peer group in terms of overall compensation.
- Taking into account the granting of the new options, Mr. Cotter would hold options to purchase 975,000 shares of Class A Common Stock and 833,580 shares of Class B Common Stock, representing approximately 8.3% of the aggregate currently outstanding Common Stock of the Company. Mr. Cotter's existing options and continuing options included fully vested options to purchase 696,080 shares of Class B Common Stock at \$5.06 per share, expiring June 11, 2005 and 137,500 shares of Class B Common Stock at \$10.24 per share, expiring April 18, 2007.
- The granting of the options would not raise any variable accounting issues.
- Since the options pertained only to Class A Non-Voting Common Stock, the granting of the options would not raise any change of control issues.
- The trading price for Class A Common Stock in recent periods had been between \$4.20 and \$3.75 over the ten trading days, but had only been above \$3.80 for a relatively short period between June 4, 2002 and July 1, 2002.

Based on the above, the Committee and the Board of Directors each determined that the granting of options to Mr. Cotter to acquire 975,000 shares of the Company's Class A Common Stock at \$3.80 per share was in the best interests of the Company and its stockholders.

Periodic cash bonuses and stock option awards for executive officers of the Company are determined primarily on the basis of the individual job performance of the executive officers and achievement of the Company's business objectives, but no particular weighting is given by the Compensation and Stock Option Committee to individual performance versus the achievement of corporate objectives. These variable elements in the compensation of the Company's executive officers recognize individual contributions and are determined based upon the level of the executive's responsibilities, the efficiency and effectiveness with which he or she oversees the matters under his or her supervision and the degree to which the officer has contributed to the accomplishment of major tasks that advance the Company's goals.

Subject to an exception for "performance-based compensation," effective January 1, 1994, corporations generally will be denied a deduction for federal income tax purposes for compensation paid to senior executive officers to the extent that such compensation exceeds \$1 million. This law did not impact the Compensation Committee's deliberations with respect to 2002. The Company does not expect to pay any executive officer cash compensation in excess of the deductibility limit with respect to 2003. The Compensation Committee and the Board of Directors, however, retain discretion to authorize the payment of compensation that does not qualify for income tax deductibility.

Gerard P. Laheney
William Soady
Alfred Villaseñor, Jr.

Prior to September 2002, the Company's Board of Directors maintained a standing Stock Option Committee to make determinations as to the granting of stock options under and the administration of the Company's 1999 stock option plan. The Stock Option Committee met 5 times in 2002, and all members participated in that meeting. In September 2002, the Board's Compensation and Stock Option Committees were merged into a single committee, and Messrs. Laheney, Soady and Villaseñor were appointed as the members of the merged committee. Prior to the merger of these two committees, the Stock Option Committee consisted of Messrs. Soady and Villaseñor.

Vote Required; Recommendation of the Board

The seven nominees receiving the greatest number of votes cast at the Annual Meeting will be elected to the Board of Directors. The Company has been advised that Mr. Cotter intends to vote 327,808 shares of the Company's Class B Voting Stock, representing 24.5% of the voting power of the Company, in favor of each of the nominees listed above.

THE BOARD RECOMMENDS A VOTE FOR EACH OF THE NOMINEES.

Summary Compensation Table

As previously disclosed in the report on Form 10-K for the year ended December 31, 2000, Citadel, Reading and Craig had a management agreement in which Craig Corporation served as the management company for the Company and for Reading Entertainment, Inc. Pursuant to this arrangement, all executive officers and administrative employees (excluding consultants and directors) became employees of Craig Corporation and the general and administrative costs paid by Craig Corporation were allocated to each company. Accordingly, while the management agreement was in effect, Citadel did not have employees who were paid directly by the entity for which their services are rendered, except for the President of Citadel Cinemas, Inc. as disclosed below.

Effective December 31, 2001, Citadel Holding Corporation, Reading Entertainment, Inc., and Craig Corporation consolidated to form Reading International, Inc. (“RII” or the “Company”). All former employees of Citadel Holding Corporation, Reading Entertainment, Inc., and Craig Corporation have become employees of RII as the date of the consolidation and the management agreement between Citadel Holding Corporation, Craig Corporation and Reading Entertainment, Inc. that was in effect from January 1, 2000 to December 30, 2001 was terminated.

The names of the executive officers of the Company are as listed below in the summary compensation table that sets forth the compensation paid by RII for the year ended December 31, 2002 and the compensation paid by Citadel for the years ended December 31, 2001 and 2000 for each of the most highly compensated executive officers of the company.

(1) The aggregate total number of shares of Class A and Class B common stock authorized for issuance under the Company’s 1999 Stock Option Plan is 1,600,000. The presentation above reflects the fact that the options may be issued to acquire either Class A or Class B shares, up to an aggregate 1,600,000 of such shares, and the outstanding options cover, in aggregate, 1,365,180 shares of Class A and Class B common stock.

As described in the Report of the Compensation Committee set out below in these materials, On July 11, 2002 the Board of Directors granted to Mr. Cotter options to acquire 975,000 shares of Class A common stock. These options are so called non-qualified stock options, and were not granted under the Company’s 1999 Stock Option Plan. Accordingly, they have not been approved by the stockholders of the Company and are effective without any such approval on the part of stockholders. The principle terms of the option are as follows: **(i)** exercise price: \$3.80 per share, payable in cash or through surrender of shares of Class A or Class B common stock or the surrender of appreciated options to acquire shares of Class A or Class B common stock; **(ii)** exercise period: 4 years, the option expiring on July 11, 2005; **(iii)** vesting: 575,000 immediately, and 200,000 on July 11, 2003 and July 11, 2004, **(iv)** transferability: to heirs, family owned entities, and charitable trusts.

Compensation Committee Interlocks and Insider Participation

Messrs. Laheney, Soady and Villaseñor serve on the Company’s Compensation Committee. Until September 2002, Mr. Laheney was a director of CRG. Mr. Cotter is the Chairman of the Board of RII and also served as the Chief Executive Officer of CDL, CRG and REI prior to October 16, 2000 and subsequent to December 26, 2000. He also served as a member of the Company’s Compensation Committee until March 2002. Mr. Cotter was the controlling stockholder of CDL, CRG and REI and is the principal stockholder of RII.

Certain Transactions and Related Party Transactions

General

On December 31, 2001, Craig Corporation (“CRG” and collectively with its corporate predecessors and wholly owned subsidiaries “Craig”), and Reading Entertainment, Inc. (“REI” and collectively with its corporate predecessors and consolidated affiliates “Old Reading”) merged with two wholly owned subsidiaries of Citadel Holding Corporation in a merger-of-equals consolidation (the “Consolidation”). As a part of the Consolidation, Citadel Holding Corporation changed its name to Reading International, Inc. (“RII” and collectively with its corporate predecessors and consolidated affiliates “Reading”). For purposes of this discussion, Citadel Holding Corporation as it existed before the Consolidation is referred to as CDL, and is referred to collectively with its then corporate predecessors and consolidated affiliates as “Citadel”. In the Consolidation, each share of CRG common stock and common preference stock was converted into the right to receive 1.17 shares of RII Class A Nonvoting Common Stock (the “RII Class A Common Stock”), and each share of REI common stock was converted into the right to receive 1.25 share of RII Class A Common

Stock. The CDL Class A Nonvoting Common Stock and CDL Class B Voting Common Stock became, upon the name change of Citadel Holding Corporation to Reading International, Inc., shares of RII Class A Common Stock and RII Class B Voting Common Stock (the “RII Class B Common Stock”).

Prior to the Consolidation, Citadel, Craig and Old Reading were operated as part of a group of commonly controlled companies (the “Craig Group of Companies”). Mr. James J. Cotter was the Chairman and Chief Executive Officer of each of CDL, CRG and REI. Mr. S. Craig Tompkins was the President and a Director of CRG and the Vice Chairman of the Board of each of CDL and REI. Mr. Andrzej Matyczynski was the Chief Financial Officer of each of CDL, CRG and REI, and Mr. Robert Smerling was the President and a Director of REI and the head of Citadel’s domestic cinema operations. Robert M. Loeffler was also a director and a member of the audit committees of each of the three companies.

Old Reading was principally engaged in two lines of business (1) the development, ownership and operation of multiplex cinemas in Australia, New Zealand and Puerto Rico, and (2) the development, ownership and operation of cinema based entertainment-themed retail centers and other real estate development activities in Australia and New Zealand. Citadel was likewise principally engaged in two lines of business (1) the development, ownership and operation of multiplex cinemas (focusing primarily on the art and upper-end film market) and “Off Broadway” style live theaters in the United States and (2) the ownership and operation of commercial real estate. Craig was principally in the business of owning interests in and providing management services to Old Reading and Citadel.

Mr. James J. Cotter, in addition to serving as the Chairman of the Board and Chief Executive Officer of each of CRG, CDL, and REI owned or otherwise had voting control over each of the companies in the Craig Group of Companies. Specifically, Mr. Cotter owned or otherwise controlled securities representing more than 50% of the voting power of CRG, which in turn owned securities representing more than 50% of the voting power of REI. Mr. Cotter, together with CRG and REI owned securities representing 49.3% of the voting power of CDL.

In part due to this overlapping ownership and control, there have been in the past a significant number of related party transactions between the members of the Craig Group of Companies, and their various affiliates. The Consolidation was intended, among other things, to address and mitigate these conflict of interest situations.

Overlapping Management

Prior to 2000, the members of the Craig Group of Companies allocated certain overhead expenses and provided various management services to one another pursuant to various cost sharing and consulting arrangements. During 2000, Old Reading moved its executive offices from Philadelphia to Los Angeles, and the members of the Craig Group of Companies reorganized and consolidated their general and administrative staffs under CRG. Consequently, substantially all of the general and administrative employees of the Craig Group of Companies were, until the Consolidation, employed directly by CRG, and receive all of their health, medical, retirement and other benefits from CRG. The general and administrative expense of the Craig Group of Companies was then periodically allocated, in accordance with the amount of time spent by these employees providing services for the respective member of the group.

Certain Transactions Between the Members of the Craig Group of Companies, and their Affiliates

Certain Entertainment Property Transactions

In 1999, Old Reading determined that, in view of its limited capital resources and the size and scope of its investments and commitments in Australia and New Zealand, it should focus on its overseas activities and dispose of its domestic entertainment assets. During this same period, Citadel was searching for hard asset investment opportunities in which to invest its cash (\$21,440,000 at June 30, 1999).

In the summer of that year, management began conversations with National Auto Credit, Inc. (“NAC”), about a potential transaction in which NAC would acquire, in partnership with Citadel, all of the domestic cinema assets of Old Reading, including Old Reading’s rights to acquire the Manhattan based City

Table of Contents

Cinemas chain. In April 2000 Old Reading conveyed a 50% membership interest in Angelika Film Centers, Inc. (“AFC”) to NAC in consideration of the issuance to it of certain securities and granted to NAC, in consideration of the payment by NAC to Old Reading of an option fee of \$500,000, an option to acquire the remainder of Readings domestic cinema assets. That option was subject to the right of Citadel to participate as a 50/50 partner with NAC in those assets, if Citadel were to so elect. Ultimately, NAC determined not to exercise that option, and determined instead to invest in a developmental “dot.com” company. Reading has resold to NAC the securities it received in consideration of the transfer of the 50% membership interest in AFC for gross proceeds of approximately \$14,702,000.

During this same period, Citadel determined to proceed with the acquisition from Old Reading of the remainder of Old Reading’s domestic entertainment assets. During 2000 and the first quarter of 2001, Reading conveyed to Citadel the following domestic entertainment assets:

The City Cinemas and Liberty Theaters Transactions. In December 1998, Old Reading entered into an agreement (the “Sutton Agreement”) with Messrs. James J. Cotter and Michael Forman and certain of their affiliates (collectively referred to here in as “Sutton”) to acquire the City Cinemas chain (the “City Cinemas Transaction”) and Off Broadway Investments, Inc. (“Liberty Theaters”)(the “Liberty Theaters Merger”). In 2000, Old Reading assigned that agreement to Citadel, and Citadel reimbursed to Old Reading the deposit Reading had made to Sutton under the Sutton Agreement. In September 2000, Citadel closed the City Cinemas Transaction and the Liberty Theaters Merger. In the City Cinemas Transaction, Citadel leased from Sutton, under a ten-year operating lease (the “Operating Lease”), four cinemas, obtained certain management rights with respect to an additional six cinemas, and purchased City Cinemas’ 16.7% membership interest in AFC. Citadel also obtained certain options (referred to here collectively as the “Asset Purchase Option”), exercisable in ten years, to purchase the assets subject to the Operating Lease, including two fee interests, for \$48,000,000, and committed, in 2007, to lend Sutton up to \$28,000,000 (the “Standby Line of Credit”). Citadel also merged with Liberty Theaters, issuing CDL common stock for all of the outstanding shares of Liberty Theaters. The Liberty Theaters stock was valued at \$10,000,000 in the transaction. As a result of the City Cinemas Transaction, the management of NY Angelika, and two other domestic cinemas owned by Old Reading, was transferred from City Cinemas to Citadel.

Sale of the Murray Hill Cinema. In September 2001, Sutton received an offer to purchase the Murray Hill cinema (one of the cinemas subject to the Operating Lease and the Asset Purchase Option) for \$10,000,000. Citadel agreed to release the Murray Hill cinema from the Operating Lease and the Asset Purchase Option. As a consequence of the release of the Murray Hill cinema from the Operating lease and the Asset Purchase Option, it was agreed that upon the closing of that sale, the rent payable under the Operating Lease would be reduced by approximately \$825,000 per year, the exercise price of the Asset Purchase Option would be decreased by \$10,000,000 from \$48,000,000 to \$38,000,000, and the Standby Line of Credit would be reduced by \$10,000,000 from \$28,000,000 to \$18,000,000. In addition, Citadel was to receive at the closing a two year option pursuant to which it could elect either (i) to receive a payment of \$500,000 in consideration of its surrender of its tenant’s interest in the Murray Hill cinema, or (ii) to purchase at par a 25% interest in the combined development of the Murray Hill site and the 3,703 square foot property adjacent to the Murray Hill cinema. It is anticipated that a project of up to 111,730 square feet could be constructed upon the combined properties.

Modification of the Murray Hill Transaction. In late 2001, the sale transaction was modified, to provide for partial payment of the purchase price of the Murray Hill cinema through the delivery of a two-year purchase money promissory note (the “Murray Hill Promissory Note”) in the amount of \$7,500,000, secured by the Murray Hill property. In consideration of its agreement to this modification, and to its agreement to (a) take back the Murray Hill cinema under the Operating Lease at an annual rent of approximately \$618,750, and (b) to increase the Standby Line of Credit by \$7,500,000 to \$25,500,000 in the event that Sutton is required to take back the Murray Hill property, Citadel received a license (the “License Agreement”) to continue to operate the Murray Hill cinema until shortly before the payment (or prepayment) of the Murray Hill Promissory Note, for no occupancy charges other than property tax and utilities, and the right to put the Murray Hill cinema back under the Asset Purchase Option, at an exercise price of \$7,500,000. The Murray Hill cinema sale was closed in February 2002.

The Domestic Cinema Transactions. In September 2000, Citadel also acquired from Old Reading the rights to the Angelika Film Center & Café project in Dallas, Texas — an eight screen Angelika style cinema that opened in August 2001 (the “Dallas Angelika”). In this transaction, Citadel reimbursed to Old Reading its costs to date in the development, and assumed Reading’s obligations under the lease. Old Reading, in turn, assigned to Citadel its interest in the lease and committed to reimburse to Citadel a portion of its investment in the Dallas Angelika if Citadel did not achieve at least a 20% return on equity during the second year of operation of the cinema. In March 2001, Old Reading sold the remainder of its domestic cinema assets (other than its residual 33.3% membership interest in AFC) to Citadel in consideration of the issuance by Citadel of two-year purchase money promissory note in the amount of \$1,906,000.

The Royal George Theatre Complex Transaction. In March 1999, Old Reading acquired for approximately \$3,000,000 the Royal George Theater Complex, a four auditorium fee property located in Chicago. The Royal George was acquired in a newly formed limited liability company (“RGT”), and in contemplation of the acquisition of Liberty Theaters. In June 2000, Citadel lent to RGT the funds needed to retire the purchase money note issued by RGT to acquire the complex, in consideration of the issuance to Citadel of a promissory note, bearing interest at the rate of 10.0% per annum, and in September 2000, acquired the Royal George Theatre Complex from Old Reading at approximately the same price as was paid by Reading for that complex in March 1999.

Management of Live Theater Assets. Prior to the Liberty Theaters Merger, the live theater assets of Liberty Theaters and the Royal George Theatre Complex were booked and managed by Union Square Management, Inc., a third party theater management company. Subsequent to the merger, the live theaters are managed by a company wholly owned by Margaret Cotter, as discussed below under OBI Management Agreement.

From time to time the members of the Craig Group of Companies, and Mr. Cotter and the other members of management, have been afforded the opportunity to invest in the plays that play or may play in the live theaters owned by the Company. These investments are monitored by Mr. Cotter, and periodically reported to the RII Conflicts Committee.

Certain Agricultural Transactions

Prior to the Consolidation, the Craig Group of Companies collectively owned approximately 60% of the equity interest in three partnerships (the “Agricultural Partnerships”) formed in 1997 to purchase approximately 1,600 acres of agricultural land in Southern California commonly know as the “Big 4 Ranch.” The property is principally improved with mature citrus groves. In order to satisfy certain federal laws relating to access to federal water supplies, the ownership of the Big 4 Ranch was taken in the Agricultural Partnerships, which are owned 40% by Citadel, 40% by Big 4 Ranch, Inc. (“BRI”) and 20% by Visalia LLC (“Visalia”).

Visalia is owned 49% by certain members of James J. Cotter’s family and 51% by Cecelia Packing (“Cecelia”) a company wholly owned by Mr. Cotter. The outside Directors of CDL felt that it was important that Mr. Cotter acquire an equity interest in the Agricultural Partnerships, since Citadel was relying principally upon his expertise and experience in making and providing executive supervision of the investment.

BRI was initially a wholly owned subsidiary of CDL, and was spun off to the stockholders of CDL immediately prior to the acquisition by the Agricultural Partnerships of Big 4 Ranch. Accordingly, Craig and Old Reading received their interests in BRI initially as a result of that spin-off. Thereafter, Craig increased its holdings in BRI through the purchase of additional BRI shares in privately negotiated transactions. Craig and Old Reading own their interests in the Agricultural Partnerships indirectly through their ownership of CDL and BRI shares. Prior to the Consolidation, Craig and Reading controlled BRI, owning 49% of the voting power of that company. In addition, Cecelia and a trust for the benefit of one of Mr. Tompkins’s children own an additional 3.2% of BRI. Historically, the officers and directors of CRG have served as the officers and directors of BRI.

Shortly before the Consolidation, Craig and Old Reading sold all of their interest in BRI to a third party for \$100, plus and option to repurchase the interest exercisable at any time on or before December 31, 2006 at

Table of Contents

an exercise price of \$100. Under applicable federal water laws, Reading would have owned more than the allowable amount of federally irrigated agricultural land, if it had retained its interest in BRI after the Consolidation. As discussed at greater length below, Reading believes that the stock of BRI is essentially valueless, since the debt owed by the Agricultural Partnerships is currently in excess of the value of its assets.

The Big 4 Ranch was farmed by Big 4 Ranch Farming, LLC ("Farming"), which is owned 80% by Citadel and 20% by Cecelia. Farming was reimbursed for all of its out-of-pocket costs by the Agricultural Partnerships, plus a fee equal to 5% of the gross revenues of the Agricultural Partnerships, after deducting the expenses of picking, packing and hauling. Farming, in turn, contracts with Cecelia for certain bookkeeping and administrative services, for which it paid a fee of \$6,000 per month. Farming was reimbursed for this expense from the Agricultural Partnerships. Cecelia also packed fruit for the Agricultural Partnerships, and was paid \$806,000 and \$1,146,000 for 2002 and 2001, respectively. The Craig Group of Companies provided various administrative services for the Agricultural Partnerships and BRI, for which they received no compensation.

Due to a variety of factors, principally bad weather and market conditions, the Agricultural Partnerships had lost in excess of 100% of their equity, and were being funded by loans from Reading and Visalia. As of December 31, 2001, Reading and Visalia lent \$4,840,000 and \$820,000, respectively, to the Agricultural Partnerships and in addition, guaranteed (on an 80/20 basis) certain equipment leases entered into by the Agricultural Partnerships. Following the loss by the Agricultural Partnerships of their crop due to a freeze in December 1998, Reading and Visalia funded the Agricultural Partnerships on an 80/20 basis. BRI, which has essentially no assets other than its original interest in the Agricultural Partnerships, did not have the capital resources to contribute to the ongoing funding of the Agricultural Partnerships.

Reading carried the value of its investment in the Agricultural Partnerships as \$0 since January 2000 and on July 1, 2002, the Agricultural Partnerships reconveyed the Big 4 Ranch to the original owner in consideration of the release from all obligations and liabilities otherwise owed to the original owner. The Company is currently in the process of winding up its agricultural activities.

OBI Management Agreement

The Company's live theater operations are managed by OBI Management, which is wholly owned by Margaret Cotter, the daughter of James J. Cotter and a director of RII, pursuant to a Theater Management Agreement (the "Management Agreement").

The Management Agreement generally provides that the Company will pay OBI Management a combination of fixed and incentive fees, which historically have equated to slightly less than 20% of the net cash flow received by the Company from its live theaters in New York. Since the fixed fees are applicable only during such periods as the New York theaters are booked, OBI Management will receive no compensation with respect to such theaters at any time when they are not generating revenues for the Company. This arrangement provides an incentive to OBI Management to keep the theaters booked with the best available shows, and mitigates the negative cash flow that would result from having an empty theater. For its management services for the Royal George Theater Complex in Chicago, the Company paid OBI Management \$35,000 with respect to 2002, compared to \$20,000 paid by the Company with respect to 2001, plus in each year reimbursement of travel-related expenses for OBI Management personnel with respect to travel between New York City and Chicago in connection with the management of the Complex. The Company paid OBI Management \$443,000 with respect to 2002 and \$301,000 with respect to 2001 for its management services for Liberty Theaters. By comparison, in the year immediately prior to its acquisition by the Company, Liberty Theaters paid approximately \$385,000 for management services with respect to its then three New York based cinemas.

OBI Management operates from office facilities owned by the Company on a rent-free basis and the Company shares the cost of one administrative employee of OBI Management located at those offices. Other than these expenses and travel-related expenses for OBI Management personnel to travel to Chicago as referred to above, OBI Management is responsible for all of its costs and expenses relating to the performance of its management functions. The Management Agreement will expire on December 31, 2003, but will renew automatically for successive one-year periods unless either party gives at least six months' prior notice of

Table of Contents

intention to allow the Management Agreement to expire. The Management Agreement is terminable at any time by the Company for cause.

Prior to the time Liberty Theaters was acquired by the Company in 2000, its theaters were managed by Union Square Management, Inc., a company in which Ms. Cotter was employed, but which was owned by parties unrelated to Mr. Cotter or the Company. OBI Management took over management of the Liberty Theaters live theaters shortly before Liberty Theaters was acquired by the Company, and from the time of that transaction until March 13, 2003, OBI Management provided such management services on an “at will basis” and on generally the same terms, including terms related to compensation, as such services had previously been provided by Union Square Management, Inc. Accordingly, the cost of this management structure was taken into account by the Company’s then Conflicts Committee at the time it approved the acquisition of Liberty Theaters. The current Management Agreement was approved by the Company’s Audit and Conflicts Committee on March 13, 2003, and has been applied retroactively to January 1, 2002. The Management Agreement is substantially similar to Liberty Theaters’ prior arrangement with Union Square Management, Inc., except that (i) it has been expanded to include the management of the Royal George Theater Complex on a flat-fee basis, (ii) the cost of any new capital improvements to the New York theaters will be amortized over the life of those improvement consistent with Generally Accepted Accounting Principles for purposes of calculating net cash flow from the theaters rather than being expensed in the year incurred, and (iii) in those cases where the Company assists in the financing of plays appearing in its theaters, any profits and losses to the Company resulting from such financing will be factored in by calculating theater cash flow for purposes of determining OBI Management’s incentive compensation.

Investment in Live Theater Production

During the second quarter of 2002, the Company invested approximately \$85,000 in the I Love You Productions Joint Venture for a 25% interest. Sutton Hill Capital, LLC, which is owned 50% by Mr. James J. Cotter (the Chairman of the Board and Chief Executive Officer of Reading), also made a 25% investment in the I Love You Productions Joint Venture.

Certain Family Relationships

Mr. James J. Cotter, Sr., the principal stockholder of Reading, has advised the Board of Directors that he considers his holdings in Reading to be long-term investments to be passed to his heirs. The Directors of Reading believe that it is in the best interests of these companies, and their respective stockholders, for heirs to become experienced in the operations and affairs of the Company. Accordingly, all of Mr. Cotter’s children are currently involved with the Company.

Mr. James J. Cotter, Jr. was elected to the Board of Directors of RII on March 21, 2002, and is a former director of Gish Biomedical Inc. Mr. J. Cotter, Jr. is a graduate of the Brown University, and obtained his law and tax degrees from the New York University. He is currently in the private practice of law with the firm of Winston & Strawn, in Manhattan.

Ms. Margaret Cotter was elected to the Board of Directors on September 27, 2002. She is a member of the Board of Directors of CRG and BRI, has served as an officer of Cecelia and Union Square Management, Inc., and is the owner and President of OBI LLC (“OBI Management”), a company that provides management services to the Company’s live theaters as discussed above under “OBI Management Agreement.” Ms. Margaret Cotter has an undergraduate degree from Georgetown and a juris doctorate from Georgetown Law School. She then spent four years as an assistant district attorney and felony trial prosecutor in New York prior to joining the Company.

Ms. Ellen Cotter is the Chief Operating Officer — Domestic Cinemas. Ms. Ellen Cotter has direct or indirect ownership interests in Visalia and Hecco Ventures, a California general partnership and major RII shareholder. Ms. E. Cotter is a graduate of Smith College and holds a juris doctorate from Georgetown Law School. She was in private practice with the law firm of White & Case as a corporate attorney for four years prior to joining the Company.

Mr. James J. Cotter, Sr. is the general partner of a limited partnership which is the general partner of Hecco Ventures. Each of James J. Cotter, Jr., Margaret Cotter and Ellen Cotter are limited partners in this partnership and members of Visalia.

Certain Miscellaneous Transactions

Reading has loaned to Mr. Smerling \$70,000 pursuant to a demand loan.

ANNEX B

Audit and Conflicts Committee of the Board of Directors

Charter

I. Purpose

The Audit and Conflicts Committee (the “Audit Committee”) is established by and amongst the Board of Directors for the primary purpose of assisting the board in:

- overseeing the integrity of the Company’s financial statements,
- overseeing the Company’s compliance with legal and regulatory requirements,
- overseeing the independent auditor’s qualifications and independence,
- overseeing the performance of the company’s independent auditor,
- overseeing the Company’s system of disclosure controls and system of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established; and
- to perform the functions of the “Conflicts Committee” as described in greater detail herein below.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, and the Board of Directors.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company shall provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor and to any advisers that the audit committee chooses to engage.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Directors regarding the execution of its duties and responsibilities.

The Audit Committee shall perform the functions of the “Conflicts Committee” of the Board of Directors and is delegated responsibility and authority by the Board of Directors of the Company to review, consider and negotiate, and to approve or disapprove on behalf of the Company the terms and conditions of any and all “Related Party Transactions,” with the same effect as though such actions had been taken by the full Board of Directors. Any such matter will require no further action by the Board of Directors in order to be binding upon the Company, except in the case of matters that, under applicable Nevada Law, cannot be delegated to a committee of the Board of Directors and must be determined by the full Board of Directors. In those cases where the authority of the Board of Directors cannot be delegated, the Audit Committee will nevertheless provide to the full Board of Directors the Audit Committee’s recommendation as to how such authority should be exercised.

The term “Related Party Transaction” as used in this Charter, means any transaction or arrangement between (A) the Company and/or any one or more of its subsidiaries (including subsidiaries structured as corporations, limited liability companies, partnerships, joint ventures, trusts or other legal entities) and (B)(i) any one or more directors, executive officers, or shareholders of the Company holding 10% or more of the voting power of the Company (or any spouse, parent, sibling or heir of any such individual), or (ii) any one or more entities controlled by, in control of or under common control with any one or more of the above such persons, or (iii) any entity in which any one or more of the persons identified in clauses (i) or (ii) immediately above hold a 10% or greater interest. Notwithstanding the above, the term “Related Party Transaction” shall not, however, be deemed to include matters related to employment or employee

compensation or reimbursement of employee expenses (including matters relating to the payment or provision of benefits such as health, insurance and retirement benefits), the negotiation or entering into of any employment contract or in the case of any executive officer who is retained pursuant to a consulting arrangement, of any such consulting arrangement, or the issuance of stock options to employees, consultants or directors where such matter is reviewed by the Compensation and Stock Options Committee of the Board of Directors.

II. Composition and Meetings

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors (as defined by all applicable rules and regulations), and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices. The board shall determine whether at least one member of the Committee qualifies as an “audit committee financial expert” in compliance with the criteria established by the SEC and other relevant regulations. The existence of such member, including his or her name and whether or not he or she is independent, shall be disclosed in periodic filings as required by the SEC. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may elect. As part of its job to foster open communication, the Committee should meet periodically with management, and the independent auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee should meet quarterly with the independent auditors and management to discuss the annual audited financial statements and quarterly financial statements, including the Company’s disclosure under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”
